## BIOGRAPHY - MARCO MIZZAU

After graduating from the classical high school "Giuseppe De Merode College" in Rome, he obtained at the age of 22 his bachelor's degree in economics with honors (specialization in Administration, Finance and Control) at University LUISS "Guido Carli" in Rome.

In the following years, he attended executive courses at St. Charles Business School of Management of Chicago, IESE Business School of Management, Wharton University of Pennsylvania, INSEAD University, SDA Bocconi and Harvard Business School.

Finance (Private Equity, Venture Capital & Real Assets) and Infrastructure are the main industries in which he has worked in Italy and abroad.

Since June 2023 he has been appointed CEO of Consip S.p.A. (€ 27,2 billion in annual value of contracts; ~1.7% Italy's GDP in 2023).

From 2019 to 2023 he served as Managing Director of InarCassa one of the most relevant Private Pension Funds (€ 14 billion in assets; €1.5 billion in revenues; 200,000 contributors).

In 2012 he worked at Campus Bio-Medico Holding (€ 350 million in revenues; 2,300 employees) where until 2019 he held the position of Chief Operating Officer, leading projects in finance, purchasing, real estate, ICT, cyber security, and achieving significant results in increasing the efficiency of corporate governance and rationalizing costs of personnel, goods and services.

From 2004 to 2006, he embarked on a career path as a Manager in management consulting for Ernst Young Financial Business Advisor, dealing with strategic and organizational consulting in support of Italian and European companies and institutions mainly in the Public Administration and Transportation sectors; from 2006 to 2012 as a Senior Manager at Accenture with responsibility for finance consulting projects in support of CEOs and CFOs of Italian and foreign corporate groups mainly in the Energy & Utilities sector.

From 2000 to 2004 he worked at Ferrovie dello Stato Holding, dealing with industrial planning, organization, and management development.

He began his professional experience in 1999 for Kpmg Consulting as a Financial Analyst, taking care of the elaboration of Business Plans in relevant Italian Industrial Groups.
