In view of the above, pending the entry into force of the aforementioned decree, the previous regulations are still applicable: the documentation proving possession of the general, technical/organisational and economic/financial requirements for participating in public calls for tenders must be acquired exclusively through the National Public Works Database (*Banca Dati Nazionale Contratti Pubblici*) (hereinafter, in short, the BDNCP) kept by the National Anti-Corruption Authority (art. 6-bis of Italian Legislative Decree no. 163/2006 as subsequently amended and supplemented, as introduced by paragraph 1a) of art. 20 of Law no. 35 of 04 April 2012). Art. 9 of the aforementioned Deliberation, as modified during the formal meetings held on 08 May and 05 June 2013, states that the obligation to perform verifications exclusively through use of the AVCPASS

For the purpose of this procurement action, prospective suppliers must register on the AVCpass System according to the operating instructions as well as the terms and technical regulations for the acquisition, updating and consultation of data present on the www.avcp.it website.

Once the economic operator has registered for the AVCPASS service and identified the procedure in which it wishes to participate, it will obtain a “**PassOE**” code which must be inserted into the e-mail containing the documentation requested for participation in the procedure, according to the procedures described below.

In accordance with the provisions of art. 6-*bis* of Italian Legislative Decree no. 163/2006 as subsequently amended and supplemented, of AVCP (now ANAC) Deliberation no. 111 of 20 December 2012 and of law no. 15 of 27 February 2014, as well as with the provisions of the aforementioned art. 216 (par. 13) of Italian Legislative Decree no. 50/2016, Consip shall conduct a compliance check of the requirements relating to this initiative exclusively through the BDNCP.

Lastly, it should be noted that failure to register with the AVCpass service, or to send the PassOE code, will not entail, by itself (unless otherwise stipulated), exclusion from this procedure. By means of a suitable notification, Consip provide suitable deadline for conducting the activities indicated above.

Sogei reserves the right to negotiate the payment terms of invoices up to 60 (sixty) days from receipt of invoice, with the successful bidder, pursuant to and in accordance with paragraph 4 of art. 4 of Italian Legislative Decree no. 231/02 as subsequently amended and supplemented. In such a case, the supplier will be required to carry out the performance of the contract at the same prices, terms and conditions stipulated in the contract. Amendments are only possible if they favour the contracting authority.

- **within ten (10) solar days after the receipt of this communication**, the following documentation:
 - an appropriate document proving the provision of a **definitive guarantee**, in order to ensure the fulfillment of all the obligations agreed upon in the contract, the amount of which is in accordance with the discipline provided by art. 103 of Legislative Decree no. 50/2016.

For the purposes of entering into the Contract, the successful tenderer must therefore pay, pursuant to art. 103 of Legislative Decree no. 50/2016, a definitive guarantee, in the form of a security or surety, equal to 10% of the contractual amount in favor of Sogei S.p.A./Administration. Consip has prepared a model that integrates the clarifications described above (Annex – Definitive guarantee facsimile) which it is suggested to use for the purposes of entering into the contract.

The guarantee, consisting of the two schemes referred to in Annexes A and B referred to in the aforementioned decree and the appendix, must also have **a notarized signature** and be irrevocable.

The guarantee must expressly provide for the waiver of the benefit of the prior enforcement of the principal debtor, the waiver of the exception referred to in art. 1957, second paragraph, of the Italian Civil Code, as well as the operation of the guarantee itself within fifteen days, upon simple written request from the Customer. The guarantee ceases to have effect upon complete and exact execution of the obligations arising from the contract itself with the issue of the certificate of verification of conformity. If the amount of the guarantees

decreases due to the application of penalties, or for any other reason, the successful tenderer will have to reinstate, as expressly provided for in the Contract, in the event of non-compliance, reinstatement takes place based on accrued income of price to be paid to the executor.
