sensi della normativa vigente (es. i soggetti di cui all'articolo 2, comma 573 Legge 244/07 e i movimenti politici, ex art. 24, comma 3, L. n. 289/2002) sono legittimati ad utilizzare la Convenzione. Le predette pubbliche amministrazioni ed i predetti soggetti utilizzano la Convenzione sino a concorrenza dell'importo massimo complessivo stabilito dalla Convenzione medesima ed ai prezzi e condizioni ivi previsti;

- b) che con propri Decreti Ministeriali del 24 febbraio 2000 e del 2 maggio 2001, il Ministero ha affidato alla Consip S.p.A., tra l'altro, l'assistenza nella pianificazione e nel monitoraggio dei fabbisogni di beni e servizi delle Pubbliche Amministrazioni, la conclusione per conto del Ministero medesimo e delle altre Pubbliche Amministrazioni delle Convenzioni per l'acquisto di beni e servizi di cui all'articolo 26, Legge 23 dicembre 1999, n. 488, nonché la realizzazione e la gestione del sistema di controllo e verifica dell'esecuzione delle Convenzioni medesime, anche attraverso soluzioni organizzative, servizi informatici, telematici e logistici necessari alla compiuta realizzazione del sistema stesso, anche attesa la necessità di realizzare il monitoraggio dei consumi ed il controllo della spesa pubblica con l'uso di nuove tecnologie e soluzioni organizzative innovative e segnatamente attraverso strumenti di *"Information Technology"*;
- c) che, in attuazione di quanto sopra, nonché in esecuzione di quanto previsto nella Convenzione sottoscritta in data 9 marzo 2017 tra il Ministero e la Consip S.p.A., quest'ultima ha il compito, tra l'altro, di eseguire i servizi compresi quelli informatici, telematici e di consulenza, necessari alla progettazione, sviluppo e realizzazione delle Convenzioni, di gestire le procedure per la conclusione delle medesime Convenzioni e dei relativi Ordinativi di Fornitura, nonché di svolgere le attività di monitoraggio dell'esecuzione delle obbligazioni e delle prestazioni, oggetto delle Convenzioni medesime e dei singoli contratti attuativi;
- d) che il sistema introdotto dall'articolo 26, Legge 23 dicembre 1999, n. 488 e dall'articolo 58, Legge 23 dicembre 2000, n. 388, non modifica la disciplina vigente in tema di adozione della deliberazione di acquisto, né di impegno di spesa da parte delle Pubbliche Amministrazioni;
- e) che la stipula della presente Convenzione non vincola in alcun modo le Amministrazioni Pubbliche, né tantomeno la Consip S.p.A., all'acquisto di quantitativi minimi o predeterminati di beni e/o servizi, bensì dà origine unicamente ad un obbligo del Fornitore di accettare, fino a concorrenza dell'importo massimo stabilito, gli Ordinativi di Fornitura deliberati dalle Amministrazioni Pubbliche che utilizzano la presente Convenzione nel periodo della sua validità ed efficacia, e di dare esecuzione ai contratti di fornitura;
- f) che per la fornitura in oggetto, le Amministrazioni operano la scelta del software secondo:
 - quanto disposto dall'art. 68 del D.lgs. 7 marzo 2005 n. 82 (Codice dell'Amministrazione Digitale);
 - i principi di parità di trattamento, concorrenza, economicità, efficienza, tutela degli investimenti, riuso e neutralità tecnologica.
- g) le Amministrazioni, pertanto, aderiranno alla Convenzione acquistando le Licenze d'uso IBM Passport qualora dalla valutazione comparativa di tipo tecnico ed economico risulti motivata l'impossibilità di accedere a soluzioni già disponibili all'interno

dell'Amministrazione medesima, o a software liberi o a codice sorgente aperto, adeguati alle esigenze da soddisfare;

- h) che i singoli contratti di fornitura vengono conclusi a tutti gli effetti tra le Amministrazioni Contraenti ed il Fornitore attraverso l'emissione degli Ordinativi di Fornitura secondo le modalità ed i termini indicati nelle Condizioni Generali; nei predetti Ordinativi di Fornitura saranno indicati l'esatto importo della fornitura richiesta ed il luogo di esecuzione. Ciascun Ordinativo di fornitura dovrà essere di importo uguale o superiore all'Importo Minimo Ordinabile (IMO), fissato in Euro 15.000,00 (quindicimila/00), IVA esclusa;
- i) che la Consip S.p.A., in esecuzione dei compiti assegnati ad essa dal Ministero, nel rispetto dei principi in materia di scelta del contraente, ha ravvisato la necessità di procedere all'individuazione dei fornitori per la **"Fornitura di licenze d'uso IBM Passport, del rinnovo della manutenzione e dei servizi connessi per le PA"**, attraverso una procedura aperta avente ad oggetto la Fornitura Multibrand di Licenze software, sottoscrizioni, rinnovo della manutenzione SW e dei servizi connessi per le Pubbliche Amministrazioni, svolta in ambito comunitario, suddivisa in n.4 Lotti ed indetta con Bando di gara pubblicato nella Gazzetta Ufficiale della Repubblica Italiana n. 148 del 27/12/2017 e nella Gazzetta Ufficiale dell'Unione Europea n. 246 del 22/12/2017;
- j) che il Fornitore è risultato aggiudicatario della procedura di cui sopra relativamente al Lotto 3 a tal fine indetta dalla Consip S.p.A. e, per l'effetto, il medesimo Fornitore ha espressamente manifestato la volontà di impegnarsi ad effettuare le forniture e i servizi oggetto della presente Convenzione ed eseguire i contratti attuativi, alle condizioni, modalità e termini stabiliti nel presente atto e nelle Condizioni Generali;
- k) che il Fornitore dichiara che quanto risulta dalla presente Convenzione e dai suoi allegati, ivi compreso il Capitolato Tecnico, nonché dal Bando di gara e dal Disciplinare di gara, definisce in modo adeguato e completo l'oggetto delle prestazioni da fornire e, in ogni caso, che ha potuto acquisire tutti gli elementi per una idonea valutazione tecnica ed economica delle stesse e per la formulazione dell'offerta;
- l) che il Fornitore ha presentato la documentazione richiesta ai fini della stipula della presente Convenzione che, anche se non materialmente allegata al presente atto, ne forma parte integrante e sostanziale, ivi incluse la garanzia definitiva rilasciata dalla Tokio Marine HCC ed avente n. 280199386470000 per un importo di Euro 400.000,00= (quattrocentomila/00) a garanzia dell'adempimento delle obbligazioni contrattuali, la garanzia rilasciata dalla Tokio Marine HCC ed avente n. 280199386230000 per un importo pari ad Euro 6.700,00= (seimilasettecento/00) a garanzia del pagamento dei costi delle verifiche ispettive;
- m) che la presente Convenzione non è fonte di alcuna obbligazione per la Consip S.p.A. nei confronti del Fornitore, salvo quelle espressamente alla stessa riferite, costituendo la medesima Convenzione le condizioni generali del contratto attuativo concluso dalle singole Amministrazioni Contraenti in seguito all'emissione dell'Ordinativo di Fornitura;
- n) che il Fornitore, con la seconda sottoscrizione, dichiara, ai sensi e per gli effetti di cui agli artt. 1341 e 1342 cod. civ., di accettare tutte le condizioni e patti contenuti nel presente atto e nelle Condizioni Generali e di avere particolarmente considerato quanto stabilito e convenuto con le relative clausole; in particolare dichiara di approvare specificamente le

clausole e condizioni riportate in calce alla presente Convenzione;

- o) che la presente Convenzione, compresi i relativi Allegati, viene sottoscritta dalle Parti con firma digitale rilasciata da ente certificatore autorizzato.

Lgs. n. 50/2016; l'Amministrazione comunicherà ad ANAC tale modifica entro i termini di cui all'art. 106, comma 8 del medesimo decreto. Le Amministrazioni contraenti possono apportare modifiche al contratto attuativo ove siano soddisfatte tutte le condizioni di cui all'art. 106, comma 1, lettera c), D. Lgs. 50/2016, fatto salvo quanto previsto all'art. 106, comma 7, del D. Lgs. n. 50/2016. Al ricorrere delle condizioni di cui all'art. 106, comma 14, del D. Lgs. 50/2016 la Amministrazione contraente comunicherà ad ANAC tale modifica entro i termini e con le modalità ivi indicati. In entrambi i casi sopra descritti, la Amministrazione contraente eseguirà le pubblicazioni prescritte dall'art. 106, comma 5, del D. Lgs. n. 50/2016.
 8. La Consip S.p.A. potrà apportare le modifiche di cui art. 106, comma 1, lett. d), del D. Lgs. n. 50/2016, nel pieno rispetto di tale previsione normativa.

2. I singoli Contratti di Fornitura, attuativi della Convenzione, stipulati dalle Amministrazioni Contraenti mediante Ordinativi di Fornitura, hanno durata di 12 (dodici) mesi decorrenti, rispettivamente dalla Data di Accettazione della fornitura in caso di acquisto delle Licenze, e dalla data di avvio del rinnovo della manutenzione (che coinciderà con la scadenza della precedente manutenzione) in caso di acquisto del rinnovo della manutenzione per le licenze già in uso.

Allegato 3 –Convenzione Lotto 3

1. La fornitura e il rinnovo della manutenzione oggetto di ciascun Ordinativo di Fornitura dovranno essere eseguiti dal Fornitore con le modalità stabilite nel Capitolato Tecnico ed esattamente nei luoghi indicati nell'Ordinativo di Fornitura.
2. La consegna di ciascuna fornitura si intende comprensiva di ogni relativo onere e spesa e dovrà essere eseguita dal fornitore entro e non oltre il termine di 15 (quindici) giorni solari decorrenti dalla Data Ordine. La consegna della fornitura si intenderà perfezionata al momento della ricezione della e-mail contenente l'oggetto di fornitura ovvero indicazione del sito internet dal quale scaricare le informazioni per usufruire della manutenzione software. La data di ricezione della mail coincide pertanto con la **"Data di Consegna"**. L'invio della mail è a totale ed esclusivo rischio del Fornitore. In caso di acquisto del rinnovo della manutenzione, affinché l'ordinativo di fornitura possa essere processato, è necessario che lo stesso sia emesso dalla PA nei trenta giorni antecedenti alla scadenza del precedente contratto di manutenzione.
3. In esecuzione di ciascun contratto attuativo, il Fornitore dovrà effettuare entro e non oltre il termine di 4 (quattro) giorni lavorativi dalla data di invio dell'Ordinativo di Fornitura la procedura per consentire l'elaborazione dell'Ordinativo medesimo presso la IBM. Il rispetto di tali termini potrà essere oggetto di verifica da parte di Consip in sede di verifiche ispettive.
4. Se l'Amministrazione non risulta registrata all'accordo "IBM Passport Advantage", il Fornitore dovrà inviare il modulo di adesione all'accordo "IBM Passport Advantage" che l'Amministrazione dovrà correttamente compilare in ogni sua parte, firmare ed inviare tramite fax o tramite e-mail in seguito a scansione, al medesimo Fornitore. **Soltanto in seguito all'esito positivo di tale adesione, l'Ordinativo potrà essere processato e quindi da quel momento decorreranno le tempistiche riportate ai precedenti commi 2 e 3.**
5. Per l'esecuzione dei servizi oggetto di ciascun contratto attuativo, il Fornitore si obbliga, a propria cura, spese e rischio, ad attivare i servizi oggetto di ciascun contratto attuativo e, comunque, a svolgere le attività stabilite nella presente Convenzione e nel Capitolato Tecnico e comunque tutto alle modalità e termini ivi prescritti, pena l'applicazione delle penali di cui oltre.
6. Con riferimento al singolo contratto attuativo, ciascuna Amministrazione Contraente procederà ad effettuare la verifica di conformità, rispettivamente: a) delle forniture oggetto dell'Ordinativo di Fornitura entro e non oltre 5 (cinque) giorni solari dalla Data di consegna per la verifica di funzionalità; b) dei servizi oggetto dell'Ordinativo di Fornitura secondo la procedura descritta, le modalità ed i termini stabiliti nel Capitolato Tecnico; tale verifica, che potrà essere eseguita anche a campione, verrà effettuata, su richiesta di ciascuna Amministrazione Contraente secondo le modalità e le specifiche stabilite nel Capitolato Tecnico. La verifica di conformità sarà svolta dalle Amministrazioni contraenti nel rispetto di quanto stabilito dagli artt. 101 e 102 del D. Lgs. n. 50/2016 e s.m.i., nonché di quanto previsto nelle Linee Guida dell'ANAC.
7. Per quanto concerne la fornitura delle licenze IBM Passport, le verifiche di conformità di cui al comma precedente si intendono positivamente superate solo se sia stata riscontrata positivamente la corrispondenza del software disponibile rispetto a quanto ordinato e scaricabile dal sito IBM e vi sia, quindi, una conformità dei beni rispetto alle prescrizioni del Capitolato Tecnico; tutti gli oneri e le spese delle verifiche di conformità sono a carico del Fornitore.

8. Per quanto concerne il rinnovo della manutenzione le verifiche di conformità di cui al precedente comma 5, si intendono positivamente superate solo se le verifiche di funzionalità abbiano dato esito positivo ed il servizio sia risultato conforme alle prescrizioni del Capitolato Tecnico; tutti gli oneri e le spese delle verifiche di conformità sono a carico del Fornitore.
9. 10. Lo svincolo avverrà periodicamente con cadenza semestrale a seguito della presentazione, relativamente a ciascun Ordinativo di Fornitura, della documentazione di cui sopra.
11. In ogni caso il garante sarà liberato dalla garanzia prestata solo previo consenso espresso in forma scritta dalla Consip S.p.A..
12. A garanzia del pagamento delle verifiche ispettive nella misura prevista, il Fornitore ha prestato cauzione rilasciata dalla Tokio Marine HCC in data 3/08/2018 e avente n. 280199386230000 pari ad un importo di Euro 6.700,00= (seimilasettecento/00).
Ferma restando l'operatività della garanzia di cui al comma precedente per tutta la durata della Convenzione e dei singoli contratti attuativi, e comunque sino alla completa ed esatta esecuzione dell'obbligo del pagamento delle verifiche ispettive, la Consip S.p.A. procederà allo svincolo progressivo di tale garanzia in ragione della presentazione da parte del Fornitore delle fatture quietanzate in ordine al pagamento dei costi delle predette verifiche ispettive.

In tal caso, l'Amministrazione potrà risolvere il contratto attuativo ed escutere la garanzia definitiva, salvo il risarcimento del maggior danno. L'Amministrazione dovrà segnalare la fattispecie alla

Consip S.p.a. che potrà risolvere la Convenzione.

3. Rimane inteso che eventuali inadempimenti che abbiano portato alla risoluzione della convenzione o dei singoli contratti di fornitura saranno oggetto, da parte della Consip S.p.A. o delle amministrazioni contraenti, di segnalazione **all'Autorità Nazionale anticorruzione** nonché potranno essere valutati come gravi illeciti professionali, tali da rendere dubbia l'integrità o affidabilità del Fornitore ai sensi dell'art. 80, comma 5, lett. c), del D. - la mancata trasmissione della dichiarazione di cui al precedente comma 2 o la riscontrata falsità della dichiarazione di cui al precedente comma 2 potrà comportare la risoluzione della Convenzione/Contratto e la conseguente valutazione ai sensi dell'art. 80, comma 5, lett. c), del D. Lgs. n. 50/2016 informando tempestivamente il Dipartimento dell'amministrazione generale, del personale e dei servizi sulla risultanza dei controlli a campione effettuati.

2 CONTESTO

Il Programma di razionalizzazione degli acquisti della Pubblica Amministrazione prende avvio nell'anno 2000 a seguito dell'introduzione di un nuovo sistema per gli approvvigionamenti, previsto dall'articolo 26 della legge n. 488 del 23 dicembre 1999 e s.m.i., e dal D.M. 24 febbraio 2000, dall'articolo 58 della Legge n. 388 del 2000 del D.M. 2 maggio 2001 e del D.P.C.M. 11 novembre 2004, n. 325.

Il sistema per gli approvvigionamenti prevede per il Ministero dell'Economia e delle Finanze il compito di stipulare Convenzioni con i fornitori, cui possono aderire tutte le Pubbliche Amministrazioni. I fornitori, selezionati secondo le vigenti normative in materia di scelta del contraente, si impegnano a fornire beni e servizi alle Amministrazioni ordinanti, secondo le condizioni e prezzi stabiliti in Convenzione e nei limiti dei quantitativi massimi ivi previsti.

Con D.M. del 24 febbraio 2000 il Ministero dell'Economia e delle Finanze ha deliberato di avvalersi della struttura societaria Consip S.p.A. per la realizzazione del sistema delle Convenzioni.

Per la fornitura relativa alle "licenze commerciali" (IBM Passport, Oracle e Microsoft GOL), si assume che le Amministrazioni abbiano operato la scelta del software da acquisire secondo:

- quanto disposto dall'art. 68 del D.Lgs. 7 marzo 2005 n. 82 e s.m.i. (Codice dell'Amministrazione Digitale) avente ad oggetto l'analisi comparativa di tipo tecnico ed economico tra le seguenti soluzioni disponibili sul mercato :i) software appositamente sviluppato; ii) riutilizzo di software o parti di esso; iii) software libero o a codice sorgente aperto; iv) software fruibile in modalità cloud computing; v) software di tipo proprietario mediante ricorso a licenza d'uso; vi) software combinazione delle precedenti soluzioni;
- principi di parità di trattamento, concorrenza, economicità, efficienza, tutela degli investimenti, riuso e neutralità tecnologica.

Pertanto, le Amministrazioni aderiranno alla Convenzione acquistando "licenze commerciali" qualora dalla valutazione comparativa di tipo tecnico ed economico risulti motivata l'impossibilità di accedere a soluzioni già disponibili all'interno dell'Amministrazione medesima, o a software liberi o a codici sorgente aperto, adeguati alle esigenze da soddisfare.

7 MONITORAGGIO DELLA CONVENZIONE

Nei seguenti paragrafi sono descritte le attività di verifica e controllo in corso d'opera del corretto andamento delle attività di erogazione dei servizi, sia in relazione al rispetto della conformità delle prestazioni contrattuali, che al raggiungimento degli obiettivi previsti contrattualmente.

7.1 Verifica di conformità delle licenze, prodotti e sottoscrizioni (Lotti 1, 2, 3 solo con riferimento alle licenze d'uso, e 4)

L'Amministrazione procederà alla verifica di conformità delle licenze, dei prodotti e delle sottoscrizioni. Tale verifica dovrà essere effettuata non appena l'Amministrazione abbia ricevuto l'e-mail di consegna e comunque entro e non oltre 5 giorni solari dalla **Data di Consegna** e riguarderà la corrispondenza della fornitura disponibile rispetto a quanto ordinato. In particolare la verifica di conformità delle licenze, dei prodotti e delle sottoscrizioni riguarderà:

- a) l'effettiva disponibilità di quanto indicato dal Fornitore nella propria e-mail;
- b) la corrispondenza del software/prodotto/sottoscrizione rispetto a quanto ordinato, ivi compresa la disponibilità degli elementi inclusi nella fornitura (per esempio nell'ambito dei prodotti SA OLP NL Gov e LicSAPk OLP NL Gov).

Nel caso di esito positivo della verifica di conformità della fornitura, l'Amministrazione contraente provvederà a redigere apposito verbale, la cui data verrà considerata quale **data di accettazione** della fornitura.

In caso di esito negativo della verifica di conformità, qualora la fornitura non sia rispondente a quanto ordinato, il **Fornitore** si impegna, ora per allora e senza alcun onere aggiuntivo per l'Amministrazione, a rendere disponibile, ai fini della ulteriore verifica di conformità, la fornitura effettivamente ordinata entro il termine perentorio di 10 (dieci) giorni solari decorrenti dalla data di comunicazione di non conformità, pena l'applicazione delle penali di cui alle Convenzioni.

Qualora la verifica di conformità della fornitura successiva alla prima abbia esito negativo, il contratto si risolverà come previsto nelle Convenzioni relative a ciascun lotto.

Resta ferma, in ogni caso, la possibilità di effettuare controlli a campione con modalità comunque idonee a garantire la verifica dell'esecuzione contrattuale in conformità a quanto previsto dall'art. 7 delle Convenzioni relative ai vari lotti.

Le Amministrazioni e la Consip S.p.A., per quanto di propria competenza, potranno, altresì, effettuare unilaterali verifiche, anche in corso d'opera, per l'accertamento della conformità delle forniture.

In ogni caso, dell'esito delle suddette verifiche di conformità, l'Amministrazione dovrà darne comunicazione al Fornitore mediante e-mail al *Contact Center* di cui al precedente paragrafo 5.4.

7.2 Verifica di conformità del rinnovo della manutenzione delle licenze IBM Passport già in uso (Lotto 3)

Le verifiche di conformità per il rinnovo della manutenzione delle licenze IBM Passport già in uso presso le PA saranno effettuate dall'Amministrazione contraente con cadenza trimestrale a partire dalla data di rinnovo che coincide con la scadenza del precedente contratto in essere.

Nel caso di esito positivo della verifica di conformità rispetto alle prestazioni in oggetto, l'Amministrazione contraente provvederà a redigere apposito documento, la cui data verrà considerata quale **Data di Accettazione** del servizio.

Qualora la verifica di conformità della fornitura successiva alla prima abbia esito negativo, il contratto si risolverà come previsto nella Convenzione.

Resta ferma, in ogni caso, la possibilità di effettuare controlli a campione con modalità comunque idonee a garantire la verifica dell'esecuzione contrattuale in conformità a quanto previsto dall'art. 7 della Convenzione.

In ogni caso, dell'esito delle suddette verifiche di conformità, l'Amministrazione dovrà darne comunicazione al Fornitore mediante e-mail al Contact Center di cui al paragrafo 5.4.

7.3 Verifiche Ispettive

Durante tutta la durata della Convenzione e dei singoli contratti stipulati dalle Amministrazioni, al fine di verificare la conformità delle prestazioni contrattuali a quanto prescritto nel Capitolato Tecnico e nell'ulteriore documentazione contrattuale, nonché di accertare l'adempimento degli impegni assunti dal fornitore, la Consip S.p.A. potrà effettuare – anche avvalendosi di Organismi di Ispezione accreditati secondo la norma UNI CEI EN ISO/IEC 17020:2012 - apposite verifiche ispettive.

I costi di tali verifiche saranno a carico del fornitore che dovrà corrisponderli direttamente all'Organismo di Ispezione nei tempi indicati nella Convenzione. La fattura, relativa al

pagamento delle verifiche ispettive, sarà inviata da parte dell'Organismo di Ispezione anche alla Consip S.p.A. in copia conoscenza.

I costi a carico del fornitore per l'esecuzione delle verifiche ispettive saranno pari allo 0,5% del valore degli Ordinatori di Fornitura emessi a valere sulla Convenzione; la stima di detto corrispettivo, è pari:

Lotto 1: 3.350,00 euro

Lotto 2: 2.800,00 euro

Lotto 3: 6.700,00 euro

Lotto 4: 1.700,00 euro.

Per l'espletamento della suddetta attività, si farà riferimento agli adempimenti contrattuali indicati nel presente Capitolato e nei suoi allegati (Appendice 2 - Schema delle Verifiche Ispettive). Tale Schema, in sede di verifica potrà essere oggetto di ulteriori modifiche e/o integrazioni, al fine di verificare gli aspetti della fornitura e il corretto adempimento di tutte le obbligazioni contrattuali assunte con la sottoscrizione della Convenzione. Le "modalità di valutazione", indicate nel suddetto Schema, sono anch'esse passibili di modifiche e/o integrazioni, compatibilmente con i livelli di servizio oggetto di indagine.

Dette modalità di valutazione, ove la scala di valutazione a cinque livelli prevista nel Capitolato Tecnico non risulti applicabile, potranno essere derogate con l'utilizzo di una scala di valutazione a due livelli (conformità/non conformità grave), ad esempio anche il ritardo di un solo giorno determinerà il verificarsi della "non conformità grave".

Le verifiche ispettive potranno essere effettuate sia presso le sedi del fornitore sia presso quelle delle Pubbliche Amministrazioni che avranno effettuato Ordinatori di Fornitura; il fornitore e l'Amministrazione contraente dovranno, pertanto, attivarsi affinché le verifiche possano essere espletate nel migliore dei modi e senza intralcio all'attività.

L'Organismo di Ispezione, su indicazioni della Consip S.p.A., effettuerà uno o più cicli di verifiche ispettive sugli ordinativi emessi a valere sulla Convenzione. Tale ciclo è il numero di giorni/uomo necessari per rendere significativa l'attività di ispezione, compatibilmente con lo "Schema delle verifiche ispettive" e l'importo massimo a disposizione per lo svolgimento delle verifiche stesse.

8 REQUISITI DI QUALITÀ

In coerenza con il documento “Linee guida per la qualità dei beni e dei servizi ITC per la definizione ed il governo dei contratti della Pubblica Amministrazione”, è stata realizzata una sintesi degli indicatori di qualità definiti per la fornitura dei prodotti e dei servizi connessi nell’ambito della Convenzione; essi sono riepilogati nella tabella seguente e dettagliati nell’Appendice 3. 1.	Scopo del documento	3
2.	Modalità di invio	4
2.1	Regole di formato dei dati	4
3.	Descrizione dei flussi di dati	6
3.1	Penali applicate	7

1. SCOPO DEL DOCUMENTO

Scopo del documento è descrivere i flussi di alimentazione del sistema di monitoraggio delle Convenzioni.

Il documento prevede i seguenti capitoli:

Modalità di invio dei flussi, che descrive la modalità con cui il fornitore dovrà inviare i flussi di dati, la nomenclatura e il formato;

Descrizione dei flussi di dati, che dettaglia i flussi dati richiesti e le interrelazioni.

2. MODALITÀ DI INVIO

I flussi richiesti dovranno pervenire entro e non oltre il giorno 15 del mese, precisamente nelle date 15 luglio e 15 gennaio.

Se non esistono dati reali da inviare per una o più tipologie di flusso, entro le stesse scadenze il Fornitore dovrà comunicare a Consip tale assenza di dati.

L'invio dei flussi dovrà avvenire attraverso il sito internet www.acquistinretepa.it, in particolare tramite la procedura "Gestione flussi" presente nell'area del sito riservata ai fornitori e disponibile agli utenti abilitati (legali rappresentanti e operatori) appartenenti ai fornitori aggiudicatari, al cui interno è disponibile anche la funzionalità con cui comunicare l'eventuale assenza di dati da inviare per una o più tipologie di flussi.

Relativamente ad eventuali dati errati individuati da Consip, nella stessa area del sito sarà reso disponibile al Fornitore il flusso contenente i record errati, accompagnati dalle relative segnalazioni di errore. Il Fornitore dovrà quindi effettuare la bonifica dei dati e inviare i flussi corretti.

A questo proposito si raccomanda di seguire quanto specificato nei successivi paragrafi.

2.1 REGOLE DI FORMATO DEI DATI

Nella produzione dei flussi da inviare a Consip dovranno essere seguite le seguenti regole di formato:

- I flussi dovranno essere prodotti in formato "file di testo".
- I campi di tipo "data" devono avere il formato AAAAMMGG, in altre parole: anno (4 digit) – mese (2 digit) – giorno (2 digit) in sequenza e senza separatore.
Esempio: per indicare che una penale è stata emessa il 29 settembre 2015, il campo DATA EMISSIONE PENALE dovrà assumere il valore 20150929.
- I flussi non devono contenere caratteri speciali. In particolare, dove necessario, devono essere eliminati secondo le seguenti regole:

CARATTERE SPECIALE	CARATTERI CON CUI SOSTITUIRE
À	a'
È	e'
È	e'
Ì	i'
Ò	o'
Ù	u'
1° ... 9°	I ... IX
10°, ...	10mo, ...
N°	n.
...	...

- Per quanto riguarda i campi numerici che prevedono cifre decimali (es. IMPORTO PENALE) il carattere separatore deve essere il punto (es. 1000.22) e non devono essere presenti ulteriori caratteri separatori (es. separatore delle migliaia).
- I campi "importo" devono essere valorizzati a meno dell'IVA.

- I flussi sono definiti con formato “variabile con carattere separatore”, con questo si intende dire che:
 - all’interno dei singoli campi del record devono essere riportati esclusivamente i caratteri significativi, eliminando eventuali spazi o altri caratteri non significativi a riempimento del campo, in testa o in coda (la lunghezza di ogni campo e del record finale non sarà fissa, ma dipenderà dal suo contenuto effettivo);
 - la fine di un campo è contraddistinta dal carattere indicato come separatore, cioè il carattere | (pipe);
 - non deve essere riportato un carattere separatore a chiusura dell’ultimo campo del record.

Si riportano alcuni esempi di come potrebbero apparire dei record del flusso “Penali applicate” secondo quanto appena detto:

123456|1|P|A1|20150929|100.22

34567|2|R|A2|20150912|

- Qualora un campo non debba essere valorizzato, in quanto non applicabile alla specifica tipologia di Convenzione, deve essere comunque presente in ogni record del file. Verrà quindi tradotto con la presenza nella relativa posizione di 2 caratteri separatori di campo consecutivi o, se si tratta dell’ultimo campo del record, con un carattere separatore come ultimo carattere del record stesso (vedi esempio al punto precedente).

3. DESCRIZIONE DEI FLUSSI DI DATI

In questo capitolo vengono descritti i flussi richiesti ai fornitori aggiudicatari di convenzione:

- **Penali applicate**, relativo alle penali applicate dalle Amministrazioni Contraenti secondo quanto indicato nella Convenzione;

Nel seguito vengono indicati la frequenza di invio ed i campi che lo compongono e per ogni campo viene indicata la posizione nel flusso, il nome e la descrizione del campo, la tipologia e la lunghezza del dato e se il campo fa parte della chiave identificativa del record.

Nella tabella seguente viene indicato quali di questi flussi sono richiesti per la specifica Convenzione:

ARTICOLO 2

NORME REGOLATRICI E DISCIPLINA APPLICABILE

1. Fermo restando quanto previsto nella Convenzione, quest'ultima ed i singoli contratti attuativi della medesima sono regolati in via gradata:
 - a) dalla Convenzione e dai suoi allegati, che costituiscono la manifestazione integrale di tutti gli accordi intervenuti con il Fornitore relativamente alle attività e prestazioni contrattuali, ivi incluse le presenti "Condizioni Generali" che costituiscono parte integrante e sostanziale della Convenzione;
 - b) dalle disposizioni di cui al D.Lgs. n. 50/2016 e s.m.i.;
 - c) dalle disposizioni di cui al d.P.R. 10 ottobre 2010, n. 207, nei limiti stabiliti dagli artt. 216 e 217 del D.Lgs. n. 50/2016 e s.m.i.;
 - d) dalle disposizioni contenute nel D.M. 28 ottobre 1985 del Ministero dell'Economia e delle Finanze, nonché dalle altre disposizioni anche regolamentari in vigore per le Amministrazioni Contraenti, di cui il Fornitore dichiara di avere esatta conoscenza e che, sebbene non siano materialmente allegati, formano parte integrante del presente atto e della Convenzione;
 - e) dalle norme in materia di Contabilità delle Amministrazioni Contraenti;
 - f) dal codice civile e dalle altre disposizioni normative in vigore in materia di contratti di diritto privato;
 - g) dal Codice Etico e dal Piano triennale per la prevenzione della corruzione e della trasparenza della Consip S.p.A., consultabili sul sito internet della stessa Consip;
 - h) dal patto di integrità.
2. Le clausole della Convenzione e dei contratti attuativi della medesima sono sostituite, modificate od abrogate automaticamente per effetto di norme aventi carattere cogente contenute in leggi o regolamenti che entreranno in vigore successivamente, fermo restando che in ogni caso, anche ove intervengano modificazioni autoritative dei prezzi migliorative per il Fornitore, quest'ultimo rinuncia a promuovere azione o ad opporre eccezioni rivolte a

sospendere o a risolvere il rapporto contrattuale in essere.

ARTICOLO 3

UTILIZZAZIONE DELLA CONVENZIONE E MODALITÀ DI CONCLUSIONE

1. La Convenzione è efficace e può essere utilizzata dalle Amministrazioni o dagli Enti a partire dalla data di attivazione indicata dall'articolo 5, comma 1, della Convenzione.
2. Nell'Ordinativo di Fornitura, le Amministrazioni Contraenti saranno tenute ad indicare l'avvenuta registrazione o meno alla "Piattaforma dei crediti commerciali" di cui ai Decreti Ministeriali 22/05/2012 e 25/06/2012 e s.m.i. in conformità a quanto previsto dai Decreti stessi.

Le Amministrazioni Contraenti obbligate alla registrazione alla "Piattaforma dei crediti commerciali" di cui ai Decreti Ministeriali 22/05/2012 e 25/06/2012 e s.m.i. dovranno pertanto prima dell'emissione dell'ordinativo essere in regola con gli obblighi di registrazione.

Gli Ordinativi sprovvisti dell'indicazione relativa all'avvenuta registrazione di cui sopra saranno ritenuti incompleti ai sensi e per gli effetti di quanto previsto dal successivo comma 9 del presente articolo.

3. L'utilizzo della Convenzione avviene esclusivamente attraverso il Sistema di e-Procurement della Pubblica Amministrazione. L'accesso e l'utilizzo del Sistema sono disciplinati dalle Regole del Sistema di e-Procurement della Pubblica Amministrazione, Parte I, Allegato F alla Convenzione, che le Amministrazioni Pubbliche e il Fornitore dichiarano di ben conoscere ed accettare integralmente.
4. Sono legittimate ad utilizzare la Convenzione, ai sensi della normativa vigente, le Amministrazioni o gli Enti come definite/i nel precedente articolo 1, comma 1, lettera a).
5. Per potere acquistare attraverso la Convenzione ed emettere validi Ordinativi di Fornitura, il Punto Ordinate dell'Amministrazione Contraente deve preventivamente abilitarsi al Sistema di e-Procurement. Resta inteso che l'abilitazione del Punto Ordinate non comporta, in capo alla Consip S.p.A. e/o al Ministero, una verifica dei poteri di acquisto attribuiti a ciascuna Unità Ordinate.
6. Le predette Amministrazioni Pubbliche, previa effettuazione di apposita abilitazione al Sistema di e-Procurement della Pubblica Amministrazione tramite il proprio Punto Ordinate attraverso l'apposita procedura prevista dal Sistema, utilizzano le Convenzioni mediante Ordinativi di Fornitura. L'Ordinativo di Fornitura consiste, anche considerato quanto previsto dall'art. 1, comma 452, della Legge n. 296/2006, in un documento informatico identificato con un apposito numero e generato automaticamente dal Sistema sulla base dei dati forniti dal Punto Ordinate, con le modalità di seguito descritte.
7. Affinché l'Ordinativo di Fornitura possa produrre effetti, esso deve assumere la forma di un documento informatico generato dal Sistema, sottoscritto con firma digitale dal Punto Ordinate e trasmesso al Fornitore attraverso il Sistema. Non è consentito l'invio di Ordinativi di Fornitura con altre modalità. Il Fornitore prende atto e accetta che non dovrà in alcun modo dare seguito ad Ordinativi di Fornitura che non siano trasmessi nel rispetto delle modalità di cui sopra.

8. Ove il Fornitore ritenga di non poter dare esecuzione ad Ordinativi di Fornitura provenienti da un soggetto non legittimato, in base alla normativa vigente, ad utilizzare le Convenzioni, dovrà, tempestivamente, e comunque entro quattro giorni solari dal ricevimento degli ordinativi stessi, o nel diverso termine indicato nella Convenzione, informare l'Amministrazione Contraente e Consip S.p.A., spiegando le ragioni del rifiuto.
9. Qualora l'Ordinativo di Fornitura non sia completo in ogni sua parte necessaria, l'Ordinativo di Fornitura medesimo non avrà validità ed il Fornitore non dovrà darvi esecuzione; quest'ultimo, tuttavia, dovrà darne tempestiva comunicazione alla Amministrazione, entro e non oltre quattro giorni solari dal ricevimento dell'Ordinativo stesso, o nel diverso termine indicato nella Convenzione. In tal caso l'Amministrazione potrà emettere un nuovo Ordinativo di Fornitura, secondo le indicazioni sopra riportate.
10. Per effetto dell'Ordinativo di Fornitura, il Fornitore sarà obbligato ad eseguire la fornitura richiesta, nell'ambito dell'oggetto contrattuale, restando inteso che in caso di mancata utilizzazione della Convenzione da parte dei soggetti sopra indicati nulla potrà essere preteso a qualsiasi titolo dal medesimo Fornitore il quale, infatti, sarà tenuto a svolgere le attività, effettuare le forniture e prestare i servizi solo a seguito della ricezione degli Ordinativi di Fornitura, compilati ed inviati entro i termini ed in conformità alle condizioni sopra indicate.
11. I singoli contratti attuativi della Convenzione si concludono il quarto giorno solare successivo alla ricezione da parte del Fornitore degli Ordinativi di Fornitura inviati dalle medesime Amministrazioni Contraenti, o nel diverso termine indicato nella Convenzione. Spirato il predetto termine, l'Ordinativo di Fornitura è irrevocabile per le Parti e, per l'effetto, il Fornitore è tenuto a dare esecuzione completa alla fornitura richiesta. Qualora il Fornitore non abbia autorizzato Consip S.p.A. alla pubblicazione delle generalità e del codice fiscale del/i delegato/i ad operare sul conto/i corrente/i dedicato/i, il Fornitore medesimo sarà tenuto a comunicare, entro e non oltre due giorni dalla conclusione del singolo contratto attuativo della Convenzione i surrichiamati dati alle Amministrazioni ordinanti.
12. Il Fornitore prende atto, rinunciando ora per allora a qualsiasi pretesa di risarcimento o di indennizzo, che l'Amministrazione Contraente ha la facoltà di revocare l'Ordinativo di Fornitura, avvalendosi esclusivamente del Sistema, da esercitarsi entro un giorno lavorativo dall'emissione dell'Ordinativo di Fornitura.
13. Qualora venga richiesto da Consip S.p.A., il Fornitore, entro un giorno lavorativo dalla richiesta, ha l'obbligo di dare riscontro alla medesima Consip S.p.A., anche per via telematica, di ciascun Ordinativo di Fornitura divenuto irrevocabile.
14. Le Amministrazioni Contraenti provvederanno, al momento dell'emissione del singolo Ordinativo di Fornitura: *i)* alla nomina del Responsabile del Procedimento, ai sensi e per gli effetti dell'art. 31 del D.Lgs. n. 50/2016 e s.m.i. *ii)* alla nomina del Direttore dell'esecuzione, laddove le relative funzioni non siano svolte dal Responsabile del procedimento nel rispetto degli artt. 101, 102 e 111 del D.Lgs. n. 50/2016 e s.m.i.; *iii)* ai sensi e per gli effetti dell'art. 3 della Legge 13 agosto 2010 n. 136 e s.m.i., degli artt. 6 e 7 del Decreto Legge 12 novembre 2010, n. 187 nonché della Determinazione dell'Autorità per la Vigilanza sui Contratti Pubblici

(ora A.N.AC.) n. 8 del 18 novembre 2010, alla indicazione sul medesimo Ordinativo di Fornitura del CIG (Codice Identificativo Gara) “derivato” rispetto a quello della Convenzione e da esse richiesto nonché del CUP (Codice Unico Progetto) ove obbligatorio ai sensi dell’art. 11 della Legge 16 gennaio 2003 n. 3.

15. Le Amministrazioni Contraenti procedono ad inviare a Consip S.p.A. il certificato di verifica di conformità di cui all’art. 102 del D.Lgs. n. 50/2016 e s.m.i. relativamente ai singoli contratti attuativi, anche ai fini dello svincolo della/e garanzia/e ex art. 103 del D.Lgs. n. 50/2016 e s.m.i.. Resta salva la facoltà per Consip S.p.A. di svolgere verifiche ispettive e controlli sull’esecuzione delle singole prestazioni.

ARTICOLO 4

VALIDITÀ TEMPORALE DELLA CONVENZIONE

1. Fermo restando quanto previsto nella Convenzione, per durata della Convenzione si intende il termine entro cui le Amministrazioni Pubbliche possono inviare l’Ordinativo di fornitura relativo alla Convenzione medesima, Convenzione che comunque resta valida, efficace e vincolante per la regolamentazione dei contratti attuativi della medesima e per tutto il tempo di vigenza e durata dei medesimi.
2. Resta, altresì, espressamente inteso che qualora per qualsiasi motivo cessi l’efficacia della Convenzione o di ogni singolo Ordinativo di Fornitura, il Fornitore sarà tenuto a prestare la massima collaborazione, anche tecnica, affinché possa essere garantita la continuità dei servizi/forniture oggetto della Convenzione.

ARTICOLO 5

OBBLIGAZIONI GENERALI DEL FORNITORE

1. Sono a carico del Fornitore, intendendosi remunerati con il corrispettivo contrattuale indicato nella Convenzione, tutti gli oneri e rischi relativi alla prestazione delle attività e dei servizi oggetto della Convenzione medesima, nonché ad ogni attività che si rendesse necessaria per l’attivazione e la prestazione degli stessi o, comunque, opportuna per un corretto e completo adempimento delle obbligazioni previste, ivi compresi quelli relativi ad eventuali spese di trasporto, di viaggio e di missione per il personale addetto alla esecuzione contrattuale.
2. Il Fornitore si obbliga ad eseguire tutte le prestazioni a perfetta regola d’arte, nel rispetto delle norme vigenti e secondo le condizioni, le modalità, i termini e le prescrizioni contenute nella Convenzione e nei relativi Allegati.
3. Le prestazioni contrattuali dovranno necessariamente essere conformi alle caratteristiche tecniche e qualitative ed alle specifiche indicate nella Convenzione e nei relativi Allegati; in ogni caso, il Fornitore si obbliga ad osservare, nell’esecuzione delle prestazioni contrattuali, tutte le norme e le prescrizioni tecniche e di sicurezza in vigore, nonché quelle che dovessero essere successivamente emanate.
4. Gli eventuali maggiori oneri derivanti dalla necessità di osservare le norme e le prescrizioni di cui sopra, anche se entrate in vigore successivamente alla stipula della Convenzione, resteranno ad esclusivo carico del Fornitore, intendendosi in ogni caso remunerati con il corrispettivo contrattuale indicato nella Convenzione e nei relativi Allegati, ed il Fornitore

non potrà, pertanto, avanzare pretesa di compensi a tal titolo, nei confronti delle Amministrazioni Contraenti e/o della Consip S.p.A., assumendosene ogni relativa alea.

5. Il Fornitore si impegna espressamente a:
- a) impiegare, a sua cura e spese, tutte le strutture ed il personale necessario per l'esecuzione dei contratti di fornitura secondo quanto specificato nella Convenzione, nei suoi Allegati e negli atti di gara richiamati nelle premesse della Convenzione;
 - b) rispettare, per quanto applicabili, le norme internazionali UNI EN ISO vigenti per la gestione e l'assicurazione della qualità delle proprie prestazioni;
 - c) predisporre tutti gli strumenti e i metodi, comprensivi della relativa documentazione, atti a consentire alle singole Amministrazioni Contraenti ed alla Consip S.p.A., per quanto di propria competenza, di monitorare la conformità dei servizi e delle forniture alle norme previste nella Convenzione e negli Ordinativi di Fornitura;
 - d) predisporre tutti gli strumenti e i metodi, comprensivi della relativa documentazione, atti a garantire elevati livelli di servizi, ivi compresi quelli relativi alla sicurezza e riservatezza;
 - e) nell'adempimento delle proprie prestazioni ed obbligazioni, osservare tutte le indicazioni operative, di indirizzo e di controllo che a tale scopo saranno predisposte e comunicate dalle Amministrazioni Contraenti o dalla Consip S.p.A., per quanto di rispettiva ragione;
 - f) comunicare tempestivamente alle Amministrazioni Contraenti ed alla Consip S.p.A., per quanto di propria competenza, le eventuali variazioni della propria struttura organizzativa coinvolta nell'esecuzione della Convenzione e degli Ordinativi di Fornitura, indicando analiticamente le variazioni intervenute ed i nominativi dei nuovi responsabili;
 - g) non opporre alla Consip S.p.A. e alle Amministrazioni Contraenti qualsivoglia eccezione, contestazione e pretesa relative alla fornitura e/o alla prestazione dei servizi connessi;
 - h) mallevare e tenere indenne le Amministrazioni Contraenti e la Consip S.p.A. da tutte le conseguenze derivanti dalla eventuale inosservanza delle norme e prescrizioni tecniche, di sicurezza, di igiene e sanitarie vigenti;
 - i) ad adottare, in fase di esecuzione contrattuale, le eventuali cautele rese necessarie dallo svolgimento delle prestazioni affidate in locali o ambienti in cui l'Amministrazione Contraente tratta informazioni classificate, con particolare riguardo alle specifiche misure previste dalla normativa in proposito vigente;
 - j) a rispettare gli obblighi in materia ambientale, sociale e del lavoro stabiliti dalla normativa europea e nazionale, dai contratti collettivi o dalle disposizioni internazionali elencate nell'allegato X del D.Lgs. n. 50/2016 e s.m.i..
6. Le attività necessarie per la predisposizione dei mezzi e per l'attivazione dei servizi e/o delle forniture oggetto della Convenzione, eventualmente da svolgersi presso gli uffici delle Amministrazioni Contraenti, dovranno essere eseguite senza interferire nel normale lavoro degli uffici; modalità e tempi dovranno comunque essere concordati con le Amministrazioni

stesse; peraltro, il Fornitore prende atto che, nel corso dell'esecuzione delle prestazioni contrattuali, gli uffici delle Amministrazioni Contraenti continueranno ad essere utilizzati dal personale delle Amministrazioni stesse e/o da terzi autorizzati.

Il Fornitore si impegna, pertanto, ad eseguire le predette prestazioni salvaguardando le esigenze delle Amministrazioni Contraenti e/o di terzi autorizzati, senza recare intralci, disturbi o interruzioni alla attività lavorativa in atto.

7. Il Fornitore rinuncia espressamente, ora per allora, a qualsiasi pretesa o richiesta di compenso nel caso in cui l'esecuzione delle prestazioni contrattuali dovesse essere ostacolata o resa più onerosa dalle attività svolte dalle Amministrazioni Contraenti e/o da terzi autorizzati.
8. Il Fornitore si impegna ad avvalersi di personale specializzato, in relazione alle diverse prestazioni contrattuali; detto personale potrà accedere agli uffici delle Amministrazioni Contraenti nel rispetto di tutte le relative prescrizioni di accesso, fermo restando che sarà cura ed onere del Fornitore verificare preventivamente tali procedure.
9. Il Fornitore si obbliga a consentire alle Amministrazioni Contraenti ed alla Consip S.p.A., per quanto di propria competenza, di procedere, in qualsiasi momento e anche senza preavviso, alle verifiche della piena e corretta esecuzione delle prestazioni oggetto dei singoli contratti attuativi, nonché a prestare la propria collaborazione per consentire lo svolgimento di tali verifiche.
10. Il Fornitore si obbliga a rispettare tutte le indicazioni relative alla buona e corretta esecuzione contrattuale che dovessero essere impartite dalle Amministrazioni Contraenti, oltre che dalla Consip S.p.A., per quanto di propria competenza.
11. Il Fornitore si obbliga a: (a) dare immediata comunicazione alle singole Amministrazioni Contraenti interessate o alla Consip S.p.A., per quanto di rispettiva ragione, di ogni circostanza che abbia influenza sull'esecuzione delle attività di cui alla Convenzione e ai singoli contratti attuativi; (b) prestare i servizi e/o le forniture oggetto della Convenzione nei luoghi che verranno indicati negli Ordinativi di Fornitura emessi da ciascuna Amministrazione Contraente.
12. Il Fornitore è tenuto a comunicare a Consip S.p.A. ogni modificazione negli assetti proprietari, nella struttura di impresa e negli organismi tecnici e amministrativi. Tale comunicazione dovrà pervenire a Consip S.p.A. entro 10 giorni dall'intervenuta modifica.
13. Il Fornitore prende atto ed accetta che i servizi e/o le forniture oggetto della Convenzione dovranno essere prestati con continuità anche in caso di eventuali variazioni della consistenza e della dislocazione delle sedi e degli uffici delle Amministrazioni Contraenti.
14. I servizi e/o le forniture oggetto della Convenzione e dei singoli contratti attuativi non sono affidati al Fornitore in via esclusiva, pertanto le Amministrazioni Contraenti e/o la Consip S.p.A., per quanto di propria competenza, possono affidare le stesse forniture, attività e servizi anche a soggetti terzi, diversi dal medesimo Fornitore, nel rispetto della normativa vigente.
15. Ai sensi dell'art. 105, comma 2, D.Lgs. n. 50/2016 e s.m.i., con riferimento a tutti i sub-contratti stipulati dal Fornitore per l'esecuzione del contratto, è fatto obbligo al Fornitore

stesso di comunicare, a Consip S.p.A. e all'Amministrazione Contraente interessata, il nome del sub-contraente, l'importo del contratto, l'oggetto delle attività, delle forniture e dei servizi affidati. ARTICOLO 6

OBBLIGHI DERIVANTI DAL RAPPORTO DI LAVORO

1. Il Fornitore si obbliga ad ottemperare a tutti gli obblighi verso i propri dipendenti derivanti da disposizioni legislative e regolamentari vigenti in materia di lavoro, ivi compresi quelli in tema di igiene e sicurezza, in materia previdenziale e infortunistica, assumendo a proprio carico tutti i relativi oneri. In particolare, il Fornitore si impegna a rispettare nell'esecuzione delle obbligazioni derivanti dalla Convenzione e dai singoli Ordinativi di Fornitura le disposizioni di cui al D.Lgs. 9 aprile 2008 n. 81.
2. Il Fornitore si obbliga altresì ad applicare, nei confronti dei propri dipendenti occupati nelle attività contrattuali, le condizioni normative e retributive non inferiori a quelle risultanti dai contratti collettivi ed integrativi di lavoro applicabili alla data di stipula della Convenzione alla categoria e nelle località di svolgimento delle attività, nonché le condizioni risultanti da successive modifiche ed integrazioni, anche tenuto conto di quanto previsto all'art. 95, comma 10 e all'art. 97 del D. 3. Il Fornitore si obbliga, altresì, fatto in ogni caso salvo il trattamento di miglior favore per il dipendente, a continuare ad applicare i suindicati contratti collettivi anche dopo la loro scadenza e fino alla loro sostituzione.
4. Gli obblighi relativi ai contratti collettivi nazionali di lavoro di cui ai commi precedenti vincolano il Fornitore anche nel caso in cui questi non aderisca alle associazioni stipulanti o receda da esse, per tutto il periodo di validità della Convenzione.
5. Restano fermi gli oneri e le responsabilità in capo al Fornitore di cui all'art. 105, comma 9, del D. Lgs. n. 50/2016 e s.m.i. in caso di subappalto.

ARTICOLO 7

VERIFICHE ISPETTIVE E DI CONFORMITÀ

1. La Consip S.p.A. potrà effettuare apposite verifiche ispettive relativamente ai beni e servizi oggetto della presente Convenzione e dei singoli contratti attuativi della medesima, anche in ragione di quanto stabilito nel Capitolato Tecnico; le predette verifiche ispettive potranno essere eseguite dalla Consip S.p.A. anche avvalendosi di Organismi di Ispezione (anche Ente terzo) accreditati secondo le norme UNI CEI EN ISO/IEC 17020:2012 per tutta la durata della Convenzione e dei contratti attuativi. I costi delle verifiche ispettive saranno a totale carico del Fornitore nei limiti dei valori massimi, riferiti sia agli Ordinativi di Fornitura sia alla Convenzione, così come stabiliti nel Disciplinare di Gara.
2. Nel caso in cui le precedenti attività di verifica abbiano esito negativo, la Consip S.p.A., in conformità a quanto previsto al successivo articolo 15, si riserva di risolvere la Convenzione.
3. Il Fornitore si impegna ad effettuare, nei confronti dell'Organismo di Ispezione, i pagamenti

dei costi per le verifiche ispettive. Su specifica richiesta della Consip S.p.A., il Fornitore ha l'obbligo di trasmettere alla Consip S.p.A. medesima la documentazione comprovante l'avvenuto pagamento dei corrispettivi dovuti all'Ente Terzo entro il termine di 10 (dieci) giorni dalla relativa richiesta.

4. Il Fornitore si impegna, in particolare, ad effettuare il pagamento dell'importo indicato in fattura a favore dell'Ente Terzo nel termine massimo di 30 (trenta) giorni data fine mese di ricevimento della fattura, in conformità a quanto espressamente previsto nell'Allegato "A" - Capitolato tecnico.
5. Decorso tale periodo, senza alcun riscontro, l'Ente Terzo comunicherà alla Consip S.p.A. l'inadempimento del Fornitore chiedendo contestualmente il pagamento di quanto dovuto dal Fornitore a tale titolo, oltre ad eventuali somme dovute ai sensi del D.Lgs. n. 231/2002. La Consip S.p.A., surrogandosi al Fornitore, effettuerà il pagamento, potendo rivalersi sulla garanzia prestata dal Fornitore per le verifiche ispettive.
6. Qualora l'ammontare della garanzia dovesse ridursi per effetto della escussione effettuata dalla Consip S.p.A. per il pagamento delle somme dovute all'Ente Terzo, il Fornitore dovrà provvedere al reintegro entro il termine di 10 (dieci) giorni lavorativi dal ricevimento della relativa richiesta effettuata dalla Consip S.p.A.. In caso di inadempimento, la Consip S.p.A. ha facoltà di dichiarare risolta la Convenzione.
7. Le Amministrazioni Contraenti provvederanno, nel corso dell'esecuzione contrattuale, in conformità a quanto previsto dall'art. 102 del D.Lgs. n. 50/2016 e s.m.i., ad accertare la regolare esecuzione dei singoli contratti attuativi e ad attestare, attraverso il rilascio di apposito Certificato di verifica di conformità, che le prestazioni contrattuali siano state eseguite dal Fornitore a regola d'arte sotto il profilo qualitativo, tecnico e funzionale, in conformità e nel rispetto delle condizioni, modalità, termini e prescrizioni contrattuali nonché delle leggi di settore. Tutti gli oneri derivanti dalla verifica di conformità si intendono a carico del Fornitore.
8. In caso di mancata attestazione di regolare esecuzione la singola Amministrazione contraente provvederà a dare comunicazione a Consip S.p.A. per gli adempimenti di cui al comma successivo.
9. La Consip S.p.A., ove in relazione al singolo acquisto, abbia accertato un grave inadempimento contrattuale ovvero le prestazioni siano state dichiarate non eseguite a regola d'arte dalle singole Amministrazioni Contraenti potrà risolvere la presente Convenzione e procedere all'aggiudicazione al soggetto che segue in graduatoria secondo le modalità previste dal predetto articolo.

ARTICOLO 8

SUPERVISIONE E CONTROLLO

1. Le attività di supervisione e controllo del corretto adempimento, applicazione ed esecuzione della Convenzione e dei singoli Ordinativi di Fornitura sono svolte, rispettivamente, dalla Consip S.p.A. nell'ambito del ruolo alla stessa attribuito dal Ministero con D.M. 24 febbraio 2000 e D.M. 2 maggio 2001, e dalle Amministrazioni Contraenti, alle quali è demandata anche l'applicazione delle penali di propria competenza.

2. Le Amministrazioni Contraenti, ai sensi di quanto stabilito dalla Determinazione dell'Autorità di Vigilanza sui Contratti Pubblici (ora A.N.AC) n. 1 del 10/01/2008, provvederanno a comunicare al Casellario Informatico i fatti riguardanti la fase di esecuzione dei singoli contratti attuativi.

ARTICOLO 9

IMPORTI DOVUTI E FATTURAZIONE

1. I corrispettivi, indicati nella Convenzione, si riferiscono ai servizi e/o forniture prestati a perfetta regola d'arte e nel pieno adempimento delle modalità e delle prescrizioni contrattuali.
2. Tutti gli obblighi ed oneri derivanti al Fornitore dall'esecuzione della Convenzione e dei singoli contratti attuativi, dall'osservanza di leggi e regolamenti, nonché dalle disposizioni emanate o che venissero emanate dalle competenti autorità, sono compresi nel corrispettivo contrattuale.
3. I corrispettivi contrattuali sono stati determinati a proprio rischio dal Fornitore in base ai propri calcoli, alle proprie indagini, alle proprie stime, e sono, pertanto, fissi ed invariabili indipendentemente da qualsiasi imprevisto o eventualità, facendosi carico il Fornitore medesimo di ogni relativo rischio e/o alea.
4. Fornitore non potrà vantare diritto ad altri compensi, ovvero ad adeguamenti, revisioni o aumenti dei corrispettivi come sopra indicati, ad eccezione di quanto previsto dalla Convenzione per i contratti ad esecuzione periodica e continuativa.
5. Ciascuna fattura dovrà contenere, oltre alle indicazioni che verranno fornite dall'Amministrazione Contraente, il riferimento alla Convenzione ed al singolo Ordinativo di Fornitura cui si riferisce nonché dovrà essere intestata e trasmessa alla Amministrazione Contraente nel rispetto delle condizioni e degli eventuali termini indicati nella Convenzione, pena l'applicazione delle penali ivi previste.

Si evidenzia, altresì, che il CIG (Codice Identificativo Gara) "derivato" rispetto a quello della Convenzione o il CUP (Codice Unico di Progetto) ove obbligatorio ai sensi dell'art. 11 della Legge 16 gennaio 2003, comunicato dalle Amministrazioni Contraenti sarà inserito, a cura del Fornitore, nelle fatture e dovrà essere indicato dalle Amministrazioni Contraenti nei rispettivi pagamenti ai fini dell'ottemperanza agli obblighi scaturenti dalla normativa in tema di tracciabilità dei flussi finanziari.

Nel caso in cui l'aggiudicatario sia un R.T.I., gli obblighi di cui sopra dovranno essere tutti puntualmente assolti sia nelle fatture emesse dalla mandataria, sia dalle mandanti, nel rispetto delle condizioni e delle modalità tutte disciplinate dal successivo comma 10 del presente articolo.

Ai fini del pagamento di corrispettivi di importo superiore ad euro 10.000,00, l'Amministrazione Contraente procederà in ottemperanza alle disposizioni previste dall'art. 48-bis del D.P.R. 602 del 29 settembre 1973, con le modalità di cui al Decreto del Ministero dell'Economia e delle Finanze del 18 gennaio 2008 n. 40.

6. Rimane inteso che l'Amministrazione contraente prima di procedere al pagamento del corrispettivo acquisirà di ufficio il documento unico di regolarità contributiva (D.U.R.C.) -

attestante la regolarità del Fornitore in ordine al versamento dei contributi previdenziali e dei contributi assicurativi obbligatori per gli infortuni sul lavoro e le malattie professionali dei dipendenti.

7. Le Amministrazioni contraenti opereranno sull'importo netto progressivo delle prestazioni una ritenuta dello 0,5 % che verrà liquidata dalle stesse solo al termine del contratto attuativo; le ritenute possono essere svincolate solo in sede di liquidazione finale, in seguito all'approvazione del certificato di verifica di conformità e previa acquisizione del documento unico di regolarità contributiva.
8. in caso di ritardo nei pagamenti, il tasso di mora viene stabilito in una misura pari al tasso BCE stabilito semestralmente e pubblicato con comunicazione del Ministero dell'Economia e delle Finanze sulla G.U.R.I., maggiorato di 8 punti, secondo quanto previsto nell'art. 5 del D. Lgs. 9 ottobre 2002, n. 231.
9. Il Fornitore, sotto la propria esclusiva responsabilità, renderà tempestivamente noto alle Amministrazioni Contraenti e alla Consip S.p.A., per quanto di propria competenza, le variazioni che si verificassero circa le modalità di accredito indicate nella Convenzione; in difetto di tale comunicazione, anche se le variazioni venissero pubblicate nei modi di legge, il Fornitore non potrà sollevare eccezioni in ordine ad eventuali ritardi dei pagamenti, né in ordine ai pagamenti già effettuati.
10. Nel caso in cui risulti aggiudicatario della Convenzione un R.T.I., le singole imprese costituenti il Raggruppamento, salva ed impregiudicata la responsabilità solidale delle società raggruppate nei confronti dell'Amministrazione Contraente, dovranno provvedere ciascuna alla fatturazione delle sole attività effettivamente svolte, corrispondenti alle attività dichiarate in fase di gara risultanti nell'atto costitutivo del Raggruppamento Temporaneo di Imprese, che il Fornitore si impegna a trasmettere in copia, ove espressamente richiesto dall'Amministrazione Contraente. Ogni singola fattura dovrà contenere, oltre a quanto indicato al precedente comma 5 del presente articolo, la descrizione di ciascuno dei servizi e/o forniture cui si riferisce.
11. Il R.T.I. avrà facoltà di scegliere se: i) il pagamento da parte delle Amministrazioni Contraenti dovrà essere effettuato nei confronti della mandataria che provvederà poi alla redistribuzione dei corrispettivi a favore di ciascuna mandante in ragione di quanto di spettanza o ii) se, in alternativa, il pagamento dovrà essere effettuato dalle Amministrazioni Contraenti direttamente a favore di ciascun membro del RTI. La predetta scelta dovrà risultare dall'atto costitutivo del RTI medesimo.
In ogni caso, la società mandataria del Raggruppamento medesimo è obbligata a trasmettere apposito prospetto riepilogativo delle attività e delle competenze maturate dalle singole imprese membri del RTI e, in maniera unitaria, le fatture di tutte le imprese raggruppate e prospetto riepilogativo delle attività e delle competenze maturate da ciascuna. Resta in ogni caso fermo quanto previsto dall'art. 48, comma 13, del D.Lgs. n. 50/2016 e s.m.i..
12. Resta tuttavia espressamente inteso che in nessun caso il Fornitore potrà sospendere la fornitura e/o la prestazione dei servizi e, comunque, delle attività previste nella Convenzione e nei singoli Ordinativi di Fornitura, salvo quanto diversamente previsto nella Convenzione

medesima.

13. Qualora il Fornitore si rendesse inadempiente a tale obbligo, i singoli contratti di fornitura e/o la Convenzione si potranno risolvere di diritto mediante semplice ed unilaterale dichiarazione da comunicarsi tramite pec o con lettera raccomandata A/R, rispettivamente dalle Amministrazioni Contraenti e dalla Consip S.p.A., ciascuno per quanto di propria competenza.
14. E' ammessa la cessione dei crediti maturati dal Fornitore nei confronti dell'Amministrazione Contraente a seguito della regolare e corretta esecuzione delle prestazioni oggetto del contratto di fornitura, nel rispetto dell'art. 106, comma 13, del D.Lgs. n. 50/2016 e s.m.i.. In ogni caso, è fatta salva ed impregiudicata la possibilità per l'Amministrazione Contraente di opporre al cessionario tutte le medesime eccezioni opponibili al Fornitore cedente, ivi inclusa, a titolo esemplificativo e non esaustivo, l'eventuale compensazione dei crediti derivanti dall'applicazione delle penali con quanto dovuto al Fornitore stesso anche in ordine ad Ordinatori di fornitura diversi. Le cessioni dei crediti devono essere stipulate mediante atto pubblico o scrittura privata autenticata e devono essere notificate alla Amministrazione Contraente. Si applicano le disposizioni di cui alla Legge n. 52/1991. Resta fermo quanto previsto in tema di tracciabilità dei flussi finanziari di cui al successivo articolo 24 delle presenti Condizioni Generali.
15. Ai fini del versamento dell'IVA per cessione di beni e prestazioni di servizi a favore delle Pubbliche Amministrazioni, si applica quanto previsto dall'art. 17-ter del d.P.R. n. 633 del 1972 ("split payment"), introdotto dall'art. 1, comma 629, della legge n. 190 del 2014, come modificato dal D. L. 24 aprile 2017, n. 50, convertito dalla legge 21 giugno 2017, n. 96, e le relative disposizioni di attuazione tra le quali il DM 23 gennaio 2015 come modificato dal DM 27 giugno 2017.

ARTICOLO 10

1. Sono a carico del Fornitore tutti gli oneri tributari e le spese contrattuali ivi comprese quelle previste dalla normativa vigente relative all'imposta di bollo. Rimangono in capo a Consip S.p.A. e alle Amministrazioni Contraenti gli oneri su di esse gravanti ex lege.
2. Il Fornitore dichiara che le prestazioni di cui trattasi sono effettuate nell'esercizio di impresa e che trattasi di operazioni soggette all'Imposta sul Valore Aggiunto, che il Fornitore – salvo il caso di applicazione dell'art. 17-ter del d.P.R. n. 633 del 1972 introdotto dall'art. 1, comma 629, della legge n. 190 del 2014, come modificato dal D.L. 24 aprile 2017, n. 50, convertito dalla legge 21 giugno 2017, n. 96 ("split payment") - è tenuto a versare, con diritto di rivalsa, ai sensi del D.P.R. n. 633/72; conseguentemente, alla Convenzione dovrà essere applicata l'imposta di registro in misura fissa, ai sensi dell'articolo 40 del D.P.R. n. 131/86, con ogni relativo onere a carico del Fornitore.

ARTICOLO 11

TRASPARENZA

1. Il Fornitore espressamente ed irrevocabilmente:
 - a) dichiara che non vi è stata mediazione o altra opera di terzi per la conclusione della Convenzione;
 - b) dichiara di non aver corrisposto né promesso di corrispondere ad alcuno, direttamente o attraverso terzi, ivi comprese le imprese collegate o controllate, somme di denaro o altra utilità a titolo di intermediazione o simili, comunque volte a facilitare la conclusione della Convenzione stessa;
 - c) si obbliga a non versare ad alcuno, a nessun titolo, somme di danaro o altra utilità finalizzate a facilitare e/o a rendere meno onerosa l'esecuzione e/o la gestione della Convenzione rispetto agli obblighi con esse assunti, né a compiere azioni comunque volte agli stessi fini;
 - d) si obbliga al rispetto di quanto stabilito dall'art. 42 del D.Lgs. n. 50/2016 e s.m.i. al fine di evitare situazioni di conflitto d'interesse.
2. Qualora non risultasse conforme al vero anche una sola delle dichiarazioni rese ai sensi del precedente comma, o il Fornitore non rispettasse gli impegni e gli obblighi di cui alle lettere c) e d) del precedente comma per tutta la durata della Convenzione, lo stesso si intenderà risolto di diritto ai sensi e per gli effetti dell'art. 1456 cod. civ., per fatto e colpa del Fornitore, che sarà conseguentemente tenuto al risarcimento di tutti i danni derivanti dalla risoluzione e con facoltà di Consip S.p.A. di incamerare la garanzia prestata.
3. Il Fornitore si impegna al rispetto di tutte le previsioni di cui al Patto di integrità.

ARTICOLO 12

PROCEDIMENTO DI CONTESTAZIONE DELL'INADEMPIMENTO ED APPLICAZIONE DELLE PENALI

1. Gli eventuali inadempimenti contrattuali che daranno luogo all'applicazione delle penali stabilite nella Convenzione, dovranno essere contestati al Fornitore per iscritto dalla Consip S.p.A. e/o dalla singola Amministrazione Contraente, per quanto di rispettiva competenza; in quest'ultimo caso, gli eventuali inadempimenti dovranno essere comunicati per conoscenza alla Consip S.p.A..
2. In caso di contestazione dell'inadempimento da parte della singola Amministrazione contraente, il Fornitore dovrà comunicare, in ogni caso, per iscritto, le proprie deduzioni, supportate da una chiara ed esauriente documentazione, all'Amministrazione medesima nel termine massimo di 5 (cinque) giorni lavorativi dalla ricezione della contestazione stessa. Qualora le predette deduzioni non pervengano all'Amministrazione Contraente nel termine indicato, ovvero, pur essendo pervenute tempestivamente, non siano idonee, a giudizio della medesima Amministrazione, a giustificare l'inadempienza, potranno essere applicate al Fornitore le penali stabilite nella Convenzione a decorrere dall'inizio dell'inadempimento.
3. In caso di contestazione dell'inadempimento da parte di Consip S.p.A., il Fornitore dovrà comunicare in ogni caso per iscritto le proprie deduzioni, supportate da una chiara ed esauriente documentazione, alla stessa Consip S.p.A. nel termine massimo di 5 (cinque) giorni lavorativi dalla ricezione della stessa contestazione. Qualora le predette deduzioni non pervengano alla Consip S.p.A. nel termine indicato,

ovvero, pur essendo pervenute tempestivamente, non siano idonee, a giudizio della medesima Consip S.p.A. a giustificare l'inadempienza, potranno essere applicate al Fornitore le penali stabilite nella Convenzione a decorrere dall'inizio dell'inadempimento.

4. Le Amministrazioni Contraenti e/o la Consip S.p.A. potranno compensare i crediti derivanti dall'applicazione delle penali di cui alla Convenzione con quanto dovuto al Fornitore a qualsiasi titolo, quindi anche con i corrispettivi maturati, ovvero avvalersi della/e garanzia/e disciplinate nella Convenzione o delle eventuali altre garanzie rilasciate dal Fornitore, senza bisogno di diffida, ulteriore accertamento o procedimento giudiziario.
5. Ciascuna singola Amministrazione Contraente potrà applicare al Fornitore penali sino a concorrenza della misura massima pari al 10% (dieci per cento) del valore del proprio contratto attuativo; il Fornitore prende atto, in ogni caso, che l'applicazione delle penali previste nella Convenzione non preclude il diritto delle singole Amministrazioni Contraenti a richiedere il risarcimento degli eventuali maggiori danni.
6. La Consip S.p.A., per quanto di sua competenza, potrà applicare al Fornitore penali sino a concorrenza della misura massima pari al 10% (dieci per cento) dell'importo/valore massimo complessivo della Convenzione, tenuto conto delle penali applicate dalle Amministrazioni Contraenti, fermo il risarcimento degli eventuali maggiori danni.
7. La richiesta e/o il pagamento delle penali indicate nella Convenzione non esonera in nessun caso il Fornitore dall'adempimento dell'obbligazione per la quale si è reso inadempiente e che ha fatto sorgere l'obbligo di pagamento della medesima penale.
8. Nel caso in cui l'importo delle penali applicate raggiunga il limite del 10% dell'importo della Convenzione, potrà trovare applicazione l'articolo 14, comma 1, lett. h) delle presenti Condizioni Generali.

ARTICOLO 13

RISERVATEZZA

1. Il Fornitore ha l'obbligo di mantenere riservati i dati e le informazioni, ivi comprese quelle che transitano per le apparecchiature di elaborazione dati, di cui venga in possesso e, comunque, a conoscenza, di non divulgarli in alcun modo e in qualsiasi forma e di non farne oggetto di utilizzazione a qualsiasi titolo per scopi diversi da quelli strettamente necessari all'esecuzione della Convenzione e comunque per i cinque anni successivi alla cessazione di efficacia del rapporto contrattuale.
2. L'obbligo di cui al precedente comma sussiste, altresì, relativamente a tutto il materiale originario o predisposto in esecuzione della Convenzione e degli Ordinativi di Fornitura; tale obbligo non concerne i dati che siano o divengano di pubblico dominio.
3. Il Fornitore è responsabile per l'esatta osservanza da parte dei propri dipendenti, consulenti e collaboratori, nonché dei propri eventuali subappaltatori e dei dipendenti, consulenti e collaboratori di questi ultimi, degli obblighi di segretezza anzidetti.
4. In caso di inosservanza degli obblighi di riservatezza, le Amministrazioni Contraenti e/o la Consip S.p.A. hanno la facoltà di dichiarare risolto di diritto, rispettivamente, il singolo contratto di fornitura ovvero la Convenzione, fermo restando che il Fornitore sarà tenuto a

risarcire tutti i danni che dovessero derivare alle Amministrazioni Contraenti e/o alla Consip S.p.A..

5. Il Fornitore potrà citare i contenuti essenziali della Convenzione, nei casi in cui ciò fosse condizione necessaria per la partecipazione del Fornitore medesimo a gare e appalti.
6. Fermo restando quanto previsto nel successivo articolo 21, il Fornitore si impegna, altresì, a rispettare quanto previsto dalla normativa sul trattamento dei dati personali (D. Lgs. n. 196/2003 e s.m.i.) e ulteriori provvedimenti in materia.

3. Inoltre, Consip Spa si impegna ad avvalersi della clausola risolutiva espressa di cui all'art. 1456 c.c. ogni qualvolta nei confronti del Fornitore o dei componenti la propria compagine sociale, o dei dirigenti dell'impresa con funzioni specifiche relative all'affidamento alla stipula e all'esecuzione della Convenzione sia stata disposta misura cautelare o sia intervenuto rinvio a giudizio per taluno dei delitti di cui agli artt. 317 cp 318 cp 319 cp 319 bis cp 319 ter cp 319 quater 320 cp 322 cp 322 bis cp 346 bis cp 353 cp 353 bis cp. La risoluzione di cui al periodo precedente è subordinata alla preventiva comunicazione all'ANAC, cui spetta la valutazione in merito all'eventuale prosecuzione del rapporto contrattuale, al ricorrere delle condizioni di cui all'art. 32 del dl. 90/2014 convertito in legge 114 del 2014.
4. La Consip e le Amministrazioni Contraenti, quando accertano un grave inadempimento del Fornitore ad una delle obbligazioni assunte con la Convenzione o con i contratti attuativi tale da compromettere la buona riuscita delle prestazioni, formuleranno la contestazione degli addebiti al Fornitore e contestualmente assegneranno un termine, non inferiore a quindici giorni, entro i quali il Fornitore dovrà presentare le proprie controdeduzioni. Acquisite e valutate negativamente le controdeduzioni ovvero scaduto il termine senza che il Fornitore

abbia risposto, Consip e le Amministrazioni Contraenti hanno la facoltà di dichiarare la risoluzione di diritto della Convenzione e dei Contratti attuativi, di incamerare la garanzia ove essa non sia stata ancora restituita ovvero di applicare una penale equivalente, nonché di procedere all'esecuzione in danno dell'Impresa; resta salvo il diritto al risarcimento dell'eventuale maggior danno.

6. In caso di inadempimento del Fornitore anche a uno solo degli obblighi assunti con la stipula della Convenzione e/o dei singoli contratti attuativi che si protragga oltre il termine, non inferiore comunque a 15 (quindici) giorni, che verrà assegnato a mezzo di raccomandata A/R. dalla Consip e/o dall'Amministrazione Contraente, per quanto di propria competenza, per porre fine all'inadempimento, la Consip e/o l'Amministrazione Contraente e/o hanno la facoltà di considerare, per quanto di rispettiva competenza, risolti di diritto la Convenzione e/o il relativo contratto attuativo e di ritenere definitivamente la/e garanzia/e ove essa non sia stata ancora restituita, o di applicare una penale equivalente, nonché di procedere nei confronti del Fornitore per il risarcimento del danno.
7. La risoluzione della Convenzione legittima la risoluzione dei singoli contratti attuativi a partire dalla data in cui si verifica la risoluzione della Convenzione. In tal caso il Fornitore si impegna a porre in essere ogni attività necessaria per assicurare la continuità del servizio e/o della fornitura in favore delle Amministrazioni Contraenti.
8. Nel caso di risoluzione della Convenzione e/o del/i contratto/i di fornitura il Fornitore ha diritto soltanto al pagamento delle prestazioni regolarmente eseguite, decurtato degli oneri aggiuntivi derivanti dallo scioglimento del contratto ai sensi dell'art. 108, comma 5, del D.Lgs. n. 50/2016 e s.m.i..
9. In tutti i casi di risoluzione della Convenzione e/o del/i contratto/i di fornitura, Consip S.p.A. e/o l'Amministrazione Contraente, avranno diritto, in caso di garanzia definitiva unica, di escutere la garanzia prestata rispettivamente per l'intero importo della stessa o per la parte percentualmente proporzionale all'importo del/i contratto/i di fornitura risolto/i, oppure in caso di una garanzia per Consip e più garanzie per le varie Amministrazioni contraenti, ciascuna avrà diritto di escutere la propria. Ove l'escussione non sia possibile sarà applicata una penale di equivalente importo, che sarà comunicata al Fornitore con lettera raccomandata A/R o via pec. In ogni caso, resta fermo il diritto della medesima Amministrazione Contraente e/o di Consip S.p.A. al risarcimento dell'ulteriore maggior danno.
10. La Consip S.p.A., fermo restando quanto previsto nel presente articolo e nei casi di cui all'art. 110 del D.Lgs. n. 50/2016 e s.m.i., potrà interpellare progressivamente gli operatori

1. Il Sistema di e-Procurement della Pubblica Amministrazione è un ambiente informatico realizzato dal MEF, tramite Consip, in attuazione del Programma per la razionalizzazione degli acquisti nella Pubblica Amministrazione, che consente a Soggetti Aggiudicatori e Fornitori di utilizzare gli Strumenti di Acquisto/Negoziazione, nel rispetto, nei limiti e alle condizioni poste dalla normativa applicabile a ciascun Utente operante nel Sistema. Il Ministero dell'economia e delle finanze per il tramite della Consip S.p.A. mette altresì a disposizione degli Utenti il Sistema di e-Procurement per l'erogazione di ulteriori servizi telematici, che vengono di volta in volta individuati e disciplinati attraverso apposite disposizioni. Il Sistema di e-Procurement potrà, tra l'altro, essere utilizzato per istituire specifiche sezioni del Mercato Elettronico della Pubblica Amministrazione ad uso delle amministrazioni pubbliche che, a tal fine, stipulino appositi accordi con il Ministero dell'economia e delle finanze e con Consip S.p.A. Ove non diversamente previsto, le disposizioni di seguito indicate inerenti il Sistema, l'accesso e l'utilizzo degli Strumenti di Acquisto/Negoziazione si intendono applicabili e vincolanti anche ai fini dell'utilizzo degli altri servizi telematici messi a disposizione degli Utenti.
2. Le presenti Regole, unitamente alle specifiche previsioni previste nei Documenti di ciascuno degli Strumenti di Acquisto/Negoziazione, disciplinano l'accesso e il funzionamento del Sistema e l'utilizzo degli Strumenti di Acquisto/Negoziazione, nel rispetto ed in attuazione della normativa applicabile di cui all'articolo 4, definendo, tra l'altro, le condizioni di accesso, i termini e le modalità di utilizzo del Sistema, nonché i rapporti e le rispettive responsabilità intercorrenti tra Consip,

4. Il Sistema informatico di e-Procurement è normalmente accessibile dal Lunedì al Venerdì (esclusi i giorni festivi), dalle ore 8.00 alle ore 20.00, ed il sabato dalle ore 8.00 alle ore 14.00, nel rispetto di quanto previsto dai Documenti di ciascuno Strumento di Acquisto/Negoziazione e, in particolare, dagli articoli 12 e ss. e 33 e ss. delle presenti Regole. In ogni caso l'accesso di Fornitori e Soggetti Aggiudicatori agli Strumenti di Acquisto/Negoziazione sarà consentito in qualsiasi momento in cui il Sistema risulterà accessibile e regolarmente funzionante, e dunque anche in orari o giornate diverse da quelle sopra indicate. L'accesso al Sistema potrebbe comunque essere, rallentato, ostacolato o impedito anche durante gli orari in cui questo è normalmente accessibile, per malfunzionamenti o problematiche tecniche.

Articolo 5 – Ministero dell'Economia e delle Finanze

1. Il MEF è il soggetto responsabile del procedimento di Abilitazione dei Punti Ordinanti dei Soggetti Aggiudicatori e può avvalersi a tal fine, tra l'altro, di proprie strutture e concessionarie tra cui, in particolare, di Consip.

Articolo 6 – Consip

1. In esecuzione del mandato attribuito dal MEF e in conformità con la normativa vigente, Consip dà attuazione al Programma per la razionalizzazione degli acquisti nella Pubblica Amministrazione, che si basa sull'utilizzo delle tecnologie ICT applicate ai processi di approvvigionamento delle pubbliche amministrazioni. Il Programma mette a disposizione dei Soggetti Aggiudicatori gli Strumenti di Acquisto/Negoziazione nel Sistema informatico di e-procurement, che ha il suo centro operativo nel Sito.
2. Consip, avvalendosi del supporto tecnico del Gestore del Sistema, mette a disposizione dei Soggetti Aggiudicatori il Sistema e i relativi Strumenti di Acquisto/Negoziazione.
3. Consip non interviene in alcun modo nella scelta o nello svolgimento delle procedure di acquisto dei Soggetti Aggiudicatori attraverso il Sistema e gli

Strumenti di Acquisto/Negoziazione: le relative procedure verranno effettuate da ciascun Soggetto Aggiudicatore, tramite i rispettivi Punti Ordinanti, in piena indipendenza ed autonomia.

4. Consip e MEF operano in una posizione di assoluta autonomia ed indipendenza rispetto agli altri soggetti del Sistema: in particolare, Consip non opera in qualità di agente, mediatore, procacciatore di affari, intermediario, legale rappresentante, socio, dipendente o subalterno del Gestore del Sistema, del Soggetto Aggiudicatore, del Fornitore o di qualunque altro soggetto. In nessun caso MEF, Consip o il Gestore del Sistema possono essere ritenuti responsabili per le procedure di acquisto poste in essere dai Soggetti Aggiudicatori, né per gli obblighi derivanti dalla stipula dei Contratti conclusi dai Soggetti Aggiudicatori e dai Fornitori nell'ambito del Sistema.

Articolo 7 - Gestore del Sistema

1. A seguito di apposita selezione tramite procedura competitiva pubblica, il Gestore del Sistema è stato incaricato da Consip, per conto del MEF, della gestione dei servizi di conduzione tecnica del Sistema di e-Procurement e dei relativi Strumenti di Acquisto/Negoziazione e delle applicazioni informatiche necessarie al loro funzionamento. Il fornitore aggiudicatario della medesima procedura competitiva ha assunto il ruolo di Responsabile della sicurezza e del trattamento dei dati personali ai sensi del D.Lgs. 30 giugno 2003 n. 196.
2. Il Gestore del Sistema è il soggetto incaricato di controllare i principali parametri di funzionamento del Sistema, segnalando eventuali anomalie del medesimo. Il Gestore del Sistema è altresì incaricato dell'archiviazione sul Sistema dei documenti prodotti dagli Utenti e inviati attraverso il Sistema nell'ambito delle procedure di abilitazione e degli Strumenti di Acquisto/Negoziazione e, in generale, delle Registrazioni di Sistema.
3. Il Gestore del Sistema, tra l'altro, è il soggetto responsabile della sicurezza logica e applicativa del Sistema e riveste il ruolo di Responsabile del Trattamento dei dati, Responsabile della Sicurezza e di Amministratore di Sistema ai sensi della disciplina che regola la materia, adottando le misure di sicurezza previste dal Decreto Legislativo 196/2003, dal relativo disciplinare tecnico Allegato b) e s.m.
4. .
5. In virtù dei compiti attribuitigli il Gestore del Sistema è soggetto deputato ad effettuare, su espressa richiesta dei Soggetti Aggiudicatori, interventi tecnici sulle singole procedure di acquisto. Fermo restando che la Consip non verifica né interviene in alcun modo nelle transazioni tra i Fornitori e i Soggetti Aggiudicatori e che questi ultimi rimangono unici ed esclusivi responsabili del rispetto della

normativa applicabile, dei controlli e delle verifiche nei confronti del Fornitore e dei Prodotti, Servizi e/o lavori di manutenzione da questo offerti previste dalla normativa vigente, il Soggetto Aggiudicatore medesimo, potrà far pervenire, via posta elettronica certificata, le richieste di intervento alla Consip al seguente indirizzo di posta elettronica certificata: interventi.sistema@postacert.consip.it. A tal fine, sul sito www.acquistinretepa.it, è disponibile un apposito modulo che dovrà essere compilato e firmato digitalmente dal Punto Ordinante del Soggetto Aggiudicatore.

6. La Consip, previa verifica circa la fattibilità tecnica dell'intervento, provvederà all'inoltro delle richieste, pervenute dal Soggetto Aggiudicatore, al Gestore del Sistema.
7. I Soggetti Aggiudicatori potranno accedere alle Registrazioni di Sistema delle proprie procedure di acquisto inoltrando apposita richiesta alla Consip S.p.A. all'indirizzo di posta elettronica interventi.sistema@postacert.consip.it. A tal fine, sul sito www.acquistinretepa.it, è disponibile un apposito modulo che dovrà essere compilato e firmato digitalmente dal Punto Ordinante del Soggetto Aggiudicatore.
8. Rimane fermo che i Fornitori interessati ad accedere ai documenti amministrativi relativi alle singole procedure di acquisto (diversi da quelli di cui sopra), dovranno rivolgersi esclusivamente al Soggetto Aggiudicatore e al relativo Responsabile del procedimento.

Articolo 8 – Soggetto Aggiudicatore e Punto Ordinante

1. Il Soggetto Aggiudicatore richiede l'abilitazione e opera nell'ambito del Sistema di e-Procurement attraverso il Punto Ordinante, il quale agisce esclusivamente in nome e per conto del Soggetto Aggiudicatore di appartenenza cui è associato. Ogni atto compiuto dal Punto Ordinante sarà quindi imputato direttamente ed esclusivamente al Soggetto Aggiudicatore di appartenenza, con conseguente obbligo di darne attuazione. Salvo diversa indicazione, il Punto Ordinante opera anche in qualità di Responsabile delle procedure di affidamento ed esecuzione dei contratti da questo conclusi attraverso gli Strumenti di Acquisto/Negoziazione, ai sensi dell'art. 31 Codice dei Contratti Pubblici.
2. Il Punto Ordinante deve essere dotato del potere di agire in nome e per conto del Soggetto Aggiudicatore di appartenenza e di impegnarlo validamente per tutte le attività che possono essere svolte sul Sistema di e-Procurement.
3. Nel caso più Punti Ordinanti di un medesimo Soggetto Aggiudicatore siano abilitati al Sistema di e-Procurement, l'attività di ciascun Punto Ordinante sarà

riferibile al Soggetto Aggiudicatore di appartenenza e non avrà effetto nei confronti degli altri Punti Ordinanti.

4. Il Punto Ordinate, e per esso il Soggetto Aggiudicatore, dichiara di conoscere ed accetta le caratteristiche del Sistema di e-Procurement e degli Strumenti di Acquisto/Negoziato, il loro funzionamento, il Gestore del Sistema, l'attività svolta da Consip nell'ambito del Programma di razionalizzazione degli acquisti pubblici, nel Sistema e, in particolare, nell'abilitazione dei Fornitori e dei relativi Prodotti, Servizi o Lavori di manutenzione. Il Punto Ordinate, e per esso il Soggetto Aggiudicatore, rimane unico ed esclusivo responsabile delle attività, degli atti compiuti, dei contratti stipulati e, in generale, dei procedimenti di acquisto posti in essere nel Sistema nei confronti dei Fornitori, degli altri Utenti e, in generale, dei terzi, anche ai sensi e per gli effetti della legge n. 241/1990 e s.m.
5. Il Punto Ordinate e, per esso, il Soggetto Aggiudicatore che utilizza gli Strumenti di Acquisto/Negoziato per i propri acquisti di Prodotti e servizi, agisce in piena e completa autonomia e indipendenza ed è l'unico responsabile della corretta scelta ed applicazione delle procedure di selezione del contraente previste dalla normativa ad essa applicabile, nonché degli adempimenti pubblicitari, procedurali e documentali e, in generale, di tutti gli adempimenti che si rendessero necessari ai sensi della normativa applicabile in occasione della selezione e della scelta del Fornitore, dei Prodotti, dei Servizi e dei Lavori di manutenzione da questo offerti e della stipula del relativo Contratto. Il Soggetto Aggiudicatore che utilizza gli Strumenti di Acquisto/Negoziato sarà, pertanto, tenuto a verificare preventivamente l'applicabilità nei confronti del Soggetto Aggiudicatore di appartenenza delle procedure di acquisto che possono essere poste in essere attraverso il Sistema di e-Procurement e i relativi Strumenti di Acquisto/Negoziato, accertando l'adeguatezza e la conformità dei propri regolamenti interni a quanto previsto dalla normativa in materia, quale il Codice dei Contratti Pubblici, ponendo in essere tutte le necessarie attività e gli atti propedeutici per lo svolgimento di tali procedure.

Articolo 9 - Punto Istruttore

1. Il Soggetto Aggiudicatore può nominare uno o più Punti Istruttori, che assistono il medesimo Soggetto Aggiudicatore nello svolgimento delle attività nell'ambito del Sistema di e-Procurement e nell'utilizzo degli Strumenti di Acquisto/Negoziato.
2. L'attività svolta dai Punti Istruttori ha carattere meramente interno rispetto al Soggetto Aggiudicatore di pertinenza e rileva esclusivamente nei confronti del Soggetto Aggiudicatore che li ha nominati, supportandolo nello svolgimento di attività quali, a titolo esemplificativo, l'analisi dei Cataloghi, le ricerche di mercato,

la verifica dei parametri di qualità/prezzo dei Prodotti/servizi/lavori di manutenzione, la verifica delle comunicazioni, la redazione di documenti preparatori per Richieste di Offerta. Il Punto Istruttore non opera e non svolge alcuna attività che rilevi nei confronti degli altri Utenti del Sistema informatico di e-procurement.

3. La nomina dei Punti Istruttori da parte del Soggetto Aggiudicatore avviene attraverso l'apposita procedura prevista nel Sito e alle condizioni e con le modalità ivi indicate. Il Soggetto Aggiudicatore che nomina il Punto Istruttore si assume ogni responsabilità con riferimento alla scelta, alla nomina ed all'attività svolta dai Punti Istruttori, nonché alla riservatezza dell'Account a questi attribuito. Qualsiasi attività compiuta dal Punto Istruttore, o comunque attraverso il suo Account, sarà dunque di esclusiva imputazione e responsabilità del Soggetto Aggiudicatore di appartenenza.
4. La durata della nomina dei Punti Istruttori è stabilita dal Soggetto Aggiudicatore che l'ha nominato e comunque l'efficacia della nomina dei Punti Istruttori cessa al cessare della Abilitazione di quest'ultimo.

Articolo 10 – Fornitore e Legale Rappresentante

1. Il Fornitore richiede l'Abilitazione e opera nel Sistema di e-Procurement attraverso un proprio Legale Rappresentante dotato dei necessari poteri che, per mezzo dell'Account a questo rilasciato al momento della Registrazione ai sensi dell'art. 12, agisce esclusivamente in nome e per conto del Fornitore medesimo. Ogni atto compiuto tramite l'Account rilasciato al Fornitore sarà quindi imputato direttamente ed esclusivamente al Fornitore stesso, con conseguente obbligo di darne attuazione.
2. Il Legale Rappresentante del Fornitore che richiede l'Abilitazione deve essere dotato del potere di agire in nome e per conto del Fornitore, e, in generale, dei poteri di compiere in nome e per conto di quest'ultimo tutte le attività che possono essere svolte sul Sistema di e-Procurement, inclusa la sottoscrizione dei relativi contratti, il rilascio di dichiarazioni, la presentazione di autocertificazioni, dichiarazioni sostitutive di atti di notorietà, offerte e proposte, liste e cataloghi di Prodotti/servizi, l'inoltro di istanze e domande, incluse le domande di abilitazione al Sistema di e-Procurement, la presentazione e/o la richiesta di documenti, il rilascio, ove richieste, di quietanze, rinunce, garanzie e fidejussioni, la negoziazione e la conclusione di contratti, in particolare attraverso la partecipazione alle apposite procedure previste dal Sistema.
3. Il Legale Rappresentante del Fornitore e i relativi poteri dovranno essere iscritti e risultare dal Registro delle Imprese o comprovati da idonea documentazione. E'

onere del Soggetto Aggiudicatore verificare di volta in volta l'effettiva sussistenza dei poteri in capo al Legale Rappresentante del Fornitore, necessari per agire nell'ambito della specifica procedura di aggiudicazione.

4. Il Legale Rappresentante potrà agire all'interno del Sistema per mezzo degli Operatori Delegati, appositi soggetti da lui incaricati ai sensi del quanto disposto dall'art. 11.

Articolo 11 – Operatore Delegato

1. Il Fornitore, attraverso il proprio Legale Rappresentante che ha richiesto l'abilitazione, può nominare uno o più Operatori Delegati che assistono il Legale Rappresentante nello svolgimento delle attività all'interno del Sistema.
2. Le modalità e le condizioni per la nomina degli Operatori Delegati sono indicate in un'apposita sezione all'interno del Sito.
3. Il Fornitore che nomina l'Operatore Delegato si assume ogni responsabilità con riferimento alla scelta, alla nomina ed all'attività svolta da quest'ultimo, nonché alla riservatezza dell'Account a questo attribuito per l'accesso al Sistema di e-Procurement. Qualsiasi attività compiuta dall'Operatore Delegato, o comunque attraverso il suo Account, sarà dunque imputata esclusivamente al Fornitore e di esclusiva responsabilità di quest'ultimo.
4. La durata della nomina degli Operatori Delegati è stabilita dal Fornitore che li individua e comunque l'efficacia della nomina cessa con il venire meno dell'Abilitazione del Fornitore. L'esistenza e l'operatività dell'Operatore Delegato nell'ambito del Sistema di e-Procurement presuppongono necessariamente la validità dell'Abilitazione di almeno un Legale Rappresentante del Fornitore al Sistema stesso.

Articolo 12 – La Registrazione al Sistema di e-Procurement

1. Ciascuna persona fisica che intende accedere ed utilizzare il Sistema di e-Procurement in nome e per conto del proprio Soggetto Aggiudicatore o Fornitore di appartenenza è tenuta preventivamente a registrarsi al Sistema attraverso l'apposita procedura presente sul Sito, al fine di ottenere l'Account necessario per operare nel Sistema.
2. La Registrazione di ciascun soggetto può avvenire soltanto ed esclusivamente in associazione con il Soggetto Aggiudicatore o il Fornitore in nome e per conto del quale la persona fisica si registra, accede ed opera nel Sistema.
3. Attraverso la Registrazione la persona fisica indica i propri dati anagrafici, i dati e le informazioni relative al Soggetto Aggiudicatore o al Fornitore di appartenenza e

tutte le informazioni richieste dal Sistema, dichiarando di conoscere e accettare senza riserva le presenti Regole.

4. Il soggetto che richiede la Registrazione al Sistema è l'unico ed esclusivo responsabile della veridicità, della completezza, dell'aggiornamento e dell'accuratezza di tutti i dati e le informazioni richieste e fornite, ai sensi di quanto previsto dal successivo art. 18.
5. L'Account rilasciato al soggetto che ha completato il processo di Registrazione viene utilizzato quale strumento di Identificazione Informatica e di Firma Elettronica.
6. L'accesso al Sistema tramite l'Account comporta l'accettazione di tutte le disposizioni contenute nelle presenti Regole, nonché, in generale, in tutti gli altri Documenti relativi agli Strumenti di Acquisto/Negoziatore che saranno in vigore al momento dell'accesso.
7. Il soggetto che ha richiesto la Registrazione accede ad una serie di servizi e di contenuti informativi relativi agli Strumenti di Acquisto/Negoziatore e ai Cataloghi di Prodotti e Servizi, ma non può operare nel Sistema. Per operare nel Sistema è necessaria l'Abilitazione del Fornitore o del Soggetto Aggiudicatore di appartenenza.

Articolo 13 – Conservazione e tenuta dell'Account

1. L'Account, in quanto strumento di Identificazione Informatica e di Firma Elettronica, è strettamente personale e riservato. Il titolare dell'Account è tenuto a conservarlo con la massima diligenza ed a mantenerlo segreto e riservato, a non divulgarlo o comunque cederlo a terzi, e ad utilizzarlo sotto la propria esclusiva responsabilità, nel rispetto dei principi di correttezza e buona fede, in modo da non recare pregiudizio al Sistema, ai soggetti ivi operanti e, in generale, a terzi.
2. A tale fine il titolare dell'Account, personalmente e in nome e per conto del Soggetto Aggiudicatore o del Fornitore per cui è Registrato, si impegna ad adottare tutte le misure tecniche ed organizzative idonee a garantire il corretto utilizzo dell'Account ed a comunicare immediatamente al Gestore del Sistema, con le modalità di seguito indicate o precisate nel Sito, l'eventuale smarrimento, sottrazione, uso abusivo o improprio, o qualsiasi altro fatto che ne comprometta la sicurezza.
3. Il titolare dell'Account è tenuto a modificare la propria *password* in conformità a quanto verrà eventualmente indicato da Consip e, comunque, conformemente a quanto previsto dalla normativa applicabile, utilizzando l'apposita procedura prevista dal Sito. In qualunque momento il titolare potrà procedere alla modifica della propria *password* con le modalità indicate nel Sito.

4. Il titolare dell'Account, così come il Soggetto Aggiudicatore e il Fornitore di appartenenza, sono consapevoli e si assumono ogni responsabilità del fatto che la conoscenza dell'Account da parte di terzi consentirebbe a questi ultimi l'accesso al Sistema ed il compimento di atti giuridicamente vincolanti direttamente imputabili al soggetto titolare dell'Account.
5. Il titolare dell'Account e il relativo Soggetto Aggiudicatore o Fornitore di appartenenza esonerano pertanto il Gestore del Sistema, MEF e Consip da qualsiasi responsabilità per conseguenze pregiudizievoli di qualsiasi natura o per danni, diretti o indiretti, che fossero arrecati ad essi o a terzi a causa dell'utilizzo dell'Account da parte di terzi e, in generale, in connessione con l'utilizzo abusivo, improprio o comunque pregiudizievole di tali strumenti, impegnandosi a risarcire il Gestore del Sistema e, se del caso, il MEF e Consip per i danni di qualsiasi natura che dovessero eventualmente subire in conseguenza di tali eventi.
6. In ogni caso, il titolare dell'Account e il relativo Soggetto Aggiudicatore o Fornitore di appartenenza prendono atto ed accettano che l'utilizzo abusivo, improprio o, comunque, pregiudizievole dell'Account può comportare la Sospensione, l'Annullamento o la Revoca della Registrazione o dell'Abilitazione, ai sensi di quanto previsto dall'articolo 20. Si evidenzia, in via esemplificativa e non esaustiva, che costituisce utilizzo improprio dell'Account il ricorso a sistemi automatici di interrogazione dei dati relativi ai Cataloghi pubblicati tali da determinare un decremento dell'operatività del Sistema con ripercussioni sui livelli di servizio garantiti a tutti gli Utenti del Sistema medesimo.
7. In ogni caso di sospetta divulgazione o di comunicazione ad altri soggetti, sottrazione, furto o circostanza da cui possa derivare comunque l'abusiva divulgazione dell'Account, e comunque in ogni ipotesi di sospetta perdita della riservatezza dell'Account, il titolare dell'Account ovvero il Fornitore o il Soggetto Aggiudicatore di appartenenza dovranno immediatamente comunicare tale circostanza al Gestore del Sistema attraverso l'apposito *Call Center* indicato nel Sito, che provvederà – effettuate le opportune verifiche al fine di identificare il chiamante – a sospendere la validità dell'Account: in caso di sottrazione o furto il titolare dell'Account ovvero il rispettivo Fornitore o Soggetto Aggiudicatore di appartenenza dovranno quindi provvedere entro le successive 48 ore ad inviare la copia della denuncia effettuata presso le competenti Autorità. In ogni caso tutti gli atti compiuti con l'utilizzazione dei suddetti codici saranno ritenuti giuridicamente vincolanti e direttamente imputabili al Fornitore o al Soggetto Aggiudicatore di appartenenza del titolare dell'Account.
8. Nel caso in cui il titolare abbia dimenticato l'Account dovrà seguire le istruzioni indicate sul Sito per generare i nuovi codici.

Articolo 14 – Effetti dell’Uso dell’Account e della Firma Digitale

1. L’utilizzo dell’Account vale ad attribuire incontestabilmente al titolare, nonché al soggetto da questo rappresentato, tutte le manifestazioni di volontà, ed in generale tutte le azioni, gli atti e i fatti posti in essere nell’ambito del Sistema, che si intendono compiute nell’ora e nel giorno risultanti dalle Registrazioni di Sistema, ai sensi e per gli effetti dell’art. 1, comma 1, lett. u-ter) del D.Lgs. 7 marzo 2005 n. 82.
2. L’Account costituisce altresì strumento di Firma Elettronica e il suo utilizzo comporta e produce gli effetti previsti dal D.Lgs. 7 marzo 2005 n. 82 in materia di documento informatico.
3. In ogni caso l’uso dell’Account non sostituisce l’utilizzo della Firma Digitale, ove questa è prevista. Il Soggetto Aggiudicatore ed il Fornitore prendono atto ed accettano che gli atti ed i documenti per i quali è richiesto di volta in volta l’utilizzo della Firma Digitale non potranno considerarsi validi ed efficaci se non verranno sottoscritti secondo la modalità richiesta.
4. Il Punto Ordinate e il Legale Rappresentante del Fornitore, quali titolari dello strumento di Firma Digitale, sono tenuti a rispettare tutte le norme legislative, regolamentari, di attuazione, contrattuali, le regole tecniche e le deliberazioni dell’Agenzia per l’Italia digitale in tema di conservazione ed utilizzo dello strumento di Firma Digitale, così come ogni qualsiasi altra istruzione impartita in materia dal Certificatore che ha rilasciato lo strumento ed esonerano espressamente il MEF, la Consip ed il Gestore del Sistema da qualsiasi responsabilità per conseguenze pregiudizievoli di qualsiasi natura o per danni, diretti o indiretti, che fossero arrecati ad essi o a terzi a causa dell'utilizzo improprio dello strumento di Firma Digitale.
5. Il mancato o comunque non corretto utilizzo degli strumenti informatici di volta in volta richiesti per compiere le attività nell’ambito del Sistema informatico di e-Procurement costituiscono una violazione delle presenti Regole che costituirà oggetto di accertamento da parte di Consip, ai sensi di quanto previsto dall’articolo 55 delle presenti Regole, oltre al risarcimento dei danni eventualmente provocati.
6. L’efficacia e la validità dei documenti sottoscritti con Firma Digitale e dei documenti sottoscritti con l’Account sono disciplinate dal Codice dell’Amministrazione Digitale e s.m. e, in generale, dalla normativa italiana vigente in materia.

Articolo 15 – L’Abilitazione al Sistema dei Soggetti Aggiudicatori e dei relativi Punti Ordinanti

1. I Soggetti Aggiudicatori sono legittimati a richiedere l’Abilitazione per accedere al Sistema di e-Procurement attraverso i loro Punti Ordinanti registrati nel Sistema, che siano dotati di tutte le autorizzazioni e di tutti i poteri necessari per operare nel Sistema ed impegnare il Soggetto Aggiudicatore di appartenenza all’acquisto di Prodotti, Servizi e Lavori di manutenzione attraverso gli Strumenti di Acquisto/Negoziiazione.
2. L’Abilitazione al Sistema dei Soggetti Aggiudicatori avviene a seguito dell’invio dell’apposita domanda di abilitazione da parte di un Punto Ordinate di appartenenza del Soggetto Aggiudicatore con le modalità e secondo i criteri e le condizioni previste dalla normativa vigente, dalle presenti Regole e seguendo le indicazioni presenti sul Sito.
3. L’invio della domanda di Abilitazione comporta l’integrale conoscenza ed accettazione delle presenti Regole e degli altri Documenti applicabili agli Strumenti di Acquisto/Negoziiazione.
4. Ciascun Soggetto Aggiudicatore può essere rappresentato nel Sistema di e-Procurement da più Punti Ordinanti, che saranno dotati del profilo e delle autorizzazioni previste dai propri poteri. L’abilitazione del Soggetto Aggiudicatore al Sistema implica l’esistenza e l’abilitazione almeno di un Punto Ordinate del medesimo Soggetto Aggiudicatore.
5. Ogni soggetto che richiede l’Abilitazione quale Punto Ordinate di Soggetto Aggiudicatore deve essere dotato di Firma Digitale. La domanda di Abilitazione deve essere sottoscritta a mezzo di Firma Digitale dal Punto Ordinate ed inviata per via telematica attraverso il Sistema, conformemente alle modalità indicate nel Sito.
6. Esaminata la domanda di Abilitazione, preso atto dell’avvenuta accettazione delle presenti Regole, il MEF emette il provvedimento di Abilitazione, dandone notizia al Punto Ordinate richiedente.

Articolo 16 – L’Abilitazione al Sistema di e-Procurement dei Fornitori e dei relativi Legali Rappresentanti

1. L’Abilitazione dei Fornitori al Sistema può essere conseguita dai Fornitori che abbiano ottenuto l’aggiudicazione di una Convenzione, l’aggiudicazione di un Accordo Quadro ovvero a seguito di Abilitazione del Fornitore al Mercato Elettronico della Pubblica Amministrazione, al Sistema dinamico d’acquisizione o ad altro Strumento di Acquisto/Negoziiazione.

Allegato 8_Regole del Sistema di e-procurement della pubblica amministrazione

2. I Fornitori dotati dei requisiti previsti sono legittimati a richiedere l'Abilitazione per accedere al Sistema di e-Procurement attraverso i loro Legali Rappresentanti registrati nel Sistema, che siano dotati di tutte le autorizzazioni e di tutti i poteri necessari per operare nel Sistema ed agire in nome e per conto del Fornitore di appartenenza attraverso gli Strumenti di Acquisto/Negoziiazione.
3. L'Abilitazione al Sistema dei Fornitori avviene attraverso i rispettivi Legali Rappresentanti ed è rilasciata da Consip con le modalità e secondo i criteri e le condizioni previste per ciascuno Strumento di Acquisto/Negoziiazione dalla normativa vigente, dalle presenti Regole e seguendo le indicazioni presenti sul Sito.
4. Ciascun Fornitore può essere rappresentato nel Sistema di e-Procurement da più Legali Rappresentanti, che saranno dotati del profilo e delle autorizzazioni previste dai propri poteri, sulla base dell'Abilitazione conseguita dal Fornitore. L'abilitazione del Fornitore al Sistema implica l'esistenza e l'abilitazione almeno di un Legale Rappresentante del Fornitore.
5. Il Fornitore che intende ottenere l'Abilitazione al Sistema deve inviare apposita domanda di Abilitazione tramite il proprio Legale Rappresentante, sulla base di quanto previsto da ciascuno Strumento di Acquisto/Negoziiazione, con le modalità e secondo i criteri e le condizioni previste dalla normativa vigente, dalle presenti Regole e seguendo le indicazioni presenti sul Sito.
6. L'invio della domanda di Abilitazione comporta l'integrale conoscenza ed accettazione delle presenti Regole nonché dei Documenti relativi allo Strumento di Acquisto/Negoziiazione per cui si richiede l'abilitazione.
7. Ogni soggetto che richiede l'Abilitazione quale Legale Rappresentante del Fornitore deve essere dotato di Firma Digitale. La domanda di Abilitazione deve essere sottoscritta a mezzo di Firma Digitale dal Legale Rappresentante del Fornitore ed inviata per via telematica attraverso il Sistema, conformemente alle modalità indicate nel Sito.

Articolo 17 – Regole comuni a Soggetti Aggiudicatori e Fornitori

1. I Soggetti Aggiudicatori e i Fornitori dichiarano ed accettano di utilizzare in completa autonomia il Sistema informatico di e-Procurement, i relativi Strumenti di Acquisto/Negoziiazione e tutti i servizi messi a loro disposizione nel Sistema e si impegnano ad utilizzarli esclusivamente per le finalità, in conformità, nei limiti ed alle condizioni prescritte dalla normativa vigente, dalle presenti Regole e dai Documenti che disciplinano ciascuno Strumento di Acquisto/Negoziiazione e nel rispetto della normativa applicabile di cui all'articolo 4 delle presenti Regole.

2. L'accesso e la partecipazione al Sistema di e-Procurement comportano l'integrale accettazione di tutti i termini, le condizioni di utilizzo e le avvertenze contenute nelle presenti Regole, negli altri Documenti degli Strumenti di Acquisto/Negoziazione e, in generale, di tutto quanto portato a conoscenza degli Utenti del Sistema tramite la pubblicazione nel Sito e/o l'invio o comunque la messa a disposizione di apposite comunicazioni.
3. Il MEF e/o la Consip si riservano il diritto di modificare a propria discrezione e in qualunque momento le presenti Regole, comunicando ai Fornitori ed ai Soggetti Aggiudicatori l'avvenuta modifica mediante la pubblicazione sul Sito della versione aggiornata delle Regole: in tal caso, i Punti Ordinanti dei Soggetti Aggiudicatori ed i Legali Rappresentanti dei Fornitori, fatta salva la disciplina contenuta nei Documenti relativi a ciascuno Strumento di Acquisto/Negoziazione, potranno chiedere di essere disabilitati secondo le modalità ed i termini indicati sul Sito, tramite comunicazione sottoscritta con Firma Digitale ed inviata all'indirizzo indicato nel Sito al MEF e a Consip ciascuno per la propria competenza, entro dieci giorni dall'avvenuta pubblicazione della versione aggiornata delle Regole entro il diverso termine fissato nel Bando. Nel caso in cui siano abilitati più Punti Ordinanti per il medesimo Soggetto Aggiudicatore o più Legali Rappresentanti per il medesimo Fornitore, la richiesta di disabilitazione di uno di essi non rileva con riferimento all'abilitazione degli altri soggetti (Punti Ordinanti o Legali Rappresentanti) appartenenti al medesimo Soggetto Aggiudicatore o Fornitore, che rimarranno pertanto abilitati al Sistema. In difetto di tempestiva comunicazione, le nuove Regole si considereranno automaticamente accettate e saranno applicabili ai Soggetti Aggiudicatori ed ai Fornitori a partire dalla data indicata per la loro entrata in vigore.
4. In ogni caso rimane a carico degli Utenti del Sistema la responsabilità del controllo dei termini e delle condizioni di utilizzo del Sistema, dei relativi Strumenti di Acquisto/Negoziazione e degli eventuali ulteriori servizi, che saranno di volta in volta applicabili. Pertanto, fatto salvo il diritto di recesso, l'accesso al Sito o comunque l'utilizzo degli Strumenti di Acquisto/Negoziazione e degli ulteriori servizi comportano di per sé l'integrale ed incondizionata accettazione della versione delle Regole in quel momento pubblicata sul Sito.
5. Il Soggetto Aggiudicatore e il Fornitore dichiarano altresì di ben conoscere ed accettare il Codice Etico di Consip pubblicato sul Sito e di conformarsi ai principi ed alle norme in esso contenute.
6. Il Soggetto Aggiudicatore ed il Fornitore prendono atto ed accettano che l'utilizzo del Sistema non comporterà alcun preventivo controllo da parte del Gestore del Sistema né tantomeno di Consip o del MEF del rispetto della normativa vigente, ivi comprese le disposizioni di legge e regolamentari in materia di acquisti di

lavori, servizi e forniture della Pubblica Amministrazione applicabili al Soggetto Aggiudicatore precedente, che dichiarano di ben conoscere ed accettare, e sono pertanto responsabili in via esclusiva in caso di violazione della suddetta normativa e per qualunque genere di illecito amministrativo, civile o penale.

7. Il Soggetto Aggiudicatore e il Fornitore si obbligano a porre in essere tutte le condotte necessarie ad evitare che attraverso il Sistema di e-Procurement si attuino turbative nel corretto svolgimento delle negoziazioni e delle procedure di acquisto. Il Fornitore, in particolare, dichiara, tra l'altro, di ben conoscere le norme in materia di tutela della concorrenza e i relativi divieti di intese e/o pratiche restrittive della concorrenza e del mercato, ivi inclusi gli articoli 101 e ss. del Trattato sul funzionamento dell'UE e gli articoli 2 e ss. della Legge n. 287/1990 e s.m. I Soggetti Aggiudicatori si impegnano a segnalare a Consip la realizzazione da parte dei Fornitori nelle procedure di acquisto svolte nell'ambito del Sistema di e-Procurement di comportamenti suscettibili di dare luogo a pratiche e/o intese restrittive della concorrenza e del mercato ai sensi della normativa vigente, anche al fine di consentire a Consip di assumere gli opportuni provvedimenti relativi all'Abilitazione ai sensi dell'art. 18 ed eventualmente di segnalare tali circostanze all'Autorità Giudiziaria per la verifica della sussistenza di eventuali fattispecie penalmente rilevanti.
8. Il Soggetto Aggiudicatore ed il Fornitore si impegnano a non arrecare danni o molestie alla rete o a terzi, a non immettere nel Sito materiale illecito, quale, ad esempio, materiale con contenuto diffamatorio, offensivo o in violazione della legge sulla proprietà intellettuale ed industriale.
9. Il Soggetto Aggiudicatore e il Fornitore prendono atto ed accettano che, entro i limiti e in applicazione dei principi e delle disposizioni in materia di dati pubblici e riutilizzo delle informazioni del settore pubblico, ed in particolare del decreto legislativo 24 gennaio 2006 n. 36 e degli artt. 52 e 68 comma 3 del D.Lgs. 7 marzo 2005 n. 82, le informazioni, i dati, i documenti, i metadati, gli schemi di strutture di dati e le relative banche dati, inerenti le procedure di abilitazione e di acquisto immessi e/o scambiati nel Sistema potranno essere utilizzati dal MEF, da Consip e dai Soggetti Aggiudicatori, ciascuno per quanto di propria competenza, anche in forma aggregata, per essere messi a disposizione di altre pubbliche amministrazioni, persone fisiche e giuridiche, anche come dati di tipo aperto.

Allegato 8_Regole del Sistema di e-procurement della pubblica amministrazione

1. Il Soggetto Aggiudicatore, il Fornitore e ciascun soggetto che agisce in loro nome e conto richiedendo la Registrazione o l'Abilitazione ed operando nel Sistema di e-Procurement garantiscono l'esattezza, la veridicità, la completezza, l'accuratezza e l'aggiornamento dei dati personali e delle informazioni inserite nella domanda di Registrazione e di Abilitazione, nonché di tutte le informazioni ed i dati che forniranno al MEF, a Consip, al Gestore del Sistema, ai Fornitori ed ai Soggetti Aggiudicatori.
2. Salvo quanto disposto dal successivo comma 3, il Soggetto Aggiudicatore ed il Fornitore prendono atto ed accettano che il MEF e/o Consip non effettueranno alcun controllo in merito ai dati, alle informazioni, alle dichiarazioni, alle attestazioni ed, in generale, al contenuto della domanda di Registrazione e di Abilitazione, rimanendo Soggetti Aggiudicatori e Fornitori, e i soggetti che agiscono in loro nome e conto, i soli ed esclusivi responsabili della accuratezza, veridicità, completezza ed aggiornamento dei predetti contenuti. Resta, pertanto, inteso che il MEF e/o Consip non assumono alcuna responsabilità in relazione all'eventuale rilascio, sulla base di dichiarazioni inesatte o non veritiere, di provvedimenti di Registrazione o Abilitazione a soggetti non muniti dei requisiti dichiarati o di idonei poteri.
3. Fermo quanto previsto al precedente comma, la Consip effettuerà i controlli e le verifiche previste *ex lege* in ordine alla sussistenza dei requisiti dichiarati in capo ai fornitori risultati aggiudicatari di Accordi Quadro o Convenzioni.
Il MEF e/o la Consip si riservano, altresì, la facoltà di richiedere chiarimenti, effettuare controlli e/o verifiche a campione – anche successivamente al rilascio della Registrazione o dell'Abilitazione - in merito all'effettiva sussistenza dei requisiti dichiarati dai Soggetti Aggiudicatori, dai Fornitori e dai soggetti che in nome e per conto di questi agiscono all'atto della domanda di Registrazione o di Abilitazione. Il MEF e/o Consip potranno effettuare controlli, tra l'altro, anche in merito alla partecipazione alle procedure relative agli Strumenti di Acquisto/Negoziato, all'esecuzione dei contratti nonché, in generale, al corretto utilizzo del Sistema, anche acquisendo informazioni da altri Soggetti Aggiudicatori e dai Fornitori e attraverso verifiche ispettive in merito all'esecuzione del contratto, sulla base di quanto disciplinato da ciascuno Strumento di Acquisto/Negoziato. Il MEF e/o la Consip si riservano, altresì, la facoltà di richiedere in ogni momento l'invio di certificati, attestazioni, autocertificazioni o di altra documentazione comprovante il permanere dei requisiti richiesti per la Registrazione o l'Abilitazione, anche con riferimento alla rispondenza dei Prodotti, dei Servizi e/o dei Lavori di manutenzione alle specifiche ed ai requisiti previsti dal Bando, nonché alla sussistenza di eventuali qualifiche professionali o delle particolari iscrizioni ad albi, associazioni professionali od

elenchi rilevanti ai fini dell'Abilitazione dei Fornitori. Il MEF e/o Consip si riservano, inoltre, la facoltà di vigilare sui prezzi dei Prodotti/Servizi/Lavori di manutenzione offerti nell'ambito degli Strumenti di Acquisto/Negoziiazione, sull'andamento e sulle dinamiche del mercato, adottando ogni eventuale provvedimento di loro competenza che si rendesse opportuno per assicurare, tra l'altro, il pieno ed effettivo rispetto della normativa vigente.

4. Il Soggetto Aggiudicatore e il Fornitore si impegnano, su espressa richiesta da parte del MEF e/o di Consip, a confermare la permanenza dei requisiti già dichiarati all'atto della domanda di Registrazione o Abilitazione e prendono atto ed accettano che il mancato tempestivo rinnovo e/o la mancata tempestiva conferma della permanenza dei requisiti potranno comportare l'immediata Sospensione, Revoca o Annullamento della Abilitazione.
5. Il Soggetto Aggiudicatore e il Fornitore si impegnano, anche in assenza di espressa richiesta da parte del MEF e/o di Consip, a comunicare tramite l'apposita procedura prevista dal Sito qualsiasi mutamento dei requisiti oggettivi e/o soggettivi e di tutte le informazioni dichiarate al momento della domanda di Registrazione e di Abilitazione, incluse le caratteristiche dei Prodotti e dei Servizi contenuti nei Cataloghi. Il Soggetto Aggiudicatore e il Fornitore prendono atto ed accettano che l'intervenuto mutamento dei predetti requisiti potrà comportare l'eventuale Sospensione, Revoca o Annullamento della Abilitazione.
6. Il mancato aggiornamento dei dati e delle informazioni suddette da parte di Soggetti Aggiudicatori e Fornitori comporta, a prescindere da accertamenti sul dolo o la colpa delle stesse, la piena efficacia delle azioni e delle comunicazioni effettuate dagli Utenti del Sistema utilizzando tali dati e informazioni.
7. L'accertata non veridicità, non completezza o mancato aggiornamento delle dichiarazioni, dei dati ed in generale delle informazioni fornite dai soggetti operanti nell'ambito del Sistema possono comportare l'immediata, Sospensione, Revoca o Annullamento della Abilitazione, ai sensi di quanto previsto dall'art. 20, con conseguente impossibilità del Soggetto Aggiudicatore o del Fornitore di accedere al Sistema, e fermo restando il diritto al risarcimento dei danni eventualmente subiti dal MEF, da Consip, dal Gestore del Sistema, dai Fornitori e/o da terzi.
8. Il Soggetto Aggiudicatore e il Fornitore riconoscono e accettano che le informazioni e i dati contenuti nella domanda di Registrazione e di Abilitazione e, in generale, comunicati a Consip in relazione alla sua partecipazione al Sistema di e-Procurement e all'attività relativa agli Strumenti di Acquisto/Negoziiazione, potranno essere comunicati e dunque conosciuti, oltre che dal MEF, da Consip e dal Gestore del Sistema, dai Soggetti Aggiudicatori abilitati al Sistema e dai relativi Punti Ordinanti e Punti Istruttori, dai Fornitori e dai relativi Legali Rappresentanti

e Operatori Delegati, ciascuno per quanto di propria competenza in funzione dell'operatività del Sistema, e comunque da qualsiasi soggetto terzo legittimato ai sensi del Codice dei Contratti Pubblici o da altre disposizioni di legge. In particolare, come sopra previsto dall'art. 17, comma 8, entro i limiti e in applicazione dei principi e delle disposizioni in materia di dati pubblici e riutilizzo delle informazioni del settore pubblico, ed in particolare del decreto legislativo 24 gennaio 2006 n. 36 e degli artt. 52 e 68 comma 3 del D.Lgs. 7 marzo 2005 n. 82, tali informazioni e dati potranno essere utilizzati dal MEF, da Consip e dai Soggetti Aggiudicatori, ciascuno per quanto di propria competenza, anche in forma aggregata, per essere messi a disposizione di altre pubbliche amministrazioni, persone fisiche e giuridiche, anche come dati di tipo aperto.

Articolo 19 - Sostituzione del Legale Rappresentante e rinnovo delle autocertificazioni da parte del Fornitore

1. La sostituzione/cessazione e l'inserimento di un nuovo od ulteriore Legale Rappresentante del Fornitore dovranno essere comunicati a Consip attraverso le apposite procedure indicate sul Sito, allegando, ove richiesto, copia della documentazione comprovante i poteri del nuovo Legale Rappresentante. Contestualmente a tale domanda, il Fornitore può richiedere di essere temporaneamente sospeso dal Sistema. In ogni caso Consip, qualora non vi sia un altro Legale Rappresentante abilitato nel Sistema, si riserva di sospendere l'abilitazione del Fornitore fino all'esito delle relative verifiche, ai sensi di quanto previsto dall'art. 20. Consip, a seguito della valutazione della richiesta del Fornitore e dei poteri del nuovo Legale Rappresentante e, dopo avere richiesto i chiarimenti che si renderanno eventualmente necessari, comunica al richiedente l'esito della valutazione e le eventuali relative informazioni per l'accesso al Sistema. Si evidenzia che il nuovo od ulteriore Legale Rappresentante potrà operare sul Sistema con riferimento alle procedure indette successivamente all'esito positivo della valutazione da parte di Consip. Per operare a Sistema relativamente alle procedure in corso all'atto dell'esito positivo della valutazione da parte di Consip, il nuovo Legale Rappresentante è, inoltre, tenuto a richiedere a Consip di effettuare le attività necessarie ai fini di detta operatività.
2. Prendendo atto che l'Abilitazione viene, tra l'altro, effettuata sulla base di dichiarazioni sostitutive di certificazioni e di atti notori rese dal Fornitore ex artt. 46 e 47, Decreto del Presidente della Repubblica n. 445/2000 e s.m., e che le dichiarazioni sostitutive di certificazioni hanno la medesima validità temporale del certificato che sostituiscono, almeno ogni sei mesi il Fornitore, anche in assenza di espressa richiesta da parte di Consip, si impegna a rinnovare le autocertificazioni

in scadenza – ivi incluse, in caso di consorzi di cui all'art. 45, lettere b) e c) del Codice dei Contratti Pubblici, le dichiarazioni di cui all'art. 18- e a confermare la permanenza dei requisiti richiesti per l'Abilitazione conseguita e già dichiarati all'atto della Domanda di Abilitazione, seguendo la procedura indicata sul Sito.

3. Il Fornitore prende atto che il mancato tempestivo rinnovo della documentazione in scadenza o la mancata tempestiva conferma della permanenza dei requisiti richiesti da ciascuno Strumento di Acquisto/Negoziazione ai fini dell'abilitazione, comporteranno l'immediata Sospensione dell'Abilitazione del Fornitore fino al momento in cui il Fornitore avrà regolarizzato la propria posizione. Il mancato rinnovo dell'autocertificazione, che si protragga per oltre 180 giorni dalla scadenza di cui sopra, comporta la Revoca dell'Abilitazione del Fornitore, ai sensi di quanto previsto dall'articolo 18.
4. Nel caso in cui più Punti Ordinanti appartenenti ad un medesimo Soggetto Aggiudicatore o più Legali Rappresentanti appartenenti al medesimo Fornitore fossero abilitati agli Strumenti di Acquisto/Negoziazione, la richiesta di cancellazione di un Punto Ordinate o di un Legale Rappresentante non comporta in alcun modo la cancellazione degli altri Punti Ordinanti o degli altri Legali Rappresentanti, che rimarranno abilitati al Sistema unitamente al Soggetto Aggiudicatore/Fornitore di appartenenza.

Articolo 20 – Durata, Penali, Sistemi reputazionali, Sospensione, Annullamento e Revoca della Abilitazione

1. La durata dell'Abilitazione al Sistema è disciplinata da ciascuno Strumento di Acquisto/Negoziazione e, salvo diversa indicazione e salvo il rinnovo delle autocertificazioni rilasciate, è efficace a tempo indeterminato e comunque fino a diversa comunicazione del MEF e/o di Consip.
2. La Sospensione, l'Annullamento o la Revoca potranno essere disposte da Consip anche automaticamente, ove ricorrano le condizioni previste: in ogni caso ne verrà data comunicazione al Fornitore con apposito provvedimento motivato. Fatti salvi gli altri casi di Sospensione previsti dalle presenti Regole, nell'ipotesi di apertura di un procedimento amministrativo ai sensi dell'art. 7, della Legge n. 241/90, al Fornitore verrà – a far data dalla comunicazione di apertura del procedimento e fino alla chiusura dello stesso – temporaneamente impedito l'accesso e la partecipazione al Sistema con conseguente temporanea sospensione del Catalogo.
3. Il MEF e/o Consip, in base a quanto previsto dalle presenti Regole e/o dai Documenti di ciascuno Strumento di Acquisto/Negoziazione, avranno la facoltà di disporre l'applicazione di penali nei confronti del Fornitore, la Sospensione,

l'Annullamento o la Revoca dell'Abilitazione, nonché l'applicazione di sistemi reputazionali che possono essere basati, tra l'altro, sull'ottemperanza del Fornitore alle Regole e/o sui riscontri dati dai Soggetti Aggiudicatori. Il MEF e/o Consip si riservano altresì il diritto discrezionale ed insindacabile di sospendere o revocare motivatamente in qualsiasi momento l'Abilitazione, senza che nessuno possa avanzare alcuna pretesa o richiesta derivante da tale provvedimento.

4. L'Abilitazione potrà essere altresì sospesa per motivi tecnici od organizzativi, previa, ove possibile, preventiva comunicazione.
5. Successivamente alla Sospensione, all'Annullamento o alla Revoca dell'Abilitazione, il Soggetto Aggiudicatore e il Fornitore si impegnano a non compiere attività di qualsiasi genere all'interno del Sistema, salvo diversa espressa indicazione da parte del MEF e/o di Consip, e fermi restando gli obblighi già assunti.

Articolo 21 – Catalogo, dichiarazioni e garanzie dei Fornitori

1. Ciascun Fornitore nel predisporre il proprio Catalogo dei Prodotti e dei Servizi abilitati allo Strumento di Acquisto/Negoziato del Sistema si impegna a mantenerlo aggiornato, conformemente e nel rispetto di quanto disposto dalle Regole e dai Documenti relativi allo Strumento di Acquisto/Negoziato per il quale il Fornitore è abilitato e opera nel Sistema.
2. Il Catalogo contiene i Prodotti e i Servizi che il Fornitore offre ai Soggetti Aggiudicatori. Il Fornitore si impegna a mantenere sempre aggiornato il Catalogo, avendo cura, tra l'altro, che i Prodotti e i Servizi presentati nel Catalogo siano conformi alla disciplina e alle prescrizioni, anche tecniche, previste dai relativi Documenti dello Strumento di Acquisto/Negoziato applicabili e che siano effettivamente disponibili per l'acquisto da parte dei Soggetti Aggiudicatori, nel rispetto di quanto previsto dai Documenti relativi allo Strumento di Acquisto/Negoziato. Il Fornitore è il solo ed esclusivo responsabile del contenuto del Catalogo e si impegna a fornire una descrizione veritiera, corretta e non ingannevole dei Prodotti e dei Servizi ivi inseriti.
3. Il Soggetto Aggiudicatore ed il Fornitore riconoscono ed accettano che Consip ed il Gestore del Sistema si limitano a pubblicare il Catalogo, le relative descrizioni e le informazioni fornite dal Fornitore (inclusi eventuali allegati, materiale illustrativo e immagini) senza effettuare di regola preventive verifiche di conformità del Catalogo ai Documenti dello Strumento di Acquisto/Negoziato, né di correttezza, completezza o veridicità, sostanziale o formale, e, pertanto, esonerano Consip ed il Gestore del Sistema da qualunque responsabilità al riguardo.

4. Come previsto dall'art. 18, comma 3 delle presenti Regole, Consip potrà effettuare in qualsiasi momento controlli e verifiche dei Cataloghi, anche in via automatica, inclusa la conformità del contenuto dei Cataloghi ai Documenti degli Strumenti di Acquisto/Negoziazione ad essi applicabili, e adottare tutti i provvedimenti che si renderanno di volta in volta opportuni. Tali provvedimenti potranno consistere anche nell'eliminazione di informazioni e di contenuti dei Cataloghi e nell'immediata sospensione o cancellazione dei Prodotti e dei Servizi presenti nei Cataloghi. Consip darà, ove possibile, apposita comunicazione al Fornitore degli interventi effettuati nei Cataloghi. Consip, tra l'altro, si riserva di disporre la cancellazione, anche in via automatica, dai Cataloghi di Prodotti/Servizi che non siano stati oggetto di Procedure di Acquisto ovvero che non siano stati aggiornati nei termini eventualmente previsti da ciascuno Strumento di Acquisto/Negoziazione, dandone, ove possibile, apposita comunicazione al Fornitore.
5. Il Fornitore garantisce di essere unico ed esclusivo proprietario dei Prodotti inseriti a Catalogo e, comunque, di poterne liberamente disporre nel pieno rispetto di qualsiasi diritto o legittima pretesa di terzi.
6. Il Fornitore si impegna a non inserire nel Catalogo Prodotti o Servizi di cui sia vietata la vendita o la prestazione, o comunque di provenienza illecita, contrari all'ordine pubblico o al buon costume, contraffatti o comunque in contrasto con le norme nazionali o internazionali a tutela della proprietà industriale ed intellettuale e, in generale, con l'ordinamento.
7. Fatto salvo quanto eventualmente previsto nei Documenti relativi allo Strumento di Acquisto/Negoziazione, il Soggetto Aggiudicatore ed il Fornitore riconoscono che Consip ed il Gestore del Sistema non sono in grado di garantire la conformità dei Prodotti e dei Servizi offerti a Catalogo con quelli che verranno effettivamente consegnati o effettuati dai Fornitori ai Soggetti Aggiudicatori, e pertanto non assumono alcuna responsabilità, né forniscono alcuna garanzia sui Prodotti, sui Servizi, sulla loro conformità alla normativa applicabile e sul buon esito delle transazioni concluse nel Sistema tra i Fornitori e i Soggetti Aggiudicatori.
8. Il MEF e/o Consip si riservano la facoltà di vigilare sui prezzi dei Prodotti/Servizi offerti nell'ambito degli Strumenti di Acquisto/Negoziazione, sull'andamento e sulle dinamiche del mercato, adottando ogni eventuale provvedimento di loro competenza che si rendesse opportuno per assicurare, tra l'altro, il pieno ed effettivo rispetto della normativa vigente.

Allegato 8_Regole del Sistema di e-procurement della pubblica amministrazione

1. Ai fini dell'utilizzo del Sistema e per tutte le attività e le operazioni ivi compiute, il Fornitore elegge il proprio domicilio nel Sistema ovvero nell'Area Comunicazioni e nelle altre sezioni del Sistema medesimo tramite le quali vengono fornite informazioni agli utenti, nonché presso gli altri recapiti da questo dichiarati, , l'indirizzo di Posta Elettronica Certificata e la sede legale.
2. Tutte le comunicazioni effettuate dal Soggetto Aggiudicatore e dal Fornitore quali, a titolo esemplificativo, eventuali richieste di chiarimenti, documenti, certificazioni, dovranno di regola essere effettuate utilizzando il Sistema ovvero l'Area Comunicazioni e le altre sezioni del Sistema medesimo tramite le quali vengono fornite informazioni agli utenti. Il Fornitore e il Soggetto Aggiudicatore prendono atto che l'utilizzo dell'Area Comunicazioni nonché delle surrichiamate sezioni è esclusivamente riservato alle comunicazioni inerenti le operazioni compiute nel Sistema di e-Procurement. Non è pertanto ammesso l'impiego di tale Area o di dette sezioni per comunicazioni estranee o comunque non direttamente inerenti l'utilizzo predetto.
3. Consip S.p.A. utilizza di regola l'Area Comunicazioni e le altre sezioni informative del Sistema per inviare e ricevere le comunicazioni con il Fornitore e il Soggetto Aggiudicatore inerenti gli Strumenti di Acquisto/Negoziazione per i quali il Fornitore e il Soggetto Aggiudicatore sono abilitati o registrati. Laddove il Soggetto Aggiudicatore o Consip lo ritengano necessario (come ad esempio nel caso delle comunicazioni di cui all'art. 76, comma 6 del Codice dei Contratti Pubblici) od opportuno, le comunicazioni di cui al comma 2, potranno essere inviate al Fornitore presso altri recapiti da questo dichiarati, quali l'indirizzo di Posta Elettronica Certificata. Sono fatte salve specifiche prescrizioni eventualmente previste dai Soggetti Aggiudicatori nella documentazione di gara.
4. In caso di malfunzionamento del Sistema o comunque di oggettiva impossibilità, anche temporanea, di utilizzare l'Area Comunicazioni o le apposite sezioni informative per l'invio delle comunicazioni, le comunicazioni potranno essere inviate attraverso gli altri recapiti indicati dal Fornitore, dai Soggetti Aggiudicatori e da Consip S.p.A. quale la casella di Posta Elettronica Certificata.
5. Il Fornitore si impegna ad accedere, verificare e tenere sotto controllo in maniera continuativa e sollecita, e comunque tutte le volte che si renderà necessario in funzione della propria partecipazione al Sistema, l'Area Comunicazioni e tutte le sezioni informative del proprio Account quale la casella di Posta Elettronica Certificata da questo indicata, così come ogni altra area eventualmente indicata da Consip S.p.A. all'interno del Sito. Il Fornitore si impegna inoltre ad adottare comunque tutte le cautele idonee a garantire un efficiente funzionamento del Sistema di e-Procurement, tenendo indenne il MEF, Consip S.p.A. ed il Gestore del

Sistema da qualsiasi pregiudizio potesse agli stessi derivare, sia direttamente che indirettamente, dall'utilizzo illecito o comunque improprio del Sistema.

6. Qualsiasi comunicazione inviata dal Fornitore nell'ambito del Sistema di e-Procurement si avrà per eseguita nel momento in cui perverrà nell'Area Comunicazioni del destinatario o all'indirizzo di Posta Elettronica Certificata indicato da Consip S.p.A. o dal Soggetto Aggiudicatore precedente.
7. Il MEF, Consip S.p.A. ed il Gestore del Sistema non potranno comunque essere ritenuti responsabili per eventuali malfunzionamenti del Sistema che in qualsiasi modo possano pregiudicare o ritardare la consegna delle comunicazioni al destinatario finale.
8. E' fatto divieto ai Fornitori di utilizzare le informazioni e, in generale, i dati presenti sul Sito relativi agli Utenti per l'invio di comunicazioni o sollecitazioni commerciali o di altro genere. In generale, gli indirizzi di posta elettronica semplice e certificata e i recapiti degli Utenti reperibili nell'ambito del Sistema di e-Procurement sono esclusivamente riservati per lo svolgimento di attività e l'effettuazione di comunicazioni strettamente e direttamente inerenti agli Strumenti di Acquisto/Negoziazione.

Articolo 23 – Sistema informatico e registrazioni di sistema

1. Il Sistema di e-Procurement è realizzato con modalità e soluzioni che impediscono di operare variazioni sui documenti, sulle registrazioni di sistema e sulle altre rappresentazioni informatiche e telematiche degli atti e delle operazioni compiute nell'ambito delle procedure, sulla base della tecnologia esistente e disponibile.
2. Le attività e le operazioni effettuate nell'ambito del sistema informatico di negoziazione sono attribuite ai soggetti attraverso l'Account, ai sensi dell'articolo 1, comma 1, lettera u-ter), del decreto legislativo 7 marzo 2005, n. 82, e si intendono compiute nell'ora e nel giorno risultanti dalle registrazioni di sistema. Le registrazioni di sistema sono effettuate, conservate ed archiviate in conformità di quanto previsto dall'articolo 43 del decreto legislativo 7 marzo 2005, n. 82, fermo restando quanto previsto dal seguente art. 24. Il tempo del sistema è sincronizzato sull'ora italiana riferita alla scala di tempo UTC (IEN), di cui al decreto del Ministro dell'industria, del commercio e dell'artigianato 30 novembre 1993, n. 591. Il tempo del Sistema è aggiornato con un collegamento diretto presso l'Istituto Galileo Ferraris di Torino secondo le metodologie descritte sul Sito.
3. Il Fornitore e il Soggetto Aggiudicatore dichiarano e riconoscono che le Registrazioni di Sistema fanno piena prova dei rapporti tra le parti. Tali Registrazioni hanno carattere riservato e non verranno divulgate a terzi, al di fuori

delle ipotesi espressamente consentite, quali ad esempio l'esercizio del diritto di accesso ai sensi della Legge n. 241/90 e s.m. e la richiesta dell'Autorità Giudiziaria.

4. Ove possibile, Consip e/o il Gestore del Sistema comunicheranno anticipatamente ai Fornitori ed ai Soggetti Aggiudicatori gli interventi di manutenzione sul Sistema. I Fornitori e i Soggetti Aggiudicatori, in ogni caso, prendono atto ed accettano che l'accesso al Sito ed al Sistema potrà in ogni momento essere sospeso o limitato per l'effettuazione di interventi tecnici volti a ripristinarne o migliorarne il funzionamento o la sicurezza.
5. Il Soggetto Aggiudicatore ed il Fornitore, ciascuno per quanto di propria competenza, esonerano il MEF, Consip ed il Gestore del Sistema da ogni responsabilità relativa a qualsivoglia malfunzionamento o difetto relativo ai servizi di connettività necessari a raggiungere attraverso la rete pubblica di telecomunicazioni il Sistema.

Articolo 24 – Documentazione e riutilizzo dei dati pubblici

1. Il Sistema si avvale di un servizio di conservazione terzo a norma utilizzato dal Ministero dell'Economia e delle Finanze, Dipartimento dell'Amministrazione Generale del Personale e dei Servizi. A seguito delle nuove regole in materia di conservazione dei documenti informatici, il suddetto Dipartimento ha stipulato un accordo di cooperazione orizzontale con l'Istituto per i Beni Artistici Culturali e Naturali dell'Emilia-Romagna a seguito del quale il Sistema si avvale del servizio di conservazione del Polo Archivistico della Regione Emilia Romagna (ParER) - accreditato presso AGID - al fine di conservare, nel rispetto delle predette nuove regole tecniche, i documenti informatici prodotti e gestiti nell'ambito del Sistema. Tra questi ultimi sono ricompresi quelli di proprietà dei soggetti che utilizzano il Sistema medesimo, quali Consip, Soggetti aggiudicatori e Fornitori, anche per quanto attiene al servizio di supporto alla fatturazione elettronica, nonché le stazioni appaltanti che utilizzano la piattaforma in modalità ASP.
2. Tutti gli Utenti sono tenuti ad archiviare e a conservare tutti gli atti e i documenti relativi alle procedure che li riguardano, in conformità alle norme di cui al D.Lgs. 7 marzo 2005 n. 82 (Codice dell'Amministrazione Digitale) e s.m.i.
3. Il Gestore del Sistema provvede in ogni caso per conto di Consip e dei Soggetti Aggiudicatori procedenti all'archiviazione degli atti e dei documenti relativi alle procedure di abilitazione e agli strumenti di acquisto/negoiazione che sono stati prodotti e scambiati nell'ambito del Sistema. Provvede, altresì, alle attività propedeutiche allo svolgimento della conservazione degli atti e dei documenti medesimi.

4. I documenti relativi alle procedure di acquisto effettuate nel Sistema di e-Procurement vengono mantenuti a disposizione degli Utenti nell'ambito del Sistema per un periodo di 90 giorni dal loro inserimento e/o generazione sul Sistema. Trascorsi 90 giorni, il Gestore del Sistema si riserva la facoltà di eliminare la disponibilità dei predetti documenti dall'archivio corrente del Sistema di e-Procurement. Tali documenti saranno in ogni caso archiviati dal Gestore del Sistema ai sensi e nel rispetto della normativa vigente. Gli Utenti legittimati potranno chiederne copia inviando apposita richiesta scritta in tal senso al Soggetto Aggiudicatore che ha effettuato la procedura di acquisto cui i documenti ineriscono e, per conoscenza, a Consip, secondo le modalità indicate sul Sito.
5. I Soggetti Aggiudicatori potranno chiedere copia dei documenti relativi alle procedure di abilitazione dei Fornitori inviando a Consip apposita richiesta scritta per mezzo di documento elettronico firmato digitalmente e inviato secondo le modalità indicate sul Sito.
6. Per quanto riguarda il diritto di accesso dei Fornitori alla documentazione amministrativa si rinvia a quanto previsto dall'articolo 31.
7. Entro i limiti e in applicazione dei principi e delle disposizioni in materia di dati pubblici e riutilizzo delle informazioni del settore pubblico, ed in particolare del decreto legislativo 24 gennaio 2006 n. 36 e degli artt. 52 e 68 comma 3 del D.Lgs. 7 marzo 2005 n. 82, le informazioni, i dati, i documenti, i metadati, gli schemi di strutture di dati e le relative banche dati, inerenti le procedure di abilitazione e di acquisto immessi e/o scambiati nel Sistema potranno essere utilizzati dal MEF, da Consip e dai Soggetti Aggiudicatori, ciascuno per quanto di propria competenza, anche in forma aggregata, per essere messi a disposizione di altre pubbliche amministrazioni, persone fisiche e giuridiche, anche come dati di tipo aperto.

Articolo 25 – Responsabilità del MEF, di Consip e del Gestore del Sistema

1. Nell'ambito dello svolgimento delle proprie finalità istituzionali ad essa delegate dal MEF, Consip si limita a mettere a disposizione degli Utenti il Sistema e ad abilitare i Fornitori e i relativi Prodotti e Servizi, affidando al Gestore del Sistema individuato ai sensi dell'articolo 7, la conduzione tecnica del Sistema stesso. Ciascun Soggetto Aggiudicatore può richiedere a Consip informazioni in merito ai livelli minimi di servizio che il Gestore del Sistema è tenuto a garantire. In caso di violazione di tali livelli minimi di servizio, il Soggetto Aggiudicatore potrà inoltrare un'apposita e dettagliata segnalazione a Consip, che provvederà a sollevare le necessarie contestazioni al Gestore del Sistema. Il Soggetto Aggiudicatore dichiara di conoscere ed accettare le modalità e le condizioni di funzionamento del Sistema garantite dal Gestore del Sistema e demanda a Consip qualsiasi

Le imprese partecipanti ad una aggregazione tra imprese aderenti al contratto di rete ovvero ad un consorzio abilitati al Mercato Elettronico possono essere anche abilitate autonomamente al MEPA quali operatori economici individuali, fermi restando i limiti e le condizioni di partecipazione alle procedure di acquisto previsti dalle norme vigenti con riferimento alla aggregazione tra imprese aderenti al contratto di rete, al consorzio e alle imprese che ne fanno parte e i relativi divieti di intese e/o pratiche restrittive della concorrenza e del mercato.
5. Il Fornitore garantisce l'esattezza e la veridicità dei dati personali e delle informazioni inserite nella Domanda di Abilitazione, nonché di tutte le informazioni ed i dati che fornirà a MEF, a Consip ed al Gestore del Sistema e ai Soggetti Aggiudicatori in relazione alla sua partecipazione al Mercato Elettronico, conformemente a quanto disposto dall'art. 18 delle presenti Regole.
6. L'invio della Domanda di Abilitazione del Fornitore comporta l'integrale conoscenza ed accettazione delle presenti Regole e degli altri Documenti del Mercato Elettronico.
7. Il Fornitore che ha presentato una Domanda di abilitazione o conseguito l'abilitazione al Mercato Elettronico sulla base di un determinato Capitolato d'Oneri può chiedere in qualsiasi momento l'abilitazione al Mercato Elettronico con riferimento ad altri Capitolati d'Oneri o ad altre Categorie dello stesso

Capitolato d'Oneri, nel rispetto dei requisiti, delle condizioni e dei termini previsti dal Capitolato d'Oneri di abilitazione per il quale intende essere abilitato.

8. Il Fornitore prende atto che, ai sensi del successivo art. 46, comma 7, è rimessa al Soggetto Aggiudicatore la valutazione in ordine alle situazioni di cui all'art. 80, comma 5, lett. a) e c), D.Lgs. 50/2016 s.m.i., dichiarate in sede di compilazione della Domanda di Abilitazione.

Articolo 37 – Concessione dell'Abilitazione al MEPA al Fornitore

1. Le Domande di Abilitazione verranno esaminate da Consip, la quale, nello svolgimento dell'istruttoria, potrà avvalersi di strutture di supporto all'uopo nominate. Consip si riserva di richiedere ai Fornitori di completare, regolarizzare o di fornire chiarimenti in ordine al contenuto della Domanda di Abilitazione, con facoltà di assegnare, a tal fine, un termine perentorio entro cui i Fornitori dovranno far pervenire le integrazioni, regolarizzazioni e/o chiarimenti richiesti, pena il diniego di Abilitazione. A tale fine, è prevista un'apposita procedura di cosiddetta "Riassegnazione", attraverso la quale Consip richiede al fornitore i chiarimenti necessari tramite apposita comunicazione. Tale comunicazione è effettuata da Consip ai sensi dell'art. 6, comma 1, lett. b) della legge n. 241/1990 ed assolve altresì all'onere di comunicazione dei motivi ostativi di cui all'art. 10 bis della legge n. 241/1990.
2. Preso atto dell'avvenuta accettazione delle presenti Regole e dei Documenti dello Strumento di Acquisto/Negoziazione, verificata la sussistenza dei requisiti previsti dal Capitolato d'Oneri di Abilitazione in capo al Fornitore richiedente, entro il termine e con le modalità indicate dal Capitolato d'Oneri di Abilitazione, Consip emette il provvedimento di Abilitazione o di motivato diniego, dandone notizia al richiedente. L'abilitazione dei Fornitori avrà la durata prevista dal relativo Capitolato d'Oneri sulla base del quale è stata richiesta.

Articolo 38 – Cataloghi di Prodotti e Servizi

1. Al momento della Domanda di Abilitazione, così come durante l'Abilitazione al MEPA, il Fornitore abilitato dovrà proporre, laddove non diversamente specificato dal Capitolato Tecnico del singolo Capitolato d'Oneri di Abilitazione, un Catalogo contenente i Prodotti e Servizi che offre ai Soggetti Aggiudicatori, nel rispetto dei Documenti del Mercato Elettronico e, di volta in volta, dei Capitolati d'Oneri di Abilitazione per cui il Fornitore richiede l'Abilitazione, con particolare riferimento al Capitolato Tecnico. A tal fine il Fornitore dovrà seguire le relative istruzioni presenti sul Sito.

2. Consip si riserva di procedere alla sospensione del Fornitore nel caso in cui non sia presente, per un periodo superiore a 6 mesi, nel Mercato Elettronico un Catalogo.
3. Al Catalogo e ai Prodotti e Servizi ivi indicati si applica, in particolare, l'art. 21 delle presenti Regole. Consip non effettua controlli o verifiche di sorta, formali o sostanziali, sui Cataloghi di Prodotti e Servizi inviati dal Fornitore e pubblica i Cataloghi contenenti i Prodotti o i Servizi come richiesti dal Fornitore. Consip si riserva comunque la facoltà di effettuare ogni controllo e verifica di sorta sui Cataloghi, anche a campione, in conformità a quanto previsto dall'art. 18, comma 3, nonché dall'art. 21, comma 4, delle presenti Regole e di adottare i provvedimenti conseguenti, inclusa la cancellazione e la sospensione di Prodotti e Servizi dai Cataloghi dei Fornitori, dandone immediata comunicazione, ove possibile, al Fornitore.
4. Il MEF e/o Consip si riservano, inoltre, la facoltà di vigilare sui prezzi dei Prodotti/Servizi offerti nell'ambito del Mercato Elettronico, sull'andamento e sulle dinamiche del mercato, adottando ogni eventuale provvedimento di loro competenza che si rendesse opportuno per assicurare, tra l'altro, il pieno ed effettivo rispetto della normativa vigente.
5. Si applicano, in particolare, gli artt. 42 e seguenti delle presenti Regole.

Articolo 39 – Durata, Sospensione, Annullamento e Revoca dell'Abilitazione al MEPA

1. La durata dell'Abilitazione dei Fornitori abilitati al Mercato Elettronico è indicata nei relativi Capitolati d'Oneri.
2. Fermo restando le cause di applicazione di penali, Sospensione, Annullamento e Revoca previste espressamente nelle Regole e/o nei restanti Documenti del Mercato Elettronico, il MEF e/o Consip si riservano il diritto di sospendere per un periodo di tempo determinato ovvero di annullare o revocare motivatamente in qualsiasi momento l'Abilitazione del Fornitore al Mercato Elettronico, senza che il Fornitore o altri soggetti possano avanzare alcuna pretesa o richiesta derivante da tale provvedimento. L'Annullamento, la Sospensione o la Revoca potranno essere disposte da Consip anche automaticamente, ove ricorrano le condizioni previste, come ad esempio in caso di mancato rinnovo delle dichiarazioni sostitutive da parte del Fornitore: in ogni caso ne verrà data comunicazione al Fornitore con apposito provvedimento motivato. L'Abilitazione del Fornitore potrà essere altresì sospesa per motivi tecnici od organizzativi, previa, ove possibile, preventiva comunicazione.
3. Successivamente all'Annullamento, alla Sospensione o alla Revoca dell'Abilitazione al Mercato Elettronico, il Fornitore si impegna a non compiere

attività di qualsiasi genere all'interno del Mercato Elettronico, salva diversa espressa indicazione da parte del MEF e/o di Consip e fermi restando gli obblighi già assunti.

Articolo 40 – Stato di Sospensione e Revoca

1. Durante lo stato di Sospensione, i Soggetti Aggiudicatori non potranno effettuare acquisti dal Catalogo del Fornitore e il Fornitore non potrà presentare offerte in risposta a RDO. Per tutto il periodo in cui dura la Sospensione, il Fornitore sospeso può accedere alla propria area Comunicazioni e, qualora lo richieda, riceverà l'elenco degli ordini ricevuti prima della Sospensione e delle RDO ad esso aggiudicate.
2. Nel caso di Annullamento o Revoca dell'Abilitazione, il Fornitore viene escluso dal Mercato Elettronico, con conseguente disabilitazione di tutti i Legali Rappresentanti ed eliminazione del relativo Catalogo del Mercato Elettronico. Si evidenzia che, ferma l'immediata efficacia del provvedimento di Annullamento o Revoca, e - fatto salvo il diritto di accesso agli atti del procedimento nei termini e nelle forme di legge – il Fornitore avrà la possibilità di prendere visione di tutte le informazioni presenti a Sistema e ritenute necessarie entro e non oltre 5 (cinque) giorni dal ricevimento del provvedimento di Annullamento o Revoca medesimo, decorso il suddetto termine non sarà più consentito l'accesso al Sistema.
3. Il Fornitore, qualora ne faccia richiesta, riceverà l'elenco degli ordini ricevuti prima della sospensione e delle RDO ad esso aggiudicate, purché la sua offerta sia anteriore alla Revoca o all'Annullamento.

Articolo 41 – Richiesta di disabilitazione dal Mercato Elettronico

1. Tramite apposita comunicazione secondo le modalità indicate sul Sito, firmata digitalmente dal Legale Rappresentante e inviata a Consip, con le modalità previste nel Sito ciascun Fornitore ha facoltà di richiedere di essere disabilitato dal Mercato Elettronico, fermi restando gli obblighi già assunti.
2. Dal momento dell'invio della richiesta di disabilitazione dal Mercato Elettronico, il Fornitore si impegna a non compiere atti finalizzati alla conclusione di nuovi Contratti, fatta salva comunque l'esecuzione delle attività richieste per il corretto e completo adempimento degli obblighi già assunti. In particolare, il Fornitore che ha richiesto la disabilitazione è tenuto a non presentare Offerte a seguito di RDO che eventualmente pervenissero dai Soggetti Aggiudicatori. Le Offerte che siano state eventualmente inviate dal Fornitore a seguito di RDO del Soggetto

Aggiudicatore prima della richiesta di disabilitazione ovvero gli Ordini Diretti ricevuti prima della disabilitazione, rimarranno comunque pienamente vincolanti.

3. Dal momento del ricevimento della richiesta di disabilitazione dal Mercato Elettronico, Consip provvederà a disabilitare il Fornitore dal Mercato Elettronico, eliminando i Cataloghi e assumendo tutti i necessari provvedimenti di carattere tecnico, entro il decimo giorno successivo al ricevimento della richiesta del Fornitore.

Articolo 42 – Contenuto ed Efficacia del Catalogo dei Prodotti e dei Servizi - Dichiarazioni e garanzie dei Fornitori Abilitati

1. Il Catalogo di Prodotti e/o Servizi pubblicato dal Fornitore deve contenere tutti gli elementi essenziali per la conclusione del Contratto ed ha l'efficacia di un'offerta al pubblico rivolta ai Soggetti Aggiudicatori, ai sensi dell'art. 1336 del codice civile. Tale offerta sarà valida ed efficace a partire dalla pubblicazione del Catalogo sul Sito e fino alla data successiva alla sua modifica o eliminazione, come definita da ciascun Capitolato d'Oneri di abilitazione. Resta fermo, pertanto, l'obbligo per il Fornitore abilitato al MEPA di applicare ai Soggetti Aggiudicatori che ne facciano richiesta attraverso l'invio dell'Ordine Diretto i prezzi e le condizioni presenti sul Catalogo fino alla data fissata da ciascun Capitolato d'Oneri di Abilitazione, successiva alla modifica o eliminazione del Catalogo dal Sito.
2. La validità e l'efficacia dell'offerta e degli ordini dei Soggetti Aggiudicatori sono subordinati al rispetto delle condizioni contenute nel Catalogo, tra cui, in particolare, il lotto minimo di Prodotti/Servizi che possono essere ordinati, l'Importo Minimo di Consegna, l'area di consegna e l'eventuale Disponibilità Minima Garantita di Prodotti/Servizi acquistabili sul Mercato Elettronico, come previsto dall'art. 49. In ogni caso il Fornitore non potrà sottoporre la validità o l'efficacia dell'offerta a vincoli o condizioni diverse da quelle espressamente previste dalle presenti Regole o dal Capitolato d'Oneri relativo al Prodotto/Servizio offerto a Catalogo. Gli eventuali allegati al Catalogo non potranno in ogni caso contenere disposizioni in contrasto con il contenuto del Catalogo e, in caso di discordanza, prevarrà il contenuto del Catalogo.
3. Il Fornitore si impegna a mantenere sempre aggiornato il Catalogo, in termini di Prodotti/Servizi e dei relativi prezzi offerti, avendo cura, tra l'altro, che i Prodotti e i Servizi offerti a Catalogo siano effettivamente disponibili. Il Fornitore abilitato è il solo ed esclusivo responsabile del contenuto del Catalogo e si impegna a fornire una descrizione veritiera, corretta e non ingannevole dei Prodotti e dei Servizi ivi inseriti. Il Soggetto Aggiudicatore ed il Fornitore riconoscono ed accettano che Consip ed il Gestore del Sistema si limitano a pubblicare il Catalogo, le relative

descrizioni e le informazioni fornite dal Fornitore (inclusi eventuali allegati, materiale illustrativo e immagini) senza effettuare di regola preventive verifiche di conformità del Catalogo ai Documenti dello Strumento di Acquisto/Negoziazione, né di correttezza, completezza o veridicità, sostanziale o formale, e, pertanto, esonerano Consip ed il Gestore del Sistema da qualunque responsabilità al riguardo.

4. Come previsto dall'art. 18, comma 3 delle presenti Regole, Consip potrà effettuare in qualsiasi momento controlli e verifiche dei Cataloghi, anche in via automatica, inclusa la conformità del contenuto dei Cataloghi ai Documenti dello Strumento di Acquisto/Negoziazione ad esso applicabili, e adottare tutti i provvedimenti che si renderanno di volta in volta opportuni. Tali provvedimenti potranno consistere anche nell'eliminazione di informazioni e di contenuti dei Cataloghi e nell'immediata sospensione o cancellazione dei Prodotti e dei Servizi presenti nei Cataloghi. Consip darà, ove possibile, apposita comunicazione al Fornitore degli interventi effettuati nei Cataloghi. Consip, tra l'altro, si riserva di disporre la cancellazione, anche in via automatica, dai Cataloghi di Prodotti/Servizi che non siano stati oggetto di Procedure di Acquisto ovvero che non siano stati aggiornati nei termini eventualmente previsti, dandone, ove possibile, apposita comunicazione al Fornitore. Si rammenta, altresì, che il MEF e/o Consip si riservano, inoltre, la facoltà di vigilare sui prezzi dei Prodotti/Servizi offerti a Catalogo, sull'andamento e sulle dinamiche del mercato, adottando ogni eventuale provvedimento di loro competenza che si rendesse opportuno per assicurare, tra l'altro, il pieno ed effettivo rispetto della normativa vigente.
5. Il Fornitore garantisce di essere unico ed esclusivo proprietario dei Prodotti inseriti a Catalogo e, comunque, di poterne liberamente disporre nel pieno rispetto di qualsiasi diritto o legittima pretesa di terzi.
6. Il Fornitore si impegna a non inserire nel Catalogo Prodotti o Servizi di cui sia vietata la vendita o la prestazione, o comunque di provenienza illecita, contrari all'ordine pubblico o al buon costume, contraffatti o comunque in contrasto con le norme nazionali o internazionali a tutela della proprietà industriale ed intellettuale e, in generale, con l'ordinamento.
7. Il Soggetto Aggiudicatore ed il Fornitore riconoscono che Consip ed il Gestore del Sistema non possono in alcun modo verificare né tantomeno garantire la conformità dei Prodotti e dei Servizi offerti a Catalogo con quelli che verranno effettivamente consegnati o effettuati dai Fornitori ai Soggetti Aggiudicatori, e pertanto non assumono alcuna responsabilità, né forniscono alcuna garanzia sui Prodotti, sui Servizi, sulla loro conformità alla normativa applicabile e sul buon esito delle transazioni concluse nel Mercato Elettronico tra i Fornitori e i Soggetti Aggiudicatori.

Articolo 43 – Formazione e pubblicazione del Catalogo

1. Il Catalogo è pubblicato seguendo le istruzioni indicate nel Sito. Prima della pubblicazione, il Catalogo inviato dal Fornitore può essere sottoposto ad un'attività di verifica formale e al processo di adeguamento agli standard imposti dal Sistema (cd. "normalizzazione"). Il Fornitore riconosce ed accetta che, ai sensi di quanto previsto dall'art. 42 delle presenti Regole, le liste e i Cataloghi di Prodotti e Servizi e dei relativi attributi sono destinati ad essere pubblicati all'interno del Sito e, in generale, a essere messi a disposizione degli Utenti del Mercato Elettronico e di terzi in genere, quali dati e informazioni pubbliche ai sensi del D.Lgs. 24 gennaio 2006 n. 36 e del D.Lgs. 7 marzo 2005 n. 82.
2. Il MEF, la Consip ed il Gestore del Sistema si riservano il diritto di verificare in qualunque momento la correttezza, la completezza e la chiarezza delle informazioni relative alle caratteristiche dei Prodotti e dei Servizi inseriti nel Catalogo e di assumere gli eventuali provvedimenti che si rendessero opportuni.

Articolo 44 – Modifica e Integrazione del Catalogo

1. In qualsiasi momento il Fornitore abilitato al MEPA potrà eliminare un Prodotto/Servizio dal proprio Catalogo e/o modificare talune caratteristiche dei Prodotti/Servizi contenute nel Catalogo attraverso le apposite procedure previste sul Sito. Qualsiasi modifica dovrà comunque essere sottoscritta dal Fornitore con Firma Digitale. E' in ogni caso fatta salva la validità e l'efficacia dell'offerta contenuta nel Catalogo pubblicato sul Sito fino al termine fissato da ciascun Capitolato d'Oneri di Abilitazione successivo alla pubblicazione sul Sito della modifica dell'offerta, ai sensi di quanto previsto dall'articolo 42 delle presenti Regole.
2. Qualsiasi modifica effettuata sui Cataloghi sarà valida ed efficace nei confronti dei Soggetti Aggiudicatori a partire dal momento della sua pubblicazione sul Sito, fatta salva l'ulteriore validità ed efficacia dell'offerta precedentemente pubblicata fino al termine fissato da ciascun Capitolato d'Oneri di Abilitazione successivo alla pubblicazione sul Sito della sua modifica o eliminazione, ai sensi dell'articolo 42 delle presenti Regole.
3. Il Fornitore abilitato può effettuare in qualsiasi momento l'integrazione del proprio Catalogo con l'inserimento di nuovi Prodotti/Servizi inerenti il Capitolato d'Oneri e/o la Categoria per il quale è stato abilitato, attraverso le procedure di integrazione del Catalogo previste dal Sistema.

Articolo 45 - Eliminazione dei Cataloghi

1. Oltre a quanto previsto dall'articolo 42, Consip potrà procedere alla rettifica e all'eliminazione, permanente o temporanea, parziale o completa di uno o più Prodotti/Servizi contenuti nei Cataloghi del Mercato Elettronico, dandone eventualmente comunicazione motivata al Fornitore. Consip potrà esercitare tale facoltà nel caso in cui, ad esempio, in occasione di verifiche riscontri la mancata conformità di uno o più Prodotti/Servizi ai requisiti previsti dal Capitolato d'Oneri, anche così come successivamente modificato nel corso del tempo rispetto alla versione iniziale, e il Fornitore non abbia provveduto ad aggiornare il proprio Catalogo. Consip si riserva altresì di disporre la cancellazione automatica dai Cataloghi di Prodotti/Servizi che non siano stati oggetto di procedure di acquisto ovvero che non siano stati aggiornati nei dodici mesi precedenti, dandone, ove possibile, apposita comunicazione al Fornitore.
2. L'eliminazione dei Prodotti/Servizi e la disattivazione del Catalogo sarà efficace nei confronti dei Soggetti Aggiudicatori a decorrere dalla data dell'effettivo oscuramento del Catalogo dal Sito, fermi restando gli obblighi negoziali già assunti dal Fornitore abilitato.

Articolo 46 – Procedure di acquisto di Prodotti e Servizi nel Mercato Elettronico della Pubblica Amministrazione

1. In conformità a quanto disposto dagli artt. 3 e 36 del Codice dei Contratti Pubblici, i Soggetti Aggiudicatori abilitati al Mercato Elettronico, tramite i propri Punti Ordinanti, possono effettuare acquisti sotto soglia:
 - a) attraverso un confronto concorrenziale delle offerte pubblicate all'interno del mercato elettronico o delle offerte ricevute sulla base di una richiesta di offerta rivolta ai fornitori abilitati;
 - b) mediante affidamento diretto con acquisti a catalogo.
2. Il Mercato Elettronico della Pubblica Amministrazione mette a disposizione dei Soggetti Aggiudicatori gli strumenti di Ordine Diretto e Richiesta di Offerta per acquisti al di sotto della soglia di rilievo comunitario e concludere nell'ambito del Mercato Elettronico contratti con i Fornitori abilitati al MEPA.
3. L'utilizzo degli strumenti di Ordine Diretto e Richiesta di Offerta avviene sotto diretta ed esclusiva responsabilità e controllo del Punto Ordinate procedente e dei relativi Soggetti Aggiudicatori, che sono gli unici responsabili del rispetto delle procedure di scelta del contraente previste dalla legge in materia di appalti pubblici ad essi applicabili, tra cui, in particolare, il Codice dei Contratti Pubblici e, in generale, dei principi nazionali e comunitari in materia.

Allegato 8_Regole del Sistema di e-procurement della pubblica amministrazione

4. La scelta della procedura di acquisto applicabile al Soggetto Aggiudicatore procedente e il corretto svolgimento della medesima, così come la verifica dei requisiti e dei presupposti previsti dal Codice dei Contratti Pubblici in capo ai Soggetti Aggiudicatori per compiere gli acquisti sul Mercato Elettronico, sono di esclusiva competenza e responsabilità del Soggetto Aggiudicatore procedente, anche ai fini e per gli effetti della legge n. 241/1990 e s.m.
5. La partecipazione a ciascuna procedura di affidamento indetta nel Mercato Elettronico è disciplinata dal Soggetto Aggiudicatore responsabile della specifica procedura di acquisto, sulla base del Codice dei Contratti Pubblici. Pertanto, salvo diverse indicazioni del Soggetto Aggiudicatore procedente nella documentazione di gara, gli operatori economici abilitati al Mercato Elettronico potranno partecipare alle procedure di acquisto indette dai Soggetti Aggiudicatori anche in forma aggregata attraverso raggruppamenti temporanei di imprese, costituiti o costituendi, consorzi ordinari ovvero aggregazioni tra imprese aderenti al contratto di rete anche se non iscritte al registro delle imprese, nel rispetto della normativa vigente. Nell'ambito di ciascuna procedura di acquisto indetta dai Soggetti Aggiudicatori, sarà possibile ricorrere all'avvalimento, ai sensi dell'art. 89 del Codice dei Contratti, solamente nell'ipotesi in cui l'ausiliaria sia già ammessa al MePA.
6. Il Soggetto Aggiudicatore procedente, tramite il Punto Ordinante, è l'unico soggetto legittimato e tenuto ad accertare e verificare la legittimità e la compatibilità degli Strumenti di Acquisto/Negoziazione disponibili all'interno del Mercato Elettronico con le norme ad essa applicabili che disciplinano le procedure di acquisto.
7. Il Soggetto Aggiudicatore è l'unico ed esclusivo responsabile della verifica dei requisiti e dei presupposti previsti dal Codice dei Contratti Pubblici in capo ai Fornitori per la partecipazione alle procedure di acquisto del MEPA, dell'acquisizione della relativa documentazione, così come dei controlli e delle verifiche nei confronti del Fornitore aggiudicatario previste dalla normativa vigente. In particolare, è integralmente rimessa al Soggetto Aggiudicatore la valutazione in ordine alle situazioni di cui all'art. 80, comma 5, lett. a) e c), D.Lgs. 50/2016 s.m.i., dichiarate dal Fornitore in sede di compilazione della Domanda di Abilitazione. Resta fermo che il Soggetto aggiudicatore potrà utilizzare, sotto la propria esclusiva responsabilità, le informazioni e i documenti relativi al Fornitore eventualmente disponibili nel Sistema.
8. Consip si limita a mettere a disposizione il Sistema del Mercato Elettronico e non effettua alcun controllo o verifica, preventiva o successiva, circa la legittimità e lo svolgimento delle procedure di acquisto attuate dai Soggetti Aggiudicatori procedenti, ferma restando la facoltà di effettuare i controlli di cui all'art. 18

comma 3 delle Regole ed assumere gli eventuali provvedimenti che si rendessero opportuni all'esito dei medesimi.

Articolo 47 – Acquisto mediante Ordine Diretto

1. Considerato che i Cataloghi dei Fornitori abilitati al MEPA contengono offerte di Prodotti e Servizi impegnative e vincolanti nei confronti dei Soggetti Aggiudicatori, ai sensi e per gli effetti dell'articolo 48, delle presenti Regole, il Punto Ordinante che intende acquistare un Prodotto o un Servizio direttamente da Catalogo concludendo un Contratto con il Fornitore abilitato al MEPA, senza effettuare Richieste di Offerta, predispone ed invia al Fornitore un Ordine Diretto, compilando l'apposito modulo d'Ordine presente sul Sito e sottoscrivendolo con Firma Digitale.

Articolo 48 – Compilazione ed invio dell'Ordine Diretto

1. Il modulo d'Ordine dovrà essere debitamente compilato in tutti i campi espressamente indicati come "obbligatori", in conformità alle istruzioni contenute nel Sito e nel rispetto dei termini e delle condizioni stabilite dai Documenti del Mercato Elettronico. In ogni caso, il Punto Ordinante è tenuto a verificare la completezza dell'Ordine Diretto e la conformità del medesimo alle disposizioni in materia di acquisti ad esso applicabili, essendo il relativo Soggetto Aggiudicatore responsabile in via esclusiva del contenuto dell'Ordine e del processo di acquisto cui inerisce. Ai fini della sua validità ed efficacia il documento elettronico generato automaticamente dal Sistema dovrà essere sottoscritto con apposizione di Firma Digitale dal Punto Ordinante e caricato sul Sistema seguendo le istruzioni del Sito. A seguito della corretta ricezione dell'Ordine firmato digitalmente, il Sistema provvederà automaticamente a notificare al Fornitore una comunicazione con cui verrà dato conto della presenza dell'Ordine a Sistema.

Articolo 49 – Efficacia dell'Ordine Diretto e conclusione del Contratto

1. L'Ordine, correttamente compilato e firmato digitalmente, conformemente a quanto previsto dai Documenti del Mercato Elettronico, ha l'efficacia di accettazione dell'offerta contenuta nel Catalogo del Fornitore: pertanto, nel momento in cui tale Ordine viene caricato e registrato nel Sistema dal Soggetto Aggiudicatore, il Contratto di prestazione dei Prodotti o Servizi indicati nel Catalogo si intende perfezionato, fatto salvo il rispetto dei limiti e delle condizioni di cui ai Capitolati Tecnici ed al successivo comma 3.

2. Il Contratto concluso e composto dall'Ordine e dalla riga di Catalogo del Fornitore relativa al Prodotto/Servizio acquistato è disciplinato dalle Condizioni Generali di Contratto della categoria merceologica cui appartiene il Prodotto o il Servizio abilitato. Ad esso sarà applicabile la disciplina generale e speciale che regola la specifica materia degli acquisti da parte della Pubblica Amministrazione.
3. La validità e l'efficacia dell'offerta e degli ordini dei Punti Ordinanti sono subordinati al rispetto delle condizioni contenute nel Catalogo, tra cui, in particolare, il lotto minimo di Prodotti/Servizi che possono essere ordinati, l'Importo Minimo di Consegna, l'area di consegna, l'eventuale Disponibilità Minima Garantita di Prodotti/Servizi acquistabili sul Mercato Elettronico, come previsto al successivo comma 4, la non sussistenza di situazioni di inadempimento nei confronti del Fornitore cui è rivolto l'Ordine, ai sensi del successivo comma 5, nonché all'ipotesi di Ordine Diretto non eccedente le 100 righe.
4. Al ricorrere delle ipotesi di cui al precedente comma 3, l'Ordine Diretto è privo dell'efficacia di accettazione della proposta contrattuale contenuta nel Catalogo e non provoca pertanto la conclusione del Contratto, salvo il caso in cui il Fornitore intenda ugualmente dare corso all'Ordine: in tal caso, il Fornitore è tenuto a darne comunicazione al Punto Ordinate entro i due giorni solari successivi dal ricevimento dell'Ordine Diretto a mezzo di documento elettronico firmato digitalmente dal Fornitore e inviato a mezzo di Posta Elettronica Certificata al Punto Ordinate.
5. Nel caso in cui l'Ordine sia inviato dal Punto Ordinate di un Soggetto Aggiudicatore che sia inadempiente nei confronti del Fornitore relativamente ad obblighi di pagamento dovuti in forza di contratti precedentemente stipulati tra le medesime parti all'interno del Mercato Elettronico della Pubblica Amministrazione, il Fornitore ha la facoltà di respingere l'Ordine ricevuto entro il quarto giorno solare successivo al ricevimento dell'Ordine, dandone apposita comunicazione al Punto Ordinate. Tale comunicazione dovrà avvenire a mezzo di documento elettronico sottoscritto con Firma Digitale dal Fornitore e inviato al Punto Ordinate a mezzo di Posta Elettronica Certificata. In tal caso nessun contratto si considererà stipulato tra le Parti. Nel caso in cui, il Fornitore non provveda a tale comunicazione secondo i termini e le modalità sopra indicati, il contratto sarà da ritenere regolarmente concluso ed efficace tra le parti.
6. Nel caso in cui il Catalogo, conformemente a quanto previsto dal relativo Capitolato Tecnico, preveda una Disponibilità Minima Garantita di Prodotti/Servizi acquistabili nel Mercato Elettronico, e tale disponibilità sia stata superata, anche soltanto parzialmente, sulla base degli Ordini Diretti ricevuti dal Fornitore, entro il quarto giorno solare successivo al ricevimento dell'Ordine il Fornitore ha la facoltà

di comunicare al Punto Ordinante il superamento di tale disponibilità, privando in tal modo il Contratto di qualsiasi efficacia. Tale comunicazione dovrà avvenire a mezzo di documento elettronico sottoscritto con Firma Digitale dal Fornitore e inviato a mezzo di Posta Elettronica Certificata al Punto Ordinante. Nel caso in cui il superamento della Disponibilità Minima Garantita sia soltanto parziale rispetto all'Ordine inviato dal Punto Ordinante, quest'ultimo avrà la facoltà di inviare al Fornitore un nuovo Ordine Diretto entro i limiti di disponibilità residua del Prodotto o del Servizio, e sempre che nel frattempo tale disponibilità non sia stata esaurita da altri Soggetti Aggiudicatori. Nel caso in cui, nonostante il raggiungimento della Disponibilità Minima Garantita, il Fornitore intenda ugualmente dare corso all'Ordine, il Fornitore non invierà alcuna comunicazione al Punto Ordinante entro il termine previsto (quattro giorni solari successivi al ricevimento dell'Ordine) ed il Contratto sarà ritenuto regolarmente concluso ed efficace. Ai fini del calcolo della Disponibilità Minima Garantita, si terrà conto esclusivamente dei Prodotti/Servizi venduti dal Fornitore sulla base degli Ordini Diretti e non tramite RDO o altri canali al di fuori del Mercato Elettronico.

Articolo 50 – Acquisto tramite RDO

1. Il Punto Ordinante, che intende effettuare i propri approvvigionamenti attraverso una procedura che prevede l'acquisizione di una o più Offerte, potrà utilizzare le apposite procedure di Richiesta di Offerta - RDO previste dal Sistema, individuando e descrivendo i Prodotti/servizi/lavori di manutenzione oggetto della RDO e selezionando i Fornitori ai quali inviare la RDO. Il Punto Ordinante, ove ne sussistano i presupposti normativi, potrà ricorrere alla RDO verso un unico fornitore.
2. La richiesta di offerta avanzata dal Punto Ordinante nell'ambito del procedimento di RDO potrà avere quale oggetto principale esclusivamente Prodotti/servizi/lavori di manutenzione conformi alle eventuali caratteristiche minime stabilite nel Capitolato Tecnico di ciascun Capitolato d'Oneri. Al contratto che sarà eventualmente concluso tra Soggetto Aggiudicatore e Fornitore saranno pertanto applicabili, nei termini di cui al successivo articolo 53, le Condizioni Generali di contratto relative al Prodotto/servizio/lavoro di manutenzione oggetto della RDO.
3. Il Punto Ordinante ha inoltre la possibilità di indicare negli appositi documenti, da allegare e sottoscrivere con Firma Digitale, ulteriori elementi relativi alla singola RDO, quali specifiche Condizioni Particolari di Contratto e Condizioni Particolari di RDO.

4. A pena di invalidità della RDO medesima e delle relative Offerte, il Punto Ordinante è tenuto ad indicare, tenuto conto dei principi generali fissati dal Codice dei Contratti Pubblici, nell'apposito modulo di RDO un termine, congruo e sufficiente, entro il quale i Fornitori potranno inviare la loro Offerta nonché il termine entro il quale l'Offerta rimarrà valida, efficace ed irrevocabile ai sensi dell'articolo 49 delle Regole e potrà pertanto essere eventualmente accettata dal Soggetto Aggiudicatore.
5. Il Soggetto Aggiudicatore è l'unico ed esclusivo soggetto responsabile dell'andamento della procedura e dello svolgimento delle relative attività quali, ad esempio, eventuali proroghe dei termini previsti per l'invio delle offerte, accettazione di documentazione aggiuntiva o revoca dell'aggiudicazione, verifica dei requisiti e della documentazione al momento dell'aggiudicazione, anche qualora tali attività siano poste in essere dal Punto Istruttore. La procedura e le relative attività sono comunque sottoposte alla normativa in materia di acquisti della Pubblica Amministrazione e ai relativi regolamenti interni del Soggetto Aggiudicatore procedente e potranno avvenire soltanto entro i limiti e nel rispetto delle funzionalità del Sistema.

Articolo 51 – Risposta alla RDO

1. Il Fornitore che intende inviare un'Offerta a fronte del ricevimento della RDO specifica i termini della propria offerta avvalendosi della procedura prevista dal Sistema, sottoscrive a mezzo Firma Digitale i documenti richiesti e li carica sul Sistema entro il termine stabilito dal Punto Ordinante per l'invio delle Offerte e conformemente alle indicazioni contenute sul Sito. Tale documento costituirà una proposta contrattuale rivolta al Soggetto Aggiudicatore valida, efficace ed irrevocabile sino alla data indicata nella RDO, ai sensi dell'art. 1329 del codice civile. Tale Offerta non è sottoposta alle condizioni ed ai limiti del lotto minimo, dell'area di consegna e dell'eventuale Disponibilità Minima Garantita indicati a Catalogo. Con l'invio della propria Offerta il Fornitore accetta le Condizioni Particolari di Contratto eventualmente previste dal Soggetto Aggiudicatore.
2. L'Offerta di Prodotti o servizi o lavori di manutenzione non conformi alle eventuali caratteristiche minime stabilite nel Capitolato Tecnico di ciascun Capitolato d'Oneri costituisce violazione delle presenti Regole.
3. Ai sensi dell'art. 48, comma 7, del Codice dei Contratti Pubblici, nel caso in cui il Fornitore offerente sia un consorzio di cui all'art. 45, comma 2, lettere b) e c) del medesimo Codice, ovvero una aggregazione tra imprese aderenti al contratto di rete, il Fornitore deve indicare per quali imprese consorziate o retiste il consorzio o la rete di imprese concorrono.

4. Il Fornitore può rispondere alla RDO presentando un'offerta in qualità di mandatario di un raggruppamento temporaneo di imprese o di una aggregazione tra imprese aderenti ad un contratto di rete. In tal caso, tutti gli operatori per conto dei quali il Fornitore abilitato agisce devono essere a loro volta già abilitati al Mercato Elettronico della Pubblica Amministrazione al momento della presentazione dell'offerta da parte del Fornitore.

Articolo 52 – Chiusura della RDO e conclusione del Contratto

1. Il sistema informatico di negoziazione del Mercato Elettronico provvede a predisporre automaticamente una graduatoria delle Offerte ricevute sulla base dei criteri scelti dal Soggetto Aggiudicatore tra le opzioni proposte dal sistema stesso.
2. Nel caso di RDO avente ad oggetto più Prodotti e/o Servizi e/o Lavori di manutenzione, il Sistema fornirà un'unica graduatoria complessiva delle Offerte pervenute da ciascun Fornitore; l'accettazione del Soggetto Aggiudicatore dovrà avere ad oggetto l'intera Offerta del Fornitore prescelto. Nel caso di RDO divise in lotti il Sistema fornirà una graduatoria complessiva delle offerte per ciascuno dei lotti previsti. Sono previste accettazioni parziali per le sole RDO divise in lotti. In ogni caso, l'idoneità della graduatoria a determinare la scelta del Fornitore da parte del Soggetto Aggiudicatore dipende dai criteri scelti ed utilizzati dal Soggetto Aggiudicatore per la RDO e dalla loro congruità con riferimento alle disposizioni legislative e regolamentari ad essa applicabili in materia di acquisti. Spetta pertanto esclusivamente al Soggetto Aggiudicatore valutare di volta in volta i risultati contenuti nella graduatoria presentata dal Sistema e decidere se e a quale Fornitore aggiudicare il Contratto.
3. Sulla base delle Offerte contrattuali inviate dai Fornitori e delle eventuali ulteriori indicazioni allegate dal Fornitore ai sensi del precedente art. 51, nonché delle disposizioni legislative e regolamentari che disciplinano la materia degli acquisti della Pubblica Amministrazione e dei regolamenti interni applicabili al Soggetto Aggiudicatore procedente, il Soggetto Aggiudicatore, secondo i criteri di valutazione indicati nella RDO, procederà alla valutazione delle Offerte ricevute e potrà, quindi, alternativamente:
 - a) accettare una delle Offerte entro il termine di validità ed irrevocabilità dell'Offerta stabilito in occasione dell'invio della RDO. In tal caso il Sistema genera un "Documento di Stipula", che costituisce il Contratto e che dovrà essere sottoscritto a mezzo di Firma Digitale e caricato a Sistema entro il suddetto termine.
 - b) non accettare alcuna delle Offerte ricevute facendo decorrere il termine di validità ed irrevocabilità dell'Offerta stabilito in occasione dell'invio della

RDO ed, eventualmente, attivare una nuova procedura di RDO secondo le modalità indicate nei precedenti articoli.

4. Il Soggetto Aggiudicatore è tenuto a verificare la conformità dell'Offerta inviata dal Fornitore rispetto a quanto richiesto nella RDO.

Articolo 53 – La conclusione del Contratto

1. Vista la peculiarità del MEPA quale strumento interamente telematico, il “Documento di Stipula” assumerà la forma di documento informatico sottoscritto con Firma Digitale dal Soggetto Aggiudicatore. Ferma la necessità di provvedere all'invio del predetto documento ai fini del completamento della transazione elettronica, ogni Soggetto Aggiudicatore potrà adottare ulteriori forme di stipula del Contratto tra quelle previste e disciplinate dall'art. 32, comma 14, del Codice dei Contratti e provvedere contestualmente ad integrare l'apposita sezione del sistema denominata “Dati e Documenti di Stipula”.
2. Il Soggetto Aggiudicatore, quale stazione appaltante, procede nei confronti dell'affidatario alle verifiche previste dal Codice dei Contratti Pubblici, nonché agli eventuali adempimenti stabiliti nelle Condizioni Particolari di RDO, fermo restando che potrà utilizzare, sotto la propria esclusiva responsabilità, la documentazione relativa al Fornitore eventualmente disponibile a tale scopo nel Sistema.
3. Il Soggetto Aggiudicatore è tenuto ad assicurare, tra l'altro, il rispetto delle norme sull'imposta di bollo e degli adempimenti pubblicitari, documentali, tributari e fiscali, nonché, in generale, degli adempimenti richiesti dalle norme applicabili al procedimento posto in essere e al relativo Contratto stipulato.
4. Il Contratto concluso e composto dalla Offerta del Fornitore e dal Documento di Accettazione del Soggetto Aggiudicatore è disciplinato dalle Condizioni Generali relative alla prestazione (Prodotto, servizio o lavoro di manutenzione) oggetto del Contratto e dalle Condizioni Particolari eventualmente indicate dal Soggetto Aggiudicatore nell'apposito documento allegato alla RDO ai sensi dell'articolo 42 delle Regole; inoltre ad esso sarà applicabile la disciplina generale e speciale che regola gli acquisti della Pubblica Amministrazione. Il Soggetto Aggiudicatore è l'unico ed esclusivo responsabile dei controlli e delle verifiche nei confronti del Fornitore aggiudicatario previste dalla normativa vigente, e dell'acquisizione della relativa documentazione, fermo restando che potrà utilizzare, sotto la propria esclusiva responsabilità, le informazioni e i documenti relativi al Fornitore eventualmente disponibili nel Sistema.

Articolo 54 - Informazioni sull'esecuzione del Contratto

1. Il Soggetto Aggiudicatore ed il Fornitore si impegnano a fornire a Consip/MEF le informazioni relative alla fase di esecuzione dei Contratti che verranno richieste dal Sistema, anche attraverso l'apposita sezione presente sul Sito. Resta inteso che i dati così forniti avranno valore meramente informativo nei confronti di Consip/MEF e non avranno alcuna efficacia giuridica tra le parti del Contratto, che sono pertanto tenute al compimento di tutte le attività osservando i modi e le formalità prescritti dalle leggi applicabili.
2. Resta ferma la facoltà di Consip di effettuare i controlli di cui all'art. 18, comma 3, delle Regole, in relazione all'esecuzione del Contratto da parte del Fornitore, e di assumere gli eventuali provvedimenti che si rendessero opportuni.

Articolo 55 – Violazione delle Regole e dei Documenti del Mercato Elettronico

1. Nell'ambito dei poteri spettanti a Consip per la gestione del Mercato Elettronico, questa vigila sul rispetto delle presenti Regole e di quanto previsto dai Documenti del Mercato Elettronico da parte degli Utenti, provvedendo all'accertamento delle relative violazioni.
2. In caso di violazione delle presenti Regole o dei Documenti del Mercato Elettronico da parte del Fornitore, Consip invia a quest'ultimo una comunicazione scritta con la quale si evidenziano gli elementi che sostanziano la violazione contestata al Fornitore. Entro quindici giorni solari successivi dall'invio della contestazione, il Fornitore può inviare a Consip le proprie deduzioni scritte in merito alla violazione contestata. Nel caso si rivelino necessari ulteriori approfondimenti, Consip procederà ad acquisire i relativi chiarimenti e tutti gli elementi necessari per la verifica della violazione contestata. Consip provvederà a comunicare al Fornitore la propria motivata decisione in merito alla violazione contestata e gli eventuali relativi provvedimenti nei suoi confronti entro i sessanta giorni solari successivi all'invio della comunicazione di contestazione al Fornitore, fatta salva la possibilità per Consip di prorogare detto termine nel caso in cui si renda necessaria l'acquisizione di ulteriori elementi ai fini della decisione in merito al provvedimento da adottare.
3. A titolo esemplificativo e non esaustivo, costituiscono violazione delle presenti Regole e, come tali, saranno oggetto di accertamento da parte di Consip ai sensi del comma 2 del presente articolo:
 - l'invio non autorizzato ai Soggetti Aggiudicatori di comunicazioni commerciali, promozionali, pubblicitarie o di sollecitazioni all'acquisto, in qualunque forma esso avvenga;

- l'inadempimento da parte del Fornitore di un contratto stipulato all'interno del Mercato Elettronico della Pubblica Amministrazione;
 - la replica di righe di catalogo con Prodotti/Servizi sostanzialmente identici.
4. Le eventuali segnalazioni da parte dei Soggetti Aggiudicatori relative alle violazioni delle Regole, di cui all'art. 27, comma 2, dovranno essere inviate a Consip per mezzo di documento elettronico sottoscritto con Firma Digitale, secondo le modalità indicate nel Sito.
 5. L'accertamento di una o più violazioni delle Regole da parte del Fornitore nel corso degli ultimi 24 mesi potrà comportare la segnalazione in un'apposita sezione visibile agli Utenti del MEPA in applicazione del sistema reputazionale, ove previsto e reso disponibile come funzionalità all'interno del Mercato Elettronico, la Sospensione dell'abilitazione fino a 12 mesi, ai sensi dell'art. 39 e/o l'applicazione di apposite penali e il risarcimento degli eventuali ulteriori danni subiti da Consip e/o da terzi ai sensi degli artt. 18 e 27 delle Regole.
 6. E' fatta comunque salva la possibilità per Consip di valutare che anche una singola violazione delle Regole, inclusa una delle violazioni esemplificativamente indicate al comma 3, costituisca, in considerazione della sua gravità, di per sé fatto illecito – e come tale produttivo di penali e danni risarcibili – e/o autonoma causa di Sospensione, Annullamento, Revoca o Diniego dell'Abilitazione, anche prescindendo dall'accertamento di cui al comma 2.
 7. In caso di violazione delle Regole, degli altri Documenti del Mercato Elettronico e, in generale, di tutto quanto portato a conoscenza degli Utenti del Sistema tramite la pubblicazione nel Sito e/o l'invio di comunicazioni, in caso di mancata osservanza dei generali principi di buona fede e correttezza, nonché di gravi o reiterati inadempimenti ai Contratti stipulati nell'ambito del Mercato Elettronico, Consip si riserva il diritto di richiedere il risarcimento dei danni eventualmente provocati, oltre all'adozione dei provvedimenti di segnalazione, Sospensione, Annullamento e Revoca ed alle eventuali conseguenze relative all'Abilitazione o alla Registrazione al Mercato Elettronico.

1) Domanda

In riferimento al disciplinare di gara Par. 6 Offerta Economica per Lotto 2 , si richiede di indicare se il valore di sconto , da applicare al listino Microsoft (compreso tra zero e uno) è da considerarsi in forma assoluta o in percentuale . Per esempio : volendo indicare il 10 per cento di sconto è giusto scrivere nell'offerta economica il valore 0,10 ?

Risposta

Si conferma che lo sconto è da indicare in forma assoluta, così come indicato nel Disciplinare di gara ai capitoli 6 e 7 ("sconto compreso tra 0 e 1"). Pertanto l'esempio rappresentato è corretto.

2) Domanda

Si chiede cortesemente di precisare se il documento DGUE va compilato separatamente per ogni lotto o vale un unico documento?

Risposta

Come previsto al paragrafo 5.4 del Disciplinare di gara : *"In caso di partecipazione a più Lotti: il concorrente dovrà produrre un solo DGUE ed un solo documento di partecipazione"*. In caso di RTI o consorzi ordinari si veda quanto previsto al medesimo paragrafo del Disciplinare di gara.

3) Domanda

La scrivente ha interesse a partecipare a uno o più lotti del presente Bando e , pertanto vi chiediamo conferma se, come indicato nel Bando al punto III.1.2) dobbiamo dichiarare il fatturato annuo medio suddiviso per Brand es: Lotto 1 Oracle dobbiamo citare soltanto le forniture di licenze , manutenzione e servizi del Brand Oracle? O vale il fatturato complessivo ?

Risposta

Con riferimento al requisito di partecipazione di cui al punto III.1.2) "Capacità economica e finanziaria", del Bando di Gara, laddove si fa riferimento, per i lotti 1, 2 e 4, al fatturato specifico annuo medio per la fornitura di licenze software, tale fatturato **non** deve intendersi legato ad uno specifico brand. Anche laddove si fa riferimento, per il lotto 3, al fatturato specifico anno medio per la fornitura di licenze software e/o per la manutenzione software, tale fatturato **non** deve intendersi legato ad uno specifico brand.

4) Domanda

Ho letto la documentazione ma non mi è chiara una cosa. A quanto ammontano le garanzie provvisoria o definitiva?

Risposta

L'importo della garanzia provvisoria per ciascun Lotto è espressamente indicato al paragrafo 5.7 del Disciplinare di gara. Tale importo potrà essere ridotto, ricorrendone i presupposti, secondo i criteri di calcolo rappresentati al paragrafo 5.7.1 del Disciplinare di gara.

L'importo della garanzia definitiva, come previsto al paragrafo 10.1 del Disciplinare di gara, è pari al 5% del valore globale massimo di ciascun Lotto. Tale importo sarà incrementato in base all'offerta presentata in gara con le modalità di calcolo indicate al medesimo paragrafo del Disciplinare di gara. Trovano altresì applicazione le regole per la riduzione sopra richiamate per la garanzia provvisoria.

Classificazione documento: Consip Public

5) Domanda

Relativamente alla pagina di inserimento della documentazione richiesta per tutti i Lotti, per partecipare alla gara ed in particolare alla sezione relativa al punto "Comprova imposta di bollo", essendo tale atto esclusivo della fase di stipula contratto, si chiede se lo si possa sostituire con apposita dichiarazione sostitutiva.

Risposta

Non si conferma. Come previsto al capitolo 6 del Disciplinare di Gara, la documentazione che costituisce l'offerta economica per ogni lotto dovrà essere presentata nel rispetto di quanto stabilito dal DPR 642/1972 in ordine all'assolvimento dell'imposta di bollo e il pagamento della suddetta imposta, del valore di Euro 16,00, dovrà avvenire mediante l'utilizzo del modello F23.

6) Domanda

Con riferimento alla capacità economico-finanziaria richiesta al punto III.1.2) del Bando di gara si chiede di specificare se il Fatturato specifico annuo medio richiesto deve essere relativo a forniture di licenze software dello stesso Brand del Lotto a cui partecipa il concorrente.

Risposta

Si veda la risposta alla domanda n.3).

7) Domanda

Documento: Bando, Punto III.1.2) Capacità economica e finanziaria: Pag. 3-4

Testo: "Elenco e breve descrizione dei criteri di selezione:

Si chiede di confermare che ciascun fatturato specifico annuo medio richiesto, relativo al singolo Lotto, sia da considerarsi "per la fornitura di licenze SW" dello specifico Brand relativo allo stesso Lotto.

Risposta

Documento: Disciplinare, Paragrafo 4.3 Forma di partecipazione Pagg. 14-15

Testo: " ...Conformemente alle segnalazioni dell'Autorità Garante della Concorrenza e del Mercato AS251 del 30/01/2003 e S536 del 18/01/2005, e in ragione della ratio riconosciuta all'istituto del RTI e del Consorzio ordinario, da individuarsi nell'ampliamento del novero dei partecipanti alla gara, non è ammessa la partecipazione in RTI o Consorzi ordinari di due o più imprese che – anche avvalendosi di società terze nelle modalità riportate al successivo paragrafo 5.5 – siano in grado di soddisfare singolarmente i requisiti economici di partecipazione al singolo lotto o, nel caso di partecipazione del RTI o Consorzio ordinario a più lotti, i requisiti economici di partecipazione richiesti per tali lotti sulla base delle regole definite al successivo paragrafo 5.4, pena l'esclusione dalla gara del RTI o Consorzio ordinario così composto. In considerazione della circostanza che i divieti sopra citati, relativi alla partecipazione in RTI o in consorzio tra imprese in grado di soddisfare singolarmente i requisiti economici di partecipazione hanno tutti finalità pro-competitiva, tali divieti non operano tra imprese controllate ai sensi dell'articolo 2359 del codice civile, e comunque tra imprese che rappresentano, ai fini della partecipazione alla gara, un unico centro decisionale.

La partecipazione alla gara dei c.d. R.T.I./Consorzi sovrabbondanti sarà oggetto di apposita valutazione da parte di Consip S.p.A. nei termini e modalità previsti nel Parere S3073 del 2017."

Si chiede di confermare che un Fornitore che non disponga singolarmente dei requisiti economici minimi per la partecipazione ad uno o più Lotti possa unirsi in RTI con altro/i Fornitori aventi singolarmente i requisiti per la partecipazione ad uno o più Lotti, senza che il RTI possa essere considerato "sovrabbondante" e pertanto a rischio esclusione.

In tal caso si chiede inoltre di confermare che in presenza di RTI composto da un Fornitore avente singolarmente i requisiti per partecipare ai primi Lotti e da un'altra Impresa a completamento dei requisiti per la partecipazione

Classificazione documento: Consip Public

all'ultimo Lotto, lo stesso RTI, partecipando a tutti e 4 i Lotti, non venga considerato "sovrabbondante" e pertanto a rischio esclusione.

Risposta

Con riferimento ad entrambi i quesiti posti, si precisa che:

- qualora un RTI partecipi ad un unico lotto, lo stesso non sarà considerato sovrabbondante: i) se nessuna impresa del RTI possiede singolarmente il requisito di partecipazione richiesto per quel lotto; ii) oppure se un'unica impresa del RTI possiede singolarmente il requisito di partecipazione richiesto per quel lotto e le altre imprese del RTI, ciascuna singolarmente, non posseggono tale requisito;
- qualora un RTI partecipi a più lotti, lo stesso non sarà considerato sovrabbondante: i) se nessuna impresa del RTI possiede singolarmente la somma dei requisiti di partecipazione richiesti per tutti i lotti cui partecipa, sulla base delle regole definite al paragrafo 5.4 del Disciplinare di Gara; ii) oppure se un'unica impresa del RTI possiede singolarmente la somma dei requisiti di partecipazione richiesti per tutti i lotti a cui partecipa sulla base delle regole definite al paragrafo 5.4 del Disciplinare di Gara, e le altre imprese del RTI, ciascuna singolarmente, non posseggono tale somma.

In tutti gli altri casi, come previsto al paragrafo 4.3 del Disciplinare di gara, *"La partecipazione alla gara dei c.d. R.T.I./Consorzi sovrabbondanti sarà oggetto di apposita valutazione da parte di Consip S.p.A. nei termini e modalità previsti nel Parere S3073 del 2017"*.

Si veda in ogni caso la risposta alla domanda n. 3).

Documento: Capitolato tecnico, Paragrafo 4.3 Rinnovo della manutenzione Software (Lotto 3) Pag. 10

Testo: "...Il rinnovo di manutenzione delle licenze IBM Passport già in uso sarà acquistato mediante emissione dell'ordinativo di fornitura entro 30 (trenta) giorni prima della scadenza del precedente contratto di manutenzione..."

Si chiede di confermare che, nel caso in cui l'Amministrazione non emetta l'ordinativo entro i 30 giorni prima della scadenza del precedente contratto di manutenzione, ma comunque prima della data di scadenza del precedente contratto di manutenzione, la decorrenza del nuovo periodo di manutenzione sia coincidente con la data immediatamente successiva alla scadenza del contratto di manutenzione precedente e non dalla data di accettazione dell'Amministrazione (post verifica di conformità) che, a causa dei tempi necessari per l'evasione dell'ordinativo come da processo, potrebbe risultare successiva.

Risposta

Come previsto al paragrafo 4.3 del Capitolato Tecnico *"L'Amministrazione usufruirà della manutenzione SW per un periodo di 12 (dodici) mesi decorrenti dalla data di avvio del rinnovo della manutenzione (che coinciderà con la scadenza della precedente manutenzione)"*.

Documento: Capitolato tecnico, Paragrafo 7.1 Verifica di conformità delle licenze, prodotti e sottoscrizioni (Lotti 1, 2, 3 solo con riferimento alle licenze d'uso, e 4) Pag. 22

Testo: "L'Amministrazione procederà alla verifica di conformità delle licenze, dei prodotti e delle sottoscrizioni. Tale verifica dovrà essere effettuata non appena l'Amministrazione abbia ricevuto l'e-mail di consegna e comunque entro e non oltre 5 giorni solari dalla Data di Consegna e riguarderà la corrispondenza della fornitura disponibile rispetto a quanto ordinato. In particolare la verifica di conformità delle licenze, dei prodotti e delle sottoscrizioni riguarderà:

- a) l'effettiva disponibilità di quanto indicato dal Fornitore nella propria e-mail;
- b) la corrispondenza del software/prodotto/sottoscrizione rispetto a quanto ordinato, ivi compresa la disponibilità degli elementi inclusi nella fornitura (per esempio nell'ambito dei prodotti SA OLP NL Gov e LicSAPk OLP NL Gov).

Nel caso di esito positivo della verifica di conformità della fornitura, l'Amministrazione contraente provvederà a redigere apposito verbale, la cui data verrà considerata quale data di accettazione della fornitura.

Si chiede di confermare che:

- a) non essendo previsto un modello di verbale predefinito possa essere esaustiva una risposta della singola Amministrazione alla mail di consegna del Fornitore con la dicitura "Verifica di conformità effettuata con esito positivo"

Classificazione documento: Consip Public

b) essendo previsto l'obbligo per l'Amministrazione di effettuare tale verifica di conformità "comunque entro e non oltre 5 giorni solari dalla Data di Consegna", trascorso tale periodo senza un riscontro negativo da parte dell'Amministrazione, il Fornitore possa procedere con la fatturazione dei relativi corrispettivi; in caso contrario si chiede di chiarire come il Fornitore possa procedere nei confronti dell'Amministrazione che, trascorsi i 5 gg. previsti per la verifica di conformità, non abbia ottemperato a tale obbligo.

Risposta

Relativamente alla domanda a) si precisa che il verbale di verifica di conformità potrà assumere la forma che ciascuna Amministrazione riterrà più idonea, fermo restando il rispetto di quanto stabilito dagli artt. 101 e 102 del D. Lgs. n. 50/2016 e s.m.i., nonché di quanto previsto nelle Linee Guida dell'ANAC.

Relativamente alla domanda b), non si conferma. Come previsto negli Schemi di Convenzione relativi a ciascun lotto, nell'articolo relativo ai corrispettivi, sarà possibile emettere fattura a decorrere dalla Data di accettazione. Resta fermo quanto previsto dal D.Lgs. 231/2002 in merito alla durata massima della verifica sul prodotto consegnato.

PREMESSA

L'art. 1, comma 17 della L. 6 novembre 2012, n. 190 ("Disposizioni per la prevenzione e la repressione della corruzione e dell'illegalità nella pubblica amministrazione") dispone che *"le stazioni appaltanti possono prevedere negli avvisi, bandi di gara o lettere di invito che il mancato rispetto delle clausole contenute nei protocolli di legalità o nei patti di integrità costituisce causa di esclusione dalla gara"*.

Il Piano Nazionale Anticorruzione, approvato con delibera n. 72/2013, dall'Autorità Nazionale Anticorruzione, prevede che le pubbliche amministrazioni e le stazioni appaltanti, in attuazione del citato art. 1, comma 17 della L. 190/2012, predispongono e utilizzano protocolli di legalità o patti di integrità per l'affidamento di appalti pubblici. A tal fine, i predetti soggetti inseriscono negli avvisi, nei bandi di gara e nelle lettere di invito la clausola di salvaguardia che il mancato rispetto del protocollo di legalità o del patto di integrità dà luogo all'esclusione dalla gara e alla risoluzione del contratto.

In attuazione di quanto sopra,

SI CONVIENE QUANTO SEGUE

ART. 1 OGGETTO

Il presente patto di integrità (di seguito, il **"Patto di Integrità"**) stabilisce la reciproca e formale obbligazione - tra la Consip S.p.A. a socio unico in qualità di stazione appaltante (di seguito, anche **"Consip"**), e i soggetti legittimati, sulla base della normativa vigente, ad utilizzare la Convenzione Consip oggetto del presente affidamento (di seguito, anche le **"Amministrazioni"** o la **"singola Amministrazione contraente"**) e l'operatore economico che all'esito della procedura di selezione è risultato aggiudicatario della procedura relativa alla stipula della Convenzione per l'affidamento della fornitura Multibrand di licenze SW, sottoscrizioni, rinnovo della manutenzione e dei servizi connessi per le Pubbliche Amministrazioni (di seguito, anche il **"Fornitore"**) - a conformare i propri comportamenti ai principi di lealtà, trasparenza e correttezza, impegnandosi espressamente a contrastare fenomeni di corruzione e illegalità e comunque a non compiere alcun atto volto a distorcere o influenzare indebitamente il corretto svolgimento dell'esecuzione della Convenzione e dei singoli Contratti di Fornitura successivamente affidati.

Il Fornitore, la Consip e le Amministrazioni si impegnano a rispettare, e a far rispettare al rispettivo personale e ai collaboratori, il presente Patto di Integrità, il cui spirito e contenuto condividono pienamente.

ART. 2 AMBITO DI APPLICAZIONE

Il presente Patto di Integrità regola i comportamenti dei dipendenti e collaboratori di Consip, delle Amministrazioni e del Fornitore nell'ambito dell'esecuzione della Convenzione e dei singoli Contratti di Fornitura successivamente affidati.

Il Patto di Integrità costituisce parte integrante e sostanziale della Convenzione e dei singoli Contratti di Fornitura successivamente affidati.

ART. 3 OBBLIGHI DEL FORNITORE

Il Fornitore, in forza del presente Patto di Integrità, dichiara di:

- a) non aver concluso con altri operatori economici alcun tipo di accordo volto ad alterare o limitare la concorrenza, ovvero a determinare un unico centro decisionale ai fini della partecipazione alla procedura di gara e della formulazione dell'offerta, risultata poi essere la migliore;
- b) non avere influenzato il procedimento amministrativo diretto a stabilire il contenuto del bando o di altro atto equipollente al fine di condizionare le modalità di scelta del contraente e di non aver corrisposto né promesso di corrispondere ad alcuno e s'impegna a non corrispondere né promettere di corrispondere ad alcuno – direttamente o tramite terzi, ivi compresi i soggetti collegati o controllati - somme di denaro o altra utilità

finalizzate a facilitare l'affidamento e l'esecuzione della Convenzione e dei singoli Contratti di Fornitura successivamente affidati;

- c) astenersi dal compiere qualsiasi tentativo di turbativa, irregolarità o, comunque, violazione delle regole della concorrenza ovvero a segnalare tempestivamente a Consip, alla Pubblica Autorità e alla singola Amministrazione contraente qualsiasi tentativo di turbativa, irregolarità e violazioni delle regole di concorrenza di cui dovesse venire a conoscenza durante la fase di esecuzione della Convenzione e dei singoli Contratti di Fornitura successivamente affidati, fornendo elementi dimostrabili a sostegno delle suddette segnalazioni;
- d) segnalare a Consip e alla singola Amministrazione contraente, nonché alla Pubblica Autorità competente e alla Prefettura, qualunque tentativo di concussione e qualsiasi illecita richiesta o pretesa da parte dei dipendenti di Consip e/o della singola Amministrazione contraente o di chiunque possa influenzare le decisioni relative all'esecuzione della Convenzione e dei singoli Contratti di Fornitura successivamente affidati.

Il Fornitore avrà l'onere di pretendere il rispetto dei predetti obblighi anche dai propri subcontraenti. A tal fine, la clausola che prevede il rispetto degli obblighi di cui al presente Patto di Integrità dovrà essere inserita nei contratti stipulati dal Fornitore con i propri subcontraenti.

Il Fornitore prende atto e accetta che la violazione, comunque accertata da Consip e/o dalle Amministrazioni, di uno o più impegni assunti con il presente Patto di Integrità comporta l'applicazione delle sanzioni di cui al successivo art. 5.

ART. 4 OBBLIGHI DI CONSIP E DELLE AMMINISTRAZIONI

Nel rispetto del presente Patto di Integrità, Consip e le Amministrazioni, si impegnano, per quanto di rispettiva competenza, a rispettare i principi di lealtà, trasparenza e correttezza di cui alla L. n. 190/2012, nonché, nel caso in cui venga riscontrata una violazione di detti principi o di prescrizioni analoghe, a valutare l'eventuale attivazione di procedimenti disciplinari nei confronti del rispettivo personale a vario titolo intervenuto nella procedura di affidamento e nell'esecuzione della Convenzione e dei singoli Contratti di Fornitura successivamente affidati, secondo quanto previsto dai rispettivi piani di prevenzione della corruzione.

ART. 5 SANZIONI

Il Fornitore prende atto ed accetta che la violazione degli obblighi assunti con il presente Patto di Integrità, nonché la non veridicità delle dichiarazioni rese, comunque accertati da Consip e/o dalle Amministrazioni, può comportare l'applicazione di una o più delle seguenti sanzioni, anche in via cumulativa tra loro:

- A risoluzione ex art. 1456 c.c. della Convenzione, nonché incameramento della cauzione definitiva e risarcimento dell'eventuale danno ulteriore, nel caso in cui la violazione degli impegni di cui al precedente art. 3 sia accertata in relazione agli obblighi contrattuali assunti dal Fornitore nei confronti di Consip in forza della Convenzione.

La risoluzione potrà essere altresì esercitata ai sensi dell'art. 1456 c.c. (i) ogni qualvolta nei confronti del Fornitore, dei suoi dirigenti e/o dei componenti della compagine sociale, sia stata disposta misura cautelare o sia intervenuto rinvio a giudizio per taluno dei delitti di cui agli artt. 317, 318, 319, 319bis, 319ter, 319quater, 320, 322, 322bis, 346bis, 353, 353bis, c.p. nonché (ii) nel caso in cui, violato l'obbligo di segnalazione di cui all'art. 3, lett. d) che precede, sia stata disposta nei confronti dei pubblici amministratori che hanno esercitato funzioni relative alla stipula ed esecuzione del contratto, misura cautelare o sia intervenuto rinvio a giudizio per il delitto previsto dall'art. 317 del c.p.. In tal caso troverà comunque applicazione quanto previsto dall'art. 32 del D.L. 90/2014 convertito nella legge n. 114/2014.

Resta fermo che dell'intervenuta risoluzione della Convenzione Consip potrà tenere conto ai fini delle valutazioni di cui all'articolo 80, comma 5, lett. c), del D.Lgs. 50/2016;

B risoluzione ex art. 1456 c.c. del singolo Contratto di Fornitura, nel caso in cui la violazione degli impegni di cui al precedente art. 3 sia accertata in relazione agli obblighi contrattuali assunti dal Fornitore nei confronti della singola Amministrazione contraente nell'ambito del Contratto di Fornitura. La risoluzione potrà essere altresì esercitata ai sensi dell'art. 1456 c.c. (i) ogni qualvolta nei confronti del Fornitore, dei suoi dirigenti e/o dei componenti della compagine sociale, sia stata disposta misura cautelare o sia intervenuto rinvio a giudizio per taluno dei delitti di cui agli artt. 317, 318, 319, 319bis, 319ter, 319quater, 320, 322, 322bis, 346bis, 353, 353bis, c.p., nonché (ii) nel caso in cui, violato l'obbligo di segnalazione di cui all'art. 3, lett. d) che precede, sia stata disposta nei confronti dei pubblici amministratori che hanno esercitato funzioni relative alla stipula ed esecuzione del contratto, misura cautelare o sia intervenuto rinvio a giudizio per il delitto previsto dall'art. 317 del c.p.. In tal caso troverà comunque applicazione quanto previsto dall'art. 32 del D.L. 90/2014 convertito nella legge n. 114/2014.

La risoluzione del singolo Contratto di Fornitura comporterà altresì l'escussione della garanzia definitiva per un importo proporzionalmente corrispondente al valore del Contratto di Fornitura risolto e il risarcimento dell'eventuale danno ulteriore.

In caso di intervenuta risoluzione del Contratto di Fornitura su iniziativa della singola Amministrazione contraente, quest'ultima è tenuta a darne tempestiva notizia a Consip, motivandone le ragioni; Consip, a sua volta, ha la facoltà di procedere, ai sensi dell'art. 1456 c.c., alla risoluzione di diritto della Convenzione. Resta fermo che dell'intervenuta risoluzione del Contratto di Fornitura Consip potrà tenere conto ai fini delle valutazioni di cui all'articolo 80, comma 5, lett. c), del D.Lgs. 50/2016;

Il concorrente è consapevole che i dati forniti a Consip, in caso di aggiudicazione, saranno comunicati alle "Amministrazioni" per le finalità relative alla sottoscrizione ed all'esecuzione dei singoli contratti di fornitura e per i relativi adempimenti di legge.
