The Contract will not contain an arbitration clause.

In accordance with art. 31 of Italian Legislative Decree no. 50 of 18 April 2016, Ms Floriana Milisenda is appointed as the person responsible for the procedure.

Registration on the AVCPass System and use of the National Public Contracts Database (*Banca Dati Nazionale Contratti Pubblici*)

By virtue of the provisions of par. 13 of art. 216 of Italian Legislative Decree no. 50/2016, until the entry into force of the decree referred to in par. 2 of art. 81 of the aforementioned Italian Legislative Decree no. 50/2016, the contracting authorities and suppliers shall use the AVCPass database kept by the Italian National Anti-Corruption Authority (ANAC).

In view of the above, pending the entry into force of the aforementioned decree, the previous regulations are still applicable: the documentation proving possession of the general, technical/organisational and economic/financial requirements for participating in public calls for tenders must be acquired exclusively through the National Public Works Database (*Banca Dati Nazionale Contratti Pubblici*) (hereinafter, in short, the BDNCP) kept by the National Anti-Corruption Authority (art. 6-bis of Italian Legislative Decree no. 163/2006 as subsequently amended and supplemented, as introduced by paragraph 1a) of art. 20 of Law no. 35 of 04 April 2012). In accordance with the provisions of art. 6-bis of Italian Legislative Decree no. 163/2006 as subsequently amended and supplemented, the AVCP (now ANAC) issued Deliberation no. 111, dated 20 December 2012, which identified, inter alia, *“data concerning participation in tender procedures and the assessment of bids to be inserted into the BDNCP to enable contracting authorities/contracting entities to verify possession of the requirements applicable to suppliers for the awarding of public contracts”*.

Art. 9 of the aforementioned Deliberation, as modified during the formal meetings held on 08 May and 05 June 2013, states that the obligation to perform verifications exclusively through use of the AVCPASS system runs from *“01 January 2014 for contracts with an initial value equal to or greater than EUR 40,000.00”*.

For the purpose of this procurement action, prospective suppliers must register on the AVCpass System according to the operating instructions as well as the terms and technical regulations for the acquisition, updating and consultation of data present on the www.avcp.it website.

Once the economic operator has registered for the AVCPASS service and identified the procedure in which it wishes to participate, it will obtain a **"PassOE" code** which must be inserted into the e-mail containing the documentation requested for participation in the procedure, according to the procedures described below.

In accordance with the provisions of art. 6-*bis* of Italian Legislative Decree no. 163/2006 as subsequently amended and supplemented, of AVCP (now ANAC) Deliberation no. 111 of 20 December 2012 and of law no. 15 of 27 February 2014, as well as with the provisions of the aforementioned art. 216 (par. 13) of Italian Legislative Decree no. 50/2016, Consip shall conduct a compliance check of the requirements relating to this initiative exclusively through the BDNCP.

Lastly, it should be noted that failure to register with the AVCpass service, or to send the PassOE code, will not entail, by itself (unless otherwise stipulated), exclusion from this procedure. By means of a suitable notification, Consip provide suitable deadline for conducting the activities indicated above.

Sogei reserves the right to negotiate the payment terms with the successful bidder, pursuant to and in accordance with paragraph 4 of art. 4 of Italian Legislative Decree no. 231/02 as subsequently amended and supplemented. This must be taken into consideration when formulating the bid.

The Supplier may not claim any right to other compensations, adjustments or increases of the fees agreed upon in contract, except as provided for by art. 106 of Legislative Decree 50/2016 for recurring and continuous contracts.

Please note that Art. 106 co. 11 of Legislative Decree no. 50/2016 will be applied, so that the duration of the contract may be extended for the time strictly necessary to complete the procedures necessary for the identification of a new supplier. In such a case, the supplier will be required to carry out the performance of the contract at the same prices, terms and conditions stipulated in the contract. Amendments are only possible if they favour the contracting authority.
