Additional Terms and Conditions.

1. For purposes of this Schedule, all references herein to "Services" shall mean CDS Pricing services (including any additional functionality, data, and/or capabilities) or any content set or product package a part thereof as more specifically identified in the box above.

2. The Licensee shall use the Services solely for its own internal purposes and except as expressly provided in this Schedule, shall not reproduce publish disseminate or communicate the Services or any part thereof in any format to any other party including any subsidiary or branch office of the Licensee by any means whatsoever. This restriction shall include without limitation copying of any part of the Services electronically or otherwise and/or distributing or disseminating any part of the Services via any network to any third party.

3. System Administrator: Licensee shall identify an individual that has been designated to serve as "System Administrator" on behalf of Licensee. The System Administrator shall be responsible for supporting Authorized Users of the designated Services via Licensee's internal network, assuring compliance with terms and conditions, and communicating with Vendor regarding these issues. Licensee will notify Vendor in writing within thirty (30) days if a different person assumes these responsibilities.

4. Authorized Users may access and use the Services solely as permitted by the type of Authorized Use identified in the box above. Access to and use of the Services shall be limited to those Authorized Units identified in the box above. The following are the different types of Authorized Use and their respective terms and conditions:

4.1 Shared Content Use: If Shared Content Use is identified as the Authorized Use, Authorized User(s) located in the Territory and within the Authorized Unit (for example, Department) may access and use the Services. Shared Content Use Authorized Users within the Authorized Unit may download, store, copy and transfer content from the Services to a centralized, shared, or departmental device, directory, database or other repository; provided that such device, directory, database or repository can only be accessed by other Authorized Users within the Authorized Unit.

4.2 Individual Content Use: If Individual Content Use is identified as the Authorized Use, only the individual Authorized User within the Authorized Unit that has been issued a user ID/password may access and use the Services on, and/or download content from the Services to, such individual's desktop/computing device. For the avoidance of doubt, Individual Content Use Authorized Users may not share, store, copy or transfer content from the Services to any device, directory, database or other repository that is accessible by, or otherwise made available to, any other person.

4.3 If Individual Content Use is identified as the Authorized Use in the relevant Pricing Schedule, Licensee acknowledges that whilst the Services can be used as an aid to institutional investors, registered brokers or professionals of similar sophistication in making informed judgments concerning securities, the license granted hereunder expressly excludes

use of the Services for “Investment Accounting Activities.” “Investment Accounting Activities” shall mean back office accounting functions customary in the securities industry, including, but not be limited to, trust accounting, fund accounting, brokerage activities, trading and settlement management and reporting, order execution, inventory control, NAV calculation and portfolio valuation for accounting or investment purposes and general back office management of financial and operations functions.

This Schedule supersedes all previous Schedules/agreements between the parties with respect to its subject matter. In the event of any conflict between the terms of this Schedule, or the Agreement, the terms of this Schedule shall control with respect to this Schedule only. The signatures below are evidence of each party’s agreement to be bound by the terms and conditions of this Schedule, and the Agreement, the terms and conditions of which are incorporated herein by reference as if set forth at length. Each of the undersigned acknowledges that he/she is authorized to execute this Schedule on behalf of the respective parties. The parties agree that execution of this document via an electronic signature process shall constitute valid execution hereof.
